<u>RECOMMENDATION:</u> Staff recommends the City Council consider the use of the Mike Balkman City Council Chambers by the Culver City Unified School District Board of Education and direct staff as deemed appropriate. <u>BACKGROUND:</u> Pursuant to City Council Policy No. 4008, the City Council Chambers may be used as a meeting place or forum for other limited governmental purposes, including use by other public agencies concerning public matters as authorized by the City. On May 24, 2010, the City Council received public comment from a member of the Culver City Unified School District Board of Education (CCUSD Board) regarding the subject of the CCUSD Board using the Mike Balkman Council Chambers to hold CCUSD Board meetings. At that time, the City Council directed staff to agendize this item for the City Council's discussion. On June 7, 2010, the City Council received public comment from a second member of the CCUSD Board. Copies of excerpts from the approved minutes from both the May 24, 2010 and June 7, 2010 City Council meetings are attached for the City Council's information.

Agenda Item Report

DISCUSSION:

Based upon the different comments received from the two CCUSD Board Members, it remains unclear what direction (if any) the CCUSD Board has provided to the Superintendent related to this subject. Because of this lack of clarity, the City Council may wish to consider the following options:

- (1) Take no action until such time as the CCUSD Board of Education submits a clear, formal request for the City Council to consider use of the CCUSD Board to hold their meetings;

OR

- (2) Direct staff to develop a cost estimate for use by the CCUSD Board as they formulate providing direction to the Superintendent and authorize the City Manager to transmit such cost estimate to the Superintendent.

FISCAL ANALYSIS:

There is no fiscal impact created by the discussion of this item by the City Council. Should the CCUSD Board make a formal request to utilize the Mike Balkman Council Chambers for their meetings, then the related fiscal impacts to the City will be provided at the time the City Council considers such a request.

MOTION:

That the City Council:

- (1) Take no action until such time as the CCUSD Board of Education submits a clear, formal request for the City Council to consider use of the CCUSD Board to hold their meetings;

OR

- (2) Direct staff to develop a cost estimate for use by the CCUSD Board as they formulate providing direction to the Superintendent and authorize the City Manager to transmit such cost estimate to the Superintendent.

Heather Baker, Deputy City Attorney, clarified that staff had received policy direction during the City Council discussion and would bring back revised documents but nothing would take affect tonight.

Discussion continued regarding the provision related to City Attorney opinions; standard conditions of approval; direction to staff to incorporate comments; and options available to the City Council.

Policy Number **3001**

General Subject: Administration

Date Issued 1/23/95

Specific Subject: Scheduling of Council Chambers

Effective Date 1/24/95

Resolution No. **95-R005**

PURPOSE:

To establish policy regarding the use of the City Council Chambers by other City Committees, Commissions, or authorized parties, and to delineate the policy for scheduling when City holidays occur.

STATEMENT OF POLICY:

The City Council Chambers shall be the primary location for City Council and Redevelopment Agency meetings, and as such the City Council and Redevelopment Agency shall have priority in the scheduled use of the facility at all times. Subordinate priority shall be given to Commissions and Boards, followed by Committees and then other organizations.

Other Committees, Commissions, staff functions or authorized organizations may be regularly scheduled in the Council Chambers when the City Council or the Redevelopment Agency is not meeting there. The regular scheduled use of the Council Chambers shall be controlled and maintained by the Secretary to the Chief Administrative Officer.

Occasional use by any City department or division, or authorized civic organization, is permitted when the Chambers are otherwise vacant. Scheduling in advance must be arranged through the Secretary to the Chief Administrative Officer. In the event of conflicts in scheduling requests, priority shall be given to those regularly scheduled City organizations, followed by other authorized parties on a first-come, first-served basis.

In the event a City Holiday falls on the day of a regularly scheduled meeting, the meeting shall be scheduled for the following business day. Therefore, if a City Council/Redevelopment Agency meeting is moved forward by a City Holiday, or an adjourned or special meeting is scheduled, the City Council meeting shall preempt any other Commission or Committee meeting scheduled for the City Council Chambers. The preempted party may be moved to another location, or may be rescheduled according to that Commission or Committee's meeting policy. In the event a regularly scheduled Commission meeting is moved forward by a City Holiday, and would conflict with

another regularly scheduled Commission, the previously scheduled Commission shall have priority for the Chambers, and the preempted Commission may be moved to another location unless there are prior agreements between the Commissions.

PROCEDURES:

Approval for the use of the Council Chambers shall be obtained by scheduling through the Secretary to the Chief Administrative Officer. Requests may be made by calling or writing to the Secretary.

Special arrangements for seating or tables must be submitted in writing at least five (5) working days in advance for distribution to the Building Maintenance Foreman and Custodian. Subject: Cost Estimates

Hi Rebecca,

Here is the cost estimates from staff regarding using the council chambers:

A/C	\$61 per month
Lighting	\$22 per month
Equipment	\$50 per month
Doug Nielsen	\$480 per month

Plus overtime for our Maintenance Operation's staff worker if meetings go beyond 10:30 pm. In addition, there is potential conflict on the second Tuesday of each month when the Cultural Affairs Commission has their meeting in the Chamber.

If the Board was to use the Chamber beyond the one date of September 28th, they will have to formally make that request to council.

Thank you.
