Item A-2

Review the ACOHH Work Plan 2023 Accomplishments and 2024 Priorities Approved During ACOHH January 20, 2024

Christina Stoffers, Management Analyst, reported a typo in the agenda title noting that the date should be February 20, 2024, rather than January 20, 2024.

Tevis Barnes, Director of Housing and Homelessness, indicated that staff was looking for clarification as to whether the priorities and accomplishments had been captured correctly.

Discussion ensued between staff and Committee Members regarding 2023 accomplishments.

Carrie Bell, Urban Alchemy, reported finding permanent housing for the City's longest-known homeless person who had been homeless for 22 years.

Tevis Barnes, Director of Housing and Homelessness, reported that Wellness Village was at capacity and that 51 people had been served with 26 people moved into Project Homekey; she discussed the number of people currently in hotels; work with Urban Alchemy and Exodus; people moved from the motels to Project Homekey; number of meals distributed; and Healthcare in Action, the weekly mobile health clinic that visits all sites.

Additional discussion ensued between staff and Committee Members regarding the timing of accomplishments and inclusion in the report; continued work on the second motel lease; the January 2024 Homeless Count; the release of numbers from LAHSA (Los Angeles Homeless Services Authority); raw data; the overall decrease to numbers, but increases in certain categories; the significant increase of people in cars; prioritization of the Safe Parking program; the budget hearing request; costs for Safe Parking infrastructure and services; annual costs; pushback on previously identified

sites; investigation of a potential donated lease from Bed Bath and Beyond; an undeveloped lot on Jefferson and Sepulveda; privacy; alternative locations; creation of a dashboard on the City website to let people know what services are being provided and the number of people served; monthly service provider reports; Caltrans land; noise and environmental issues; plans to update the Plan to Prevent and Combat Homelessness; priorities for the City's legal team; and legislation impacting homelessness and housing.

Further discussion ensued between staff and Committee Members regarding adding the word "permanent" in the first sentence on page 2 under work plans going forward to indicate: "To increase temporary shelter, affordable, and permanent supportive housing"; adding a bullet vs. expanding an existing bullet; increasing permanent supportive housing through Project Homekey or other funding options that may come to the City; expanding bullet 2 to read: "Explore implementation of a Safe Parking program and siting options on City-owned property"; City land that is held by different departments; land utilized by Public Works; adding a bullet point to indicate: "Seek additional funding sources to increase housing for homeless neighbors including permanent supportive housing"; adding a bullet under Priorities for the City's legal team to read: "Examine supporting legislation impacting homelessness and housing"; delegating the task to the City Council; actions of former ACOHH Vice Chair Fish to have the Committee examine legislation before going to the City Council; Member workload; responsibility for doing the work; and a request that staff provide an inventory of vacant City-owned land at the next meeting.

MOVED BY MEMBER RACHEL FELDSTEIN AND SECONDED BY MEMBER JONATHON DILWORTH THAT THE ADVISORY COMMITTEE ON HOUSING AND HOMELESSNESS MAKE THE FOLLOWING CHANGES TO THE ACOHH WORK PLAN 2023 ACCOMPLISHMENTS AND 2024 PRIORITIES APPROVED DURING ACOHH FEBRUARY 20, 2024:
