5 Zoning Code Amendment are hereby made:
6

7 **1. The proposed amendment(s) ensure and maintain the internal**
8 **consistency with the goals, policies and strategies of all elements of the**
9 **General Plan and will not create any inconsistencies.**

10 The proposed text amendment, will create consistency between the General Plan
11 and Zoning Code relative to parking requirements. Policy 1.H of the General Plan
12 calls for "Adequate Parking within each neighborhood to meet parking demands".
13 The proposed amendment will help ensure that parking supply adequately meets
14 the parking demand for a specific area through more restrictive parking standards
15 for restaurant uses, as set forth in Zoning Code Section 17.320.020.
16

17 **2. The proposed amendment(s) would not be detrimental to the**
18 **public interest, health, safety, convenience or welfare of the City.**

19 The proposed Zoning Code Amendment establishing uniform parking standards for
20 all restaurants, and modified parking standards for restaurants only when located
21 within City Council designated Commercial Revitalization Areas and with an
22 approved Parking Plan, will help ensure that project on-site parking is more
23 carefully regulated in support of the public interest, health, safety, convenience and
