CITY OF CULVER CITY

DATE: September 21, 2021
TO: John Nachbar, City Manager
FROM: Samantha Blackshire, Transit Operations Manager
SUBJECT: Recognition of 2020 Operator of the Year – Jonathan Culbert
CC: Rolando Cruz, Chief Transportation Officer

The Transit Operations Division of the Transportation Department has awarded the Earl Barr Culver CityBus Operator of the Year Award for the past 28 years. This award is given to those Operators that have been in full compliance with all City of Culver City, Transportation Department and Transit Operations Division rules and regulations. These individuals have operated their bus safely (not having any accidents or incidents); arrived to work on-time and on a regular basis; and not received any form of discipline for a one-year period. On June 15, 2021 this award was presented to Bus Operator Jonathan Culbert.

Operator Culbert has set a high standard for himself and he is an example for other operators to follow. He is an asset to Culver CityBus and the City of Culver City. Therefore, I believe he should be rewarded under Rule 15 Employee Recognition and Incentive Program for Outstanding Job Performance in the Culver City Civil Service Rules by granting him two (2) days off and \$300.
