<u>RECOMMENDATION:</u> That the City Council consider the adoption of a Resolution adopting a bail schedule for parking violations under the Culver City Municipal Code and the California Vehicle Code and rescinding Resolution No. 2001-R011 (Attachment 1). <u>BACKGROUND/DISCUSSION:</u> At its meeting of November 7, 2005, the City Council adopted Ordinance amending various provisions of Chapter 7.03 of the Culver City Municipal Code relating to the parking of oversized, non-motorized and commercial vehicles, 72-hour parking limitation, and vehicle habitation (Attachment 2). As set forth in the Ordinance (CCMC § 7.03.620), a violation of any provision of new subchapter 7.03.600 <i>et seq.</i> shall be deemed a civil offense and punishable by a fine established by resolution of the City Council. The proposed Resolution will amend the City's current Civil Penalty Bail Schedule ("Bail Schedule") to include the provisions of this new subchapter and establish a civil penalty in the amount of \$38.00 for a violation of these provisions. In addition, it was discovered that CCMC § 7.03.220(A) related to the prohibition against parking a vehicle for more than 72 consecutive hours, is not specifically set forth in the current Bail Schedule. The proposed Resolution will add this Section to the Bail Schedule for purposes of citing violators (also a \$38.00 civil penalty).
