

October 13, 2015

Gabe,

The DBA Board of Directors voted in favor of supporting the City in extending the parking meter times from 6pm to 8pm Mondays through Saturdays, with free meter parking on Sundays. Further changes would be subject to future discussion. We feel it's critical that our downtown remain competitive with other districts in the surrounding Los Angeles areas, and so any modifications to parking rates/times must be made cautiously.

Regards,

/S/

Sylvia Bianchi
Executive Director
Culver City Downtown Business Association
