Honorable Mayor Vera and Members of the City Council
City of Culver City
9770 Culver Boulevard
Culver City, CA 90232

Dear Mayor Vera and City Council Members:

Last September, the City Council created a ten-member Charter Review Committee to undertake the project of reviewing the entire Charter, a task which had not been done for more than 25 years. The Committee embraced that task with the principal goal of making Culver City government more responsive, accountable and efficient.

At the outset, we do not believe anyone on the Committee fully appreciated the magnitude of the Committee's charge. During the course of its deliberations, the Committee compared Culver City's Charter and practices with the charters and best practices of other charter cities and model charters promulgated by various public agencies such as the League of California Cities, while seeking at all times to propose governance structures particularly suited to our city.

The Committee was asked to deliberate fully on this important task within the timeframe set forth by the City Council. With this report, the Culver City Charter Review Committee presents you with our final report and recommendations.

The Committee's review indicated that the City's governance structure, particularly lines of authority, could be greatly modernized and enhanced. The Charter itself was also in need of clarification, simplification and reorganization. Together, the proposed improvements in these areas would bring the governance of Culver City into the 21st century.

The principal recommendation of the Committee is to implement the "Council-Manager" form of government. The "Council-Manager" form of government places a premium on clear lines of authority, accountability, accessibility and efficiency. The Committee received testimony from City officials, who in part stated that although the current structure has long served the community, the fragmentation of day-to-day decision-making could be inefficient. Times have changed, as has the structure of local governments. Research materials submitted for the Committee's consideration increasingly indicate that the "Chief Administrative Officer" form of government is nearly unique to Culver City and will be harder to sustain in the future.

Once the "Council-Manager" decision was made, the Committee sought consistency in drafting the Charter in order to reinforce the City Manager's authority to carry out the policies set by the City Council. We recommend elimination of civil service status for all department head positions. It was the Committee's view that civil service protection was important for most other levels of employment within the City. It is not, however, necessary for those having achieved the level of a department head.

The Committee has also recommended that the positions of Fire Chief, Police Chief, and City Attorney should continue to be appointed by the City Council. This is a departure from the standard "Council-Manager" form of government which the Committee concluded was, nevertheless, appropriate for our community.

In this comprehensive review of the Charter, the general philosophical view of the Committee was the Charter should provide the City Council with increased flexibility in setting policy by ordinances, resolutions and other actions. The proposed Charter removes dollar limitations in many places; creates contracting provisions and policies by ordinance; authorizes the Council to create and abolish commissions, boards and committees by ordinance; and, removes archaic or ambiguous language. (For some highlights of the proposed Charter revisions, a chart is included in this Report.)

The Committee did not limit itself to making proposals for Charter changes. Because of the need to modernize and improve the language of this Charter, the Committee established a drafting subcommittee consisting of several committee members, city attorney staff, and the Committee's consultant. Over numerous meetings, the subcommittee thoroughly edited the Charter, identifying and adjusting inconsistencies

and other problems. As a result, the Charter we submit to you has been carefully vetted for Charter language, and is ready in its present form.

Through the diverse viewpoints of the Committee, comprehensive review of research materials and deliberation over the complex issues raised in this Charter review process, the Committee reached consensus. This report was unanimously adopted by the Committee at its meeting on August 24, 2005. The Committee stands ready to answer any questions you may have and to assist in any way.

Very truly yours,

CULVER CITY CHARTER REVIEW COMMITTEE

If for any reason it shall be unsafe to meet in the Council Chambers, meetings may be held for the duration of the unsafe condition at a place within the City designated by the Mayor, or by the City Council.

In the event that any ordinance is altered after its introduction, it shall be reintroduced and not finally adopted except at a regular or adjourned regular meeting, held not less than five days after the date upon which such ordinance was so reintroduced. The correction of typographical or clerical errors shall not constitute the making of an alteration within the meaning of the foregoing sentence.

The City Council may transfer to any such fund any unencumbered surplus funds remaining on hand in the City at any time.

The City Council may, by ordinance, grant a franchise to furnish the City and its inhabitants with any public utility or service and to use the public streets for that purpose. The exercise by any person, firm or corporation of any privilege for which a franchise is required without procuring such franchise from the City is prohibited.

Before granting any franchise, the City Council shall adopt a resolution declaring its intention to grant the same, stating the name of the proposed grantee, the character of the franchise and the terms and conditions upon which it is proposed to be granted. Such resolution shall set forth the time and place at which any person may appear before the City Council and be heard. The City Council shall direct the City Clerk to publish the resolution at least once within 15 days of its

ARTICLE XIX. CHARTER REVIEW COMMITTEE

SECTION 1900. CHARTER REVIEW COMMITTEE.

ARTICLE IV. BOUNDARIES

SECTION 400. BOUNDARIES.

The boundaries of the City shall be those boundaries existing as of the effective date of this Charter. The boundaries may later be changed in the manner authorized by State law.

ARTICLE V. POWERS OF THE CITY

SECTION 500. POWERS OF THE CITY.

The City shall have all of the rights, powers and privileges which may be granted to a charter city under the Constitution and laws of the State, as fully and completely as though they were specifically enumerated in this Charter.

Without limiting the preceding provisions, the City shall have the power to make and enforce all laws and regulations with respect to municipal affairs, subject only to such restrictions and limitations as may be provided in this Charter and in the Constitution.

The enumeration in this Charter of any particular power shall not be held to exclude other powers, nor to be any limitation upon this general grant of power.

ARTICLE VI. CITY COUNCIL

SECTION 600. NUMBER, ELECTION AND TERM OF OFFICE.

The City Council shall consist of five members elected at-large, at the times and in the manner provided in this Charter. A full term of office shall be four years, commencing at the meeting at which the election results are certified, and continuing until a successor is elected and certified. Any ties in voting shall be settled by the casting of lots.

SECTION 601. TERM LIMITS.

No person shall serve more than two consecutive full terms as a Council Member. If a person serves a partial term in excess of two years, it shall be considered a full term for the purpose of this provision. Nothing in this provision shall act to bar service as a Council Member after at least two years have elapsed from the Council Member's last full term.

SECTION 602. ELIGIBILITY.

Only residents of the City who are lawfully registered voters of the City shall be eligible to hold an elective City office. Candidates for election to any such office must have been lawfully registered voters of the City for the 30 days immediately preceding the filing of their nomination papers.

SECTION 603. COMPENSATION.

Council Members shall receive compensation for their services in accordance with the provisions of State law.

The City shall maintain records of the total annual compensation, including benefits, received by individual Council Members in their capacities as elected public officials of the City, including all compensation received for services on the Culver City Redevelopment Agency and any other boards or agencies. Individual Council Members shall provide information that the City requires in order to comply with this section. Such information shall be made available to the public in accordance with State law.

The City Council, by a vote of at least three of its members, may appoint a replacement to fill any vacancy on the City Council. Such appointee shall hold

office until a successor is elected and certified. If the vacancy occurs before the first day to file nomination papers for the next general municipal election, a Council Member shall be elected at that election as the successor to any appointee, or to fill the vacancy if it has not previously been filled by appointment, and such newly elected Council Member shall serve the remainder of the unexpired terms and until a successor is elected and certified.

If a vacancy is not filled by appointment within 30 days after its occurrence, the City Council shall immediately call a special election to fill the vacancy. The special election shall be held not later than 120 days after the vacancy occurs, except that no special election shall be called to fill the vacancy if it cannot be held at least 180 days before the next general municipal election. A person elected at a special election shall hold office for the remainder of any unexpired term and until a successor is elected and certified.

If there is an election to fill one or more full terms and one or more unexpired terms, then the candidates who receive the highest number of votes shall serve the full terms, and of the candidates remaining, those who receive the next highest number of votes shall serve the unexpired terms.

At any time when there are three or four vacancies on the City Council, the remaining Council Member or Members shall constitute a quorum for the purpose of holding a meeting to consider taking action pursuant to this section, and such action may be taken by the unanimous vote of the remaining Member or Members.

SECTION 605. FORFEITURE OF OFFICE.

The grounds for forfeiture of the office of a Council Member are the following:

(a) The Council Member is absent, without the consent of the City Council, from all regular City Council meetings for a period of 60 consecutive days from and after the last regular City Council meeting attended by such Council Member;

(b) The Council Member is convicted of a felony or a crime involving moral turpitude; or

(c) The Council Member ceases to be a resident and lawfully registered voter of the City.

After the occurrence of any of the foregoing events, the office of the Council Member shall be declared vacant by the City Council by a vote of at least three of its members. At the request of the affected Council Member, the City Council shall hold a public hearing before declaring the office vacant.

SECTION 606. MAYOR AND VICE MAYOR.

At the same meeting and immediately following the certification of election results for any general or special municipal election at which Council Members are elected and at the second meeting in April in odd numbered years, the City Council shall elect one of its members as its presiding officer, who shall have the title of Mayor and one of its members as Vice Mayor. Both shall serve at the pleasure of the City Council.

The Mayor shall have a voice and a vote in all City Council proceedings, shall be the official head of the City for all ceremonial purposes, and shall perform such other duties as may be prescribed by this Charter or as may be imposed by the City Council consistent with the office of Mayor. The Vice Mayor shall perform the duties of the Mayor during the absence or incapacity of the Mayor.

A Council Member who has held the office of Mayor or Vice Mayor for one year shall not be eligible for reelection to that same office until one year has elapsed.

SECTION 607. POWERS OF THE CITY COUNCIL.

All powers of the City shall be vested in the City Council, subject to the provisions of this Charter and the Constitution. The City Council shall have the power to:

(a) Appoint, suspend, remove and fix the compensation of the City Manager, Fire Chief, Police Chief and City Attorney, by a vote of at least three of its members;

(b) Create, modify or abolish any City department, and to prescribe the powers and duties of such departments and their Department Heads;

(c) Review and certify the results of all City elections;

(d) Control all legal business and proceedings, including, but not limited to, the authority to employ other attorneys to take charge of any litigation or other legal matters or to assist the City Attorney in connection with any legal matter, which authority, in whole or in part, may be delegated to the City Attorney; and

(e) Compel the attendance of witnesses, examine them under oath, and compel the production of evidence before it. The City Council may cause subpoenas to be issued in the name of the City and be attested to by the City Clerk. Disobedience of such subpoenas, or the refusal to testify, upon other than constitutional grounds, shall constitute a misdemeanor. Council Members, and any City staff members designated by the City Council, shall have the power to administer oaths in any investigation or proceeding before it.

Additionally, the City Council shall have all other powers consistent with this Charter and the Constitution.

SECTION 608. CITY COUNCIL MEETINGS.

The City Council shall hold regular meetings at least twice each month, at such times as it shall fix by ordinance or resolution and may adjourn any regular meeting to a date certain, which shall be specified in the order of adjournment and when so adjourned, each adjourned meeting shall be a regular meeting for all purposes.

The Council Chambers of City Hall shall be the primary place of all City Council meetings.

By a vote of at least three of its members, the City Council may order a regular meeting to be held not less than seven days after that date at a place within the City other than the Council Chambers.

The City Council may, upon making a finding that the public interest requires it, order a meeting adjourned to another location within the City and to a time during the same day on which the order is made.

If for any reason it shall be unsafe to meet in the Council Chambers, meetings may be held for the duration of the unsafe condition at a place within the City designated by the Mayor, or by the City Council.

Whenever an order is made to hold a meeting at a place other than the Council Chambers, the City Clerk shall immediately post a copy of the order at a conspicuous location near the outside of the main entrance to the Council Chambers. The order shall remain posted until the meeting is held.

SECTION 609. SPECIAL MEETINGS.

A special meeting of the City Council may be called at any time by the Mayor, or by a majority of the Council Members.

SECTION 610. NOTICE OF PUBLIC MEETINGS.

The City Council shall comply with the applicable provisions of State law regarding the giving of notice for regular and special meetings. The City Council shall consider whether it should establish additional procedures to provide efficient,

timely and cost-effective notice in a manner consistent with currently available technology.

SECTION 611. PUBLIC PARTICIPATION.

During any public meeting, all persons shall have the right to address the City Council, and any City commission, board or committee, subject to reasonable rules of decorum and time limits established by ordinance or the presiding officer.

SECTION 612. COUNCIL PROCEEDINGS.

Three members of the City Council shall constitute a quorum to do business, but a lesser number may declare a meeting adjourned.

Except as otherwise provided in this Charter, actions of the City Council shall be decided by a majority of the members present and voting on a matter, excluding abstentions.

The City Clerk shall keep a correct record of all proceedings of the City Council. At the request of any Council Member or upon the adoption of any ordinance or resolution, or upon the adoption of any order for the payment of money, the City Clerk shall record the vote taken on the question, and enter the result in the minutes of the meeting.

SECTION 613. ADOPTION OF ORDINANCES AND RESOLUTIONS.

No ordinance shall be adopted by the City Council on the day of its introduction, nor within five days thereafter, nor at any time other than at a regular or adjourned regular meeting. The foregoing shall not apply to urgency ordinances adopted in the manner provided in this Charter. A resolution adopted by the City Council shall become effective in accordance with its terms.

At the time of adoption of an ordinance, it shall be read in full, unless, after the reading of the title, the further reading thereof is waived by unanimous consent of the Council Members present. In the event that any ordinance is altered after its introduction, it shall be reintroduced and not finally adopted except at a regular or adjourned regular meeting, held not less than five days after the date upon which such ordinance was so reintroduced. The correction of typographical or clerical errors shall not constitute the making of an alteration within the meaning of the foregoing sentence.

The votes of at least three members of the City Council shall be required for the introduction or enactment of any ordinance or resolution, or for the making or approving of any order for the payment of money.

No order for the payment of money shall be adopted or made at any time other than at a regular or adjourned regular meeting.

SECTION 614. URGENCY ORDINANCES.

Any ordinance declared by the City Council to be necessary as an urgency measure for preserving the public peace, health or safety and containing a statement of the reasons for its urgency may be introduced and adopted at any regular, adjourned, or special meeting if passed by a vote of at least four-fifths of its members.

SECTION 615. ORDINANCES: ENACTMENTS.

In addition to all other acts of the City Council that are required by State law or by this Charter to be enacted by ordinance, every act of the City Council establishing a fine or other penalty or granting a franchise shall be enacted by ordinance.

The enacting clause of all ordinances shall be substantially as follows: "The City Council of the City of Culver City does ordain as follows:".

SECTION 616. ORDINANCES: PUBLICATION.

The City Clerk shall record the full text of all ordinances and resolutions adopted by the City Council in a properly indexed book. The City Clerk shall also cause each ordinance, or a summary of such ordinance, to be published not later than 15 days after its adoption in a newspaper circulated in the City and designated by the City Council.

SECTION 617. ORDINANCES: AMENDMENTS.

Any provision of an existing ordinance may be amended without reenactment and republication of the entire original ordinance.

SECTION 618. ORDINANCES: CODIFICATION.

The City Council shall periodically provide for the preparation of a general codification, compilation, consolidation, revision, indexing or arranging of all City ordinances and resolutions then having the force and effect of law.

The codification of City ordinances may be accomplished by reference to the passage of previously adopted ordinances. Such codifications need not be published in the manner required for other ordinances, but prior to adoption, at least three copies of the Code shall be filed in the office of the City Clerk, where they shall be available for public inspection.

Detailed regulations pertaining to any subject, such as fire, building, plumbing, electrical and mechanical codes, as well as codes on other subjects that require extensive regulations, may be adopted by reference, and without the necessity of publication, in the manner provided above. One copy of such codes shall be filed in the office of the City Clerk, prior to their adoption, where they shall be available for public inspection.

Subsequent amendments to sections of the general codification of City ordinances, or the regulatory codes, shall be enacted in the same manner required by this Charter for the amendment of ordinances generally.

SECTION 619. ORDINANCES: WHEN EFFECTIVE.

In order to allow the People to exercise their referendum power, no ordinance shall become effective until 30 days from and after the date of its adoption, except, the following, which shall take effect upon adoption:

- (a) An ordinance calling for or otherwise relating to an election;
- (b) An improvement proceeding ordinance adopted under some law, or procedural ordinance;
- (c) An ordinance declaring the amount of money necessary to be raised by taxation, or fixing the rate of taxation; or
- (d) An urgency ordinance adopted in the manner provided in this Charter.

SECTION 620. ORDINANCES: VIOLATION AND PENALTY.

Unless a specific ordinance provides otherwise, a violation of an ordinance of the City shall be a misdemeanor. The City Council, by ordinance, may establish the penalty by fine or imprisonment, or both, for misdemeanors and only by fine for infractions.

Violations of City ordinances may be prosecuted in the name of the People of the State of California or may be redressed by the City through any legal or equitable remedies.

SECTION 621. PUBLISHING OF LEGAL NOTICES.

The City Council shall designate one newspaper circulated in the City for the publication of all notices and other matters required to be published in a newspaper. When possible, a change to another newspaper shall not be made until a notice of the intention to change is published in the previously designated newspaper.

The charges for such publications in the designated newspaper shall not exceed the rates charged to the general public for similar publications.

All legal notices or other matters required to be published shall also be posted in at least three public places within the City.

Posting of legal notices in three public places shall be sufficient, without publication if the designated newspaper is unavailable and a suitable replacement cannot be designated.

ARTICLE VII. CITY ADMINISTRATION

(c) Interfere in any way with the performance of the duties of any City employee; or

(d) Interfere in any way with the duties of the City's elections official in the conduct of elections.

Nothing in this section shall prevent the City Council, or any of its members, from advising the City Manager of any information which might assist the City Manager in the discharge of the City Manager's duties; or contacting City employees for the purpose of inquiry, obtaining information or advising employees of citizen complaints.

ARTICLE VIII. ANNUAL BUDGET

SECTION 800. BUDGET PREPARATION.

The City Council shall adopt such ordinances and resolutions as it deems necessary to promote ethical conduct in government.

SECTION 1404. IMPROPER POLITICAL ACTIVITY.

The officers and employees of the City shall not engage in, nor shall the facilities of the City be used for, improper political activities. The City Council shall have the authority to establish rules and regulations to implement this policy.

ARTICLE XV. ELECTIONS

SECTION 1500. GENERAL MUNICIPAL ELECTIONS.

General municipal elections for the filling of all elective offices, other than the Board of Education, shall be held in the City on the second Tuesday in April in each even numbered year.

The election of members of the Board of Education shall be held in accordance with State law. Expenses for Board of Education elections shall be paid by the School District.

SECTION 1501. SPECIAL MUNICIPAL ELECTIONS.

SECTION 1505. ELECTIONS BY MAIL.

The City Council may, by ordinance, authorize the conduct of elections wholly by mail, under which all votes shall be cast in the manner of absentee ballots.

ARTICLE XVI. FINANCIAL AND FISCAL MATTERS

SECTION 1600. FISCAL YEAR.

The fiscal year of the City government shall begin on the first day of July of each year and end on the thirtieth day of June of the following year.

SECTION 1601. TAX SYSTEM.

Unless otherwise provided by ordinance, the City shall continue to use, for the purpose of ad valorem municipal taxation, the County system of assessment and tax collection, as such system is now in effect or may hereafter be amended and insofar as such provisions are not in conflict with this Charter.

If the City Council fails to fix the rate and levy taxes on or before August 31st in any year, the rate for the next preceding fiscal year shall thereupon be automatically adopted and a tax at such rate shall be deemed to have been levied on all taxable property in the City for the current fiscal year.

SECTION 1602. TAX LIMITS.

Exclusive of special levies permitted by this Charter, the City Council shall not levy a property tax in excess of one percent of the assessed value of taxable property in the City for municipal purposes, unless authorized by a two-thirds vote at a City election.

There shall be levied and collected at the time and in the same manner as other property taxes for municipal purposes are levied and collected as additional taxes, if no other provision for payment thereof is made:

(a) A tax sufficient to meet all liabilities of the City for principal and interest of all bonds or judgments due and unpaid, or to become due during the ensuing fiscal year; and

(b) A tax sufficient to meet all obligations of the City to the Public Employees' Retirement System, or other system for the retirement of City employees due and unpaid or to become due during the ensuing fiscal year.

Special levies, in addition to the above, may be made annually, based on City Council approved estimates, for the following specific purposes: parks, recreation, refuse disposal, city planning, libraries, advertising and promotion. The proceeds of any such special levy shall be used for no other purpose than that specified.

SECTION 1603. BONDED DEBT LIMIT.

The bonded indebtedness of the City may not exceed the sum of 15 percent of the total assessed valuation of all the real and personal property within the City.

SECTION 1604. CONTRACTS FOR PUBLIC WORKS.

The City Council shall, from time to time, establish, by ordinance, procedures to ensure the integrity of awarding all contracts for the construction or improvement of public works, buildings, streets, drains, sewers, utilities, parks and playgrounds. Subject to such exceptions as the City Council may establish, these procedures shall call for soliciting multiple bids for all contracts. The procedures shall be reviewed periodically by the City Council at a public hearing.

The City Council may award a contract without complying with the procedures then in place by a vote of at least four-fifths of its members after a public hearing.

This Charter has been enacted for the collective benefit of the People of the City of Culver City, and is not intended to confer legal rights or remedies upon individual persons or entities that elect to do business with the City. In furtherance

of this intention, it is specifically declared that no contractor, person or entity shall be entitled to bring any legal or equitable action against the City alleging that the City failed to perform its obligations under this section or under any ordinance enacted to establish the procedures for awarding public works contracts. Nothing in this paragraph shall prohibit or restrict the City from adopting ordinances or entering into contracts that grant legally enforceable rights to one or more contractors, persons or entities.

SECTION 1605. PURCHASING OF SUPPLIES, MATERIALS AND EQUIPMENT.

The City Council shall establish procedures for the purchasing, storing and distribution of all supplies, materials and equipment required by any City department. The City Manager shall direct the implementation of such procedures for all City departments.

SECTION 1606. RESERVE FUNDS.

The City Council shall maintain sufficient cash reserves for the purpose of placing the payment of operating expenses of the City on a cash basis. The reserves shall be built from any available sources, and in combination with anticipated revenues shall be sufficient to meet all lawful demands against the City. Transfers may be authorized by the City Council from one fund to another fund or funds in such amounts as may be required to place those funds as nearly as possible on a cash basis. In case of such transfers, monies shall be returned to the fund from which they were transferred as they become available.

SECTION 1607. CAPITAL FUNDS.

The funds for capital improvements, previously created, are hereby continued in existence. The City Council by ordinance may create a special fund or funds for a special capital improvement purpose. Subject to the restrictions of the Constitution, the City Council may levy and collect taxes for capital improvements and may include in the annual tax levy a levy for such purposes in which event it must apportion and appropriate to any such fund or funds the money derived from such levy. It may not, in making such levy, exceed the maximum tax rate provided for in this Charter, unless authorized by majority vote at a City election. The City Council may transfer to any such fund any unencumbered surplus funds remaining on hand in the City at any time.

Once established, such fund shall be restricted to only the purposes for which it was created, unless the assent of the voters is expressed to the use of such fund for some other purpose by majority vote at a City election.

SECTION 1608. CLAIM REQUIRED FOR ACTIONS AGAINST CITY.

No suit may be brought on any claim for money or damages against the City, the City Council, or any City commission, board, committee, officer or employee until a claim has been presented and rejected in whole or in part in accordance with procedures adopted by the City Council for the regulations of claims, subject to the provisions of State law.

SECTION 1609. INDEPENDENT AUDIT REQUIRED.

At the beginning of each fiscal year, the City Council shall employ an independent, certified public accountant or firm of such accountants who, at such time or times as may be specified by the City Council, shall examine the books, records, inventories and reports of the City and of all officers and employees of the City who receive, handle or disburse public funds and of all such other City officers, employees and departments as the City Council may direct. As soon as practicable after the end of the fiscal year, a final audit and report shall be submitted by such accountant or firm to the City. Copies of such audit and report shall be provided to each Council Member; and copies shall be placed on file in the office of the City Clerk and made available for inspection by the general public. Such accountant or firm shall have no direct or indirect personal interest in the fiscal affairs of the City or of any of the officers of the City.

ARTICLE XVII. FRANCHISES

SECTION 1700. FRANCHISES.

The City Council may, by ordinance, grant a franchise to furnish the City and its inhabitants with any public utility or service and to use the public streets for that purpose. The exercise by any person, firm or corporation of any privilege for which a franchise is required without procuring such franchise from the City is prohibited.

Before granting any franchise, the City Council shall adopt a resolution declaring its intention to grant the same, stating the name of the proposed grantee, the character of the franchise and the terms and conditions upon which it is proposed to be granted. Such resolution shall set forth the time and place at which any person may appear before the City Council and be heard. The City Council shall direct the City Clerk to publish the resolution at least once within 15 days of its passage in a newspaper circulated in the City and designated by the City Council. The date and time fixed for the public hearing shall be not less than 20, nor more than 60 days after the adoption of the resolution.

At the hearing, the City Council shall consider all protests and comments. Thereafter, the City Council may amend, grant or deny the franchise. Such decision shall be final and conclusive, subject to the right of referendum of the People.

ARTICLE XVIII. REVENUE RETENTION

SECTION 1800. REDUCTIONS PROHIBITED.

With regard to municipal affairs and areas not preempted by the State, any revenues raised and collected by the City shall not be subject to subtraction, retention, attachment, withdrawal or any other form of involuntary reduction by any other level of government.

SECTION 1801. MANDATES LIMITED.

No other level of government shall have the right to require any person acting on behalf of the City to perform any function unless and until the mandating authority provides sufficient funds for the performance of such function. The City Council may instruct any department, commission, board, committee, officer or employee of the City to disregard any mandate for which adequate funding has not been provided.

ARTICLE XIX. CHARTER REVIEW COMMITTEE

SECTION 1900. CHARTER REVIEW COMMITTEE.

Beginning in January 2014, and in January every 10 years thereafter, the City Council shall hold a public hearing to consider the need for a comprehensive review of the existing Charter and shall determine whether or not to appoint a Committee to consider and propose amendments to the existing Charter. Within 12 months after its creation, or such other time period as may be specified by the City Council, the Committee shall present to the City Council any proposed amendments to the Charter. The City Council shall act upon the recommendations of the Committee before the last day to place the proposed amendments on the ballot at the next regular municipal election.
