I believe that this committee will improve the condition of present discomfort of the home owners and the homeless.
18. What is there specifically in your background, training, education or interests which qualifies you as an appointee? I have experience in dealing with citizens who are adamant and irate people. This issue, homelessness, will bring out the best and the worst in many people. I believe that I can get good results by educating others.
19. What do you see as the objectives and goals of the body to which you seek appointment?
To learn as much as we can about the problems, then educate the community. From there, we can begin to formulate practical methods of dealing with the various issues.
20. How would you recommend the objectives and goals of the body be changed or augmented?
The City Manager and the City staff have a wealth of information that most citizens are not aware of. In order for this committee to be effective the members will have to be thoroughly informed.
21. How would you help achieve the body's established objectives and goals?
By studying the history, understanding the present situation and formulating practical solutions.

22. What special qualities can you bring to the body to which you seek appointment?

I have a history of volunteering in youth programs. I have organizational skills that have developed through life-experiences. I have the courage to lead, whether I like it or not. My experience tells me that this committee will attract, bright, well educated, people. I would enjoy joining them.
