

## Equity and Human Relations Advisory Committee

### 2022 Award Report

March 20<sup>th</sup>, 2023

We have received nominations for two individual candidates, and one non-profit organization. The subcommittee voted for two winners using a rubric. The rubric criteria had to meet the following requirements:

*Works with an underserved population*

*Motivates others to serve*

*Directly involved with those served*

*Serves a broad population*

*Assists in meeting the needs of others*

*Service is based on urgency/need*

*The nominee is an “unsung hero”*

Dr. Chitra Golestani the only individual nominee that qualified.

Art of the Runway will be the non-profit winner.

\*Jazz Hands for Autism submitted an application in July 2022 but did not submit an updated application. The Subcommittee invites the full committee to discuss this nominee.

Thank you.

Respectfully submitted,  
Haifaa Moammar
