Dear Eric,

It is our understanding that this contract for "Designated UST Operator Services, Environmental Compliance Testing, and Associated UST & AST component Repair at Four (4) City Fuel Sites" will be expiring in 2013. We would like to extend the offer to hold our current pricing for this contract with no increases should the City decide to renew for three (3) additional years with an optional two (2) year extension for a total of (5) years. The first three (3) years would be performed on a not to exceed price of \$35,674.00 and the optional two (2) years would be performed on a not to exceed price of \$26,821.20.

Please let me know if this is acceptable to the City.

Sincerely,

Terry L. Fleming Jr.
