Resolution:

As set forth in the Ordinance (CCMC § 7.03.620), a violation of any provision of new subchapter 7.03.600 *et seq.* shall be deemed a civil offense and punishable by a fine established by resolution of the City Council. The proposed Resolution will amend the City's current Civil Penalty Bail Schedule ("Bail Schedule") to include the provisions of this new subchapter and establish a civil penalty in the amount of \$38.00 for a violation of these provisions. In addition, it was discovered that CCMC § 7.03.220(A) related to the prohibition against parking a vehicle for more than 72 consecutive hours, is not specifically set forth in the current Bail Schedule. The proposed Resolution will add this Section to the Bail Schedule for purposes of citing violators (also a \$38.00 civil penalty).

Specifically, the amended Bail Schedule:

Adds:

- §7.03.220(A)
- §7.03.610(A)
- §7.03.610 (C)
- §7.03.610(D)

Deletes:

- §7.03.220(C)
- §7.03.220(D)
- §7.03.220(F)
- §7.03.220(G)
- §17.37.83(f)

This amended Bail Schedule reflects the addition of the provisions of new subchapter 7.03.600, *et seq.* and § 7.02.220(A), and the deletion of other provisions, which no longer exist.

FISCAL ANALYSIS:

The adoption of the proposed Ordinance may require increased enforcement activity for City staff, particularly the Police Department. These costs cannot be easily quantified. In addition, signage will need to be posted to provide adequate notice to the public of the new parking restrictions. The estimated cost for the installation of such signage is \$375.00 (approximately 15 signs will need to be posted throughout the City at an estimated cost of \$25.00 per sign). Further, the City Attorney's Office and Police Department will be issuing a "warning" notice to the oversized vehicles

currently parked on the public streets prior to the ordinance taking effect, which will involve a nominal cost. The adoption of the proposed Resolution will establish a \$38.00 civil penalty for a violation of new subchapter 7.03.600, *et seq.* and CCMC § 7.03.220(A).
