<u>RECOMMENDATION:</u> Staff recommends the City Council discuss the issue of creation of a City Council Subcommittee to discuss the format of the City Council agenda, speaker cards, and related items, and appoint Council Members thereto. <u>BACKGROUND:</u> At a recent City Council meeting, the City Council directed that an item to consider re-creation of a City Council Subcommittee to discuss the Format of the City Council agenda, speaker cards, and related items be placed on a future agenda. The City Council also requested the City Manager recommend Councilmembers to serve on said Subcommittee in the case the City Council were to re-create it. <u>DISCUSSION:</u> The City Manager reviewed the current list of 46 Subcommittees and found that Councilmembers Armenta and Weissman do not currently serve together on a Subcommittee. Therefore, the City Manager recommends the City Council appoint Councilmembers Armenta and Weissman to the Agenda Format Subcommittee if the City Council determines to re-create said Subcommittee.
