Cary Anderson noted that on May 26, 2015 new equipment and two new Parking Enforcement Officers (PEOs) were approved; he asserted that he had been marginalized on the issue; discussed different interactions that he had with Council Members and staff; the number of tickets written during the Car Show; instructions to PEOs to go to areas other than around the Summer Concert series; he reported being bullied by Culver City Unified School District employees when he pointed out parking infractions; noted that the Fire Department used to be in charge of PEOs so it wasn't so politicized; he discussed policies of other cities; and he expressed concern that more money was being put in the budget to address an issue that can't be addressed when the Police Department and Supervisors tell employees to look the other way.

Jeff Muir, Chief Financial Officer, discussed items added to the budget after the initial proposed budget.

Discussion ensued between staff and Board Members regarding appreciation to the Finance Advisory Committee and staff for their hard work; the process; transparency and openness; awards received; infrastructure; making critical investments; reserve requirements; urban runoff; fines; critical improvements; water conservation; the Rental Assistance Program; the Transit Oriented District; streetscapes; the Habitat for Humanity Project; core services in the City; and the Municipal Fiber Project.
