City of Culver City, California
A Joint City Council/Redevelopment Agenda Item Report

BACKGROUND:

In March 2006, the City Council approved a request submitted by Sony Pictures Entertainment for an Amendment to extend the term of the Development Agreement relating to property at 10202 Washington Boulevard in the Studio (S) Zone. Under the terms of the First Amendment to the Development Agreement, Sony will contribute to the City's Unified Fund at least Twenty-Five Thousand Dollars (\$25,000) per year until the year 2015.

The City's Unified Fund supports City-sponsored events and cultural programs of the Community Development Department and the Parks, Recreation and Community Services Department. City Council approved the Sony sponsorship and recommended allocation last year at its October 22, 2007 meeting. Attachment 1 provides a copy of the staff report from that meeting.

DISCUSSION:

Traditionally, the greater part of the Sony contribution has been allocated to the City's Performing Arts Grant Program which Sony has steadfastly supported for several years. Sony contributed \$25,000 to the City's Unified Fund in FY 07-08 and last year's allocations were as follows:

2007-08 ALLOCATIONS

<u>City/Agency Programs</u>	<u>Recommended Amount</u>
Music in the Chambers	\$ 1,500
Performing Arts Grant Program	\$15,000
Special Events (Fiesta/Tree Lighting/Teen Center Programs)	\$ 4,500
ARTWALK Culver City	\$ 2,000
The Art of...Speakers Series	<u>\$ 2,000</u>
TOTAL:	<u>\$25,000</u>

Sony's leadership in the community is inspirational, and it continues to attract more contributors, sponsors and marketing partners to the City of Culver City. Staff recommends crediting Sony on the specific work programs that it funds. Three of the newest Agency-funded Cultural Affairs work programs would benefit from enhanced marketing dollars or performer fees as well as from Sony's imprimatur on the marketing materials. Those programs include Children's Events (*Rainbow Day*) and *Speak Easy* which are both presented on the west side of the City as well as *Made in Culver City*, funded this year through the Special Events account in the Cultural Affairs budget, which is presented as an anniversary event celebrating the City's film

history. Staff recommends allocating \$500 for each of those new work programs. Additionally, Sony has received credit as a sponsor of the *Culver City Music Festival* in recent years, in appreciation for its overall sponsorship of performing arts programs, but funds were not allocated from the annual contribution. Staff recommends that \$1,000 of the contribution be allocated towards the Festival so that Sony may continue to enjoy the marketing benefits offered in the sponsorship package at that level which include the company's logo placement on ads and flyers.

City Council has the opportunity to allocate the resources in whatever manner Council feels appropriate. Staff is recommending that the FY 08-09 Sony contribution be allocated as follows:

2008-09 ALLOCATIONS

<u>City/Agency Programs</u>	<u>Recommended Amount</u>
Music in the Chambers	\$ 500
Performing Arts Grant Program	\$15,000
Special Events (Fiesta/Recreation Programs)	\$ 4,500
ARTWALK Culver City	\$ 500
The Art of...Speakers Series	\$ 2,000
Children's Events (Rainbow Day)	\$ 500
Culver City Music Festival	\$ 1,000
Special Events (Made in Culver City)	\$ 500
Speak Easy	\$ 500
TOTAL:	\$25,000

FISCAL ANALYSIS:

Funds donated by Sony will have a positive impact to the City's ability to enhance existing programs and offer additional services to the community. The account numbers corresponding to the recommended allocations are as follows:
