Re Service Renewal # P JD M00815 000 73

Dear Michele Seals

Please find attached a quotation for the above service renewal. The technical support services and benefits you are receiving will expire or have expired on 30 Nov 05. This quotation is provided pursuant to the terms and conditions of the valid license agreement that you executed when you acquired technical support from Oracle, formerly known as PeopleSoft, for the licenses referenced on the above service renewal. Your service order under this quotation is subject to Oracle's acceptance.

In order to complete this service renewal and to ensure that there is no interruption to your technical support, please accept this service renewal in accordance with the attached Acceptance Details on or before 8 Nov 05. An invoice, including applicable sales tax (GST or VAT (collectively referred to as Tax)), will only be issued upon receipt of acceptance. If your organization is tax exempt and is not a U.S. federal government entity, a copy of your tax exemption certificate (specifying Oracle USA, Inc. as vendor) must be included with your purchase order or other form of payment.

Oracle's technical support policies govern the terms of your technical support and are subject to change in accordance with its terms. The most current technical support policies, including Oracle's Reinstatement Policy, can be found on the web at <http://www.oracle.com/support/policies.html>. Customers who allow technical support to lapse and later wish to reactivate it will be subject to Oracle's then current Reinstatement Policy. Applicable reinstatement fees may apply in addition to the annual technical support fees.

Oracle provides information and notices about technical support via e-mail. Accordingly, it is important that you provide updated e-mail information with your order to ensure that you receive all communication and notices from us.

I would like to take this opportunity to thank you for your continued business. If you require further information, please do not hesitate to contact me at your earliest convenience.

Regards
