<u>RECOMMENDATION:</u> Staff recommends the City Council adopt a Resolution granting a Fireworks Permit jointly to the Exchange Club and Pyro Spectaculars for a fireworks display on July 4, 2006. <u>BACKGROUND/DISCUSSION:</u> The Culver City Municipal Code provides for the process to be used for the City to grant a permit for fireworks displays. One requirement is that should the Council determine to grant such a permit, that it be done through adoption of a resolution. The Exchange Club and Pyro Spectaculars have applied jointly for a permit and request the City Council's approval thereof. Staff has reviewed the permit application and finds all of the requirements of the Municipal Code have been met. Therefore, staff recommends approval of the application. In prior years, the City Council has determined to contribute funds to this event. In Fiscal Year 2006/2007, the amount estimated to be contributed was \$18,000. Council may wish to determine the exact amount, if any, it wishes to contribute. The amount would be included in the final wording of the Resolution. The City Council should also note, in accordance with past practice, the Resolution includes a provision for the City to indemnify and hold harmless the Exchange Club for any liability in excess of \$1,000,000.

FISCAL ANALYSIS:

The amount of funds contributed is subject to the City Council's determination. The proposed budget for Fiscal Year 2006/2007 contains \$18,000 for this purpose. Should Council determine to provide funds greater than this amount, a budget amendment would be necessary (and a four-fifths vote is required for a budget amendment).
