<u>RECOMMENDATION:</u> Staff recommends the City Council adopt a resolution initiating proceedings for the levy and collection of annual assessments for the West Washington Benefit Assessment District Number One and ordering the preparation of the Engineer's Report thereon for Fiscal Year 2014/2015. <u>BACKGROUND/DISCUSSION:</u> The City has assisted in the formation of Benefit Assessment Districts by agreeing to construct landscaped medians along West Washington Boulevard if on-going maintenance for the improvements is funded through a property owner approved assessment district. The subject district was approved by vote of the property owners in 2009 and the FY 2013/2014 year of assessments have been collected. Pursuant to Section 15.01.070.C of the Culver City Municipal Code (CCMC), the proposed resolution describes any proposed new, or changes in existing, improvements or services, or both and orders the preparation and filing of the Engineer's Report. Pursuant to Sections 15.01.070.D and 15.01.070.E of the CCMC, should the City Council adopt the proposed resolution, the Director of Public Works/City Engineer shall prepare (or cause to be prepared) the Engineer's Report. Upon its completion, the Engineer's Report shall be filed with the City Clerk, and the City Council shall be presented with a Resolution of Intention declaring the City Council's intent to levy the

assessments for Fiscal Year 2014/2015 and set the date, hour, and place for the public hearing after which the City Council will consider levying the assessments for said Fiscal Year.

FISCAL ANALYSIS:

Both the costs to prepare the Engineer's Report and staff time related to the administration of the Assessment District are charged to the Assessment District. These costs are estimated to be \$3,500. Sufficient funds have been collected in the Assessment District to fund these costs.
