Dear Panelists,

Thank you so much for assisting with the review and scoring of the Architecture as Art application from Scarpa Brooks Huber. We are grateful for your participation and expertise.

Please use the following criteria to score the proposal. Your scores will help us to determine whether the project is deemed a qualifying work of art under the City of Culver City's Art in Public Places Program's Ordinance (included in the email for your reference).

**Guidelines**

- Score each category from Poor to Excellent.
- Provide comments, notes of concerns, exceptional strength, or considerations.
- Please submit your completed scoresheet via email by EOD, Wednesday, March 11, 2026.

**Scoring Criteria**

As a review panelist, you will evaluate this project based on the following criteria:

Criteria (100 Points Total)

- Conceptual Development – how well the initial idea is translated into form and if design illustrates a rigorous exploration of site and context requirements (up to 25 points)
- Innovative Materiality – analysis of the visual language, including use of materials, structural systems, and the overall aesthetic quality (up to 25 points)
- Spatial, Experiential, & Contextual Integration – assessment of the quality of 3D spaces, including human-scale design, spatial transitions, and well-considered details (up to 25 points)
- Contextual Integration – how the project relates to its site, the public, and users (up to 25 points)
