Re: Lenawee Drive Traffic Mitigation Petition

Dear Mr. Garcia:

Enclosed are seven petition pages with 29 signatures, one of which we notice is from an address outside the affected area and a second of which is from the same address as another. Nonetheless, there are 27 signatures which we believe are valid and which bring us to the 75% threshold.

If you have any questions or comments, please do not hesitate to contact me.

Chair, Traffic Committee
