Finance Advisory Committee

DATE: September 10, 2014
TO: City Council
FROM: Finance Advisory Committee
SUBJECT: Revised Work Plan

Pursuant to Section III(B) of the Finance Advisory Committee Bylaws, the Committee's approved work plan may be amended from time to time by the City Council. With a number of tasks from the original work plan completed, the Committee has approved the following amended list for City Council consideration:

1. Undertake a Budget Benchmarking Project to compare where and how Culver City spends and receives money to selected similar communities. Analyze possibilities for alternative service delivery methods.
2. Review and make recommendations on revenue opportunities that may be available to the City.
3. Continue to provide quarterly reports to the City Council on Measure Y proceeds.
4. Continue to monitor the communications strategy of financial information on the City's website.
5. Review and make recommendations for the annual updates to the long-term financial forecast.
6. Review and make recommendations for addressing storm water requirement compliance.
7. Review current and potential utilization of assessment districts.

The Committee considers this Work Plan to be a living document, that may be amended from time to time as recommended by the Committee and approved by City Council. The Committee also encourages the addition of any items to the Work Plan as the City Council may see fit.

Pursuant to approval by the City Council, along with any items the City Council may add, the Committee looks forward to working collaboratively to complete these tasks.
