

February 3, 2016

Gabe,

The DBA supports and appreciates the City Council's consideration of the permanent suspension of the higher set of fees for valet parking, as presented in the report of February 8, 2016. The operational cost savings will assist us grow our efforts to serve the patrons and businesses in the Downtown. The cost reduction would also assist us in managing the valet operation and contribute significantly towards a sustainable service.

We appreciate the City Council's consideration of the request as proposed by City staff, and respectfully encourage its approval.

Sincerely,

/S/

Eric Sims, President  
Culver City Downtown Business Association
