Public Comment - Items Not on the Agenda

Chairperson Wolfberg invited public participation.

Mr. Matthew Geller, CEO, Southern California Mobile Food Vendors' Association was present to address the Committee in regard to the Culver City Municipal Code Section 11.09.215 of Street Vending which required catering food trucks to move every 10 minutes. Mr. Geller said the code is invalid per the California Vehicle Code, and because the code itself does not interfere with public safety. He also mentioned that the City of Santa Monica had 30 minutes parking limit for catering food trucks had also been overruled.

Upon review of what was previously mentioned, Mr. Rao said he would like to hold over three of the business permits for catering food trucks for further understanding. Mr. Geller said the Committee should not delay the issuance of the business licenses to these catering food trucks because of what he said. Mr. Rao answered in the affirmative.
