ARTICLE FOUR

C. PERS BENEFIT PROVIDED BY GOVERNMENT CODE SECTION 20636 (c) (4)

1. Pursuant to Government Code section 20636 (c) (4), the City shall continue to pay and report to CalPERS as compensation earnable the monetary value of contributions, known as “employer-paid member contributions”, paid by the City on behalf of each unit employee hired prior to January 1, 2012.
2. In the event that legislation prohibits public agencies from paying any portion of the employees’ required CalPERS member contribution and/or reporting as compensation earnable to CalPERS the monetary value of employer-paid member contributions such that members’ final compensation is augmented by the value of the employer-paid member contributions, the parties agree to (1) concomitantly increase the Chief Officer certificate by 3% in lieu of City paying for such contributions and thus participating in Government Code section 20636 (c) (4); (2) terminate any cost sharing pursuant to subparagraph E, below; and (3) have all unit employees pay their share of employees’ required CalPERS member contributions.
3. Unit employees hired after January 1, 2012 shall be responsible for the 9% payment of the PERS member contribution rate and shall not be subject to Government Code section 20636 (c) (4).

D. CALPERS EMPLOYEE CONTRIBUTION FOR “NEW MEMBER” EMPLOYEES HIRED ON OR AFTER JANUARY 1, 2013 AND DEFINED AS SUCH IN ACCORDANCE WITH AB 340

1. Unit employees defined as new members by PEPRA are covered under the 2.7% at age 57 retirement formula. New members shall be responsible for paying the employee contribution rate of one-half of the total normal cost of the plan as determined by CalPERS.
2. Unit employees shall be responsible for the full CalPERS employee contribution payment which is currently 12.25%.
3. The City has adopted the CalPERS resolution in accordance with Internal Revenue Code section 414(h)(2) to ensure that the employee contribution is made on a pre-tax basis.

E. COST SHARING

In accordance with Government Code 20516 (f), "Classic Member" unit employees hired prior to January 1, 2012 shall share the costs of optional benefits. Said unit employees shall pay a total of 9% of the PERS employer contribution rate. Participation in Cost Sharing shall be mandatory and said contributions shall be designated as employee contributions.

F. ADDITIONAL COST SHARING

1. The employer contribution rate is established and adjusted annually by the CalPERS Board. In FY 20-21, the Culver City employer safety contribution rate is 62.291% of pensionable income. In the event that the employer contribution rate exceeds 50% of pensionable income, the City and the Union have agreed that unit employees shall pay 50% of the increase up to a maximum of 5% of pensionable income. For example, should the employer contribution rate increase to 62% of pensionable income, the employees shall pay 5% of pensionable income (their cap) and the City shall pay 57% of pensionable income. Effective January 17, 2022, the maximum contribution for all unit employees, shall be fourteen percent (14%). For New Members, only, if the required one-half of the total normal cost of the plan as determined by CalPERS exceeds fourteen percent (14%), the New Member shall make the required one-half of the total normal cost contribution as referenced in Section B. above
2. Unit employees shall have no responsibility to pick up any portion of the City's employer rate in excess of 50% attributable to elective actions by the City that has the effect of increasing the employer contribution rate (e.g., voluntarily modifying or shortening amortization periods, accelerating payments of unfunded liabilities, etc.).

E. TAX LIMITATIONS

Cost Sharing contributions shall be made on a pre-tax basis unless and until a Private Letter Ruling (PLR) by the Internal Revenue Service is issued to the City by the Internal Revenue Service designating that the payments must be post-tax.

The City does not warrant that this contribution is "qualified" for tax deferral and is not to be held liable for such tax payments as may be determined assessable.

ARTICLE FOUR

The City has retained specialized legal counsel in order to render a written opinion as to whether or not said employee contributions to the employer contribution rate can be considered on a “pre-tax” basis. The rendered legal opinion is supportive of City treatment of said contributions as “pre-tax”; therefore, the City shall take the steps necessary, including adoption of appropriate City Council resolution(s), to allow the Payroll Section to treat these distributions as “pre-tax”. It is expressly understood and agreed to by the parties that the City has no authority or jurisdiction by which to bind CalPERS, the Internal Revenue Service (IRS), the Franchise Tax Board or any other agency (collective “Entities”) to a determination that such contributions are indeed “pre-tax”. Thus, the parties agree and acknowledge that the City shall have no liability to any individual unit employee or collective bargaining unit, should any of the aforementioned Entities reject treatment of said contributions as “pre-tax”.

The City hereby adopts the provisions of IRC Section 414(h)(2). Any payment or pick up of employer contributions or required member contributions set forth in this Article shall be regarded as “pre-tax” in accordance therewith.

F. WHEN MOU COSTS EXCEED SIX PERCENT (6%) IN A FISCAL YEAR

The City and Fire Management agree to meet to review options for cost savings if increases in salary and health insurance costs exceed six percent (6%) from one fiscal year to the next fiscal year. No reduction in Fire Management compensation or benefits would occur during the term of the MOU unless agreed to by both parties in writing.

G. COMPENSATION REPORTED TO PERS

The City shall report compensation to PERS for unit employee retirement benefits as required by its contract with PERS and State law.

Family: \$2,131.00

Effective with the pay period that includes July 1, 2026, and continuing January 1 of each year, employees enrolled or enrolling in one of the City's health insurance plans shall receive cafeteria allowance (flex dollars) based on the value of the CalPERS Kaiser Region 3 Plan, which is the City's highest utilized CalPERS health plan, and represents the average cost of the health plans offered by CalPERS, plus an additional \$100.00. The updated cafeteria allowance amount(s) are listed below and may be modified annually in accordance with CalPERS health plan rate increase(s)/decrease(s) for subsequent plan years:

Employee Only: $\$969.05 + \$100.00 = \$1,069.05$
Employee + One: $\$1,938.10 + \$100.00 = \$2,038.10$
Family: $\$2,519.53 + \$100.00 = \$2,619.53$

The monthly flex dollar allowance may be used to purchase health benefits offered under the cafeteria plan and other ancillary benefits plan (i.e., dental, vision and mandatory life insurance coverages).. After the mandatory insurance has been purchased, the employee has the option to waive the other benefits and have the excess flex dollars converted to taxable income or purchase other supplementary products.

In the event that premiums and/or costs for the selected benefits exceed the monthly flex dollar allowance, the balance will be paid by the employee through automatic pre-tax payroll deduction, as permitted under IRS Code Section 125.

ARTICLE FOUR

If the total cost of the selected benefits (must also include the cost of mandatory life insurance) exceed the employee's monthly eligible flex dollar allowance based on number of dependent(s) (EE only, EE+ 1, Family), the balance shall be paid by the employee through automatic pre-tax payroll deduction(s) as permitted under IRS Code Section 125. Effective January 1, 2027, the "Opt-Out" shall be reduced to a maximum of six hundred dollars (\$600) as follows: Upon proof of other coverage that meets ACA requirements, unit employees may elect to opt out of the City's medical insurance program and choose from one of the following options:

Cash (Taxable) - Taxable Income: Paid in first two (2) pay checks per month

1. Employees who opt out of CalPERS health plan coverage and request that the flex dollars be converted to taxable income, shall receive the value of flex dollars up to the amount of \$600.00 per month as taxable income, minus any monthly deduction costs toward mandatory life insurance and other ancillary plan benefits the employee selects. The flex dollars shall be distributed via two (2) equal payments of taxable

ARTICLE FOUR

income in the first two (2) pay checks each month. 2. Employees who opt out of CalPERS health plan coverage may request that the flex dollars be converted into a pre-tax contribution in the employee's City-sponsored 457 retirement savings plan account via the current deferral process up to the amount of \$600.00 per month, minus any monthly deduction costs toward mandatory life insurance and/or other ancillary plan benefits the employee has selected.

The flex dollars shall be deposited via two (2) equal pre-tax contributions into the employee's 457 retirement savings plan occurring the first two (2) pay checks of each month. Flex dollar contributions into the 457-retirement savings plan account shall be applied to the employee's annual deferral limit. For example, the 2026 annual deferral limit is currently \$24,500. If the employee is eligible for \$600 in flex dollars per month, the employee's deferral limit shall be reduced by \$7,200 (\$24,500 minus \$7,200 = \$17,300).

a. Both Employees Waive City Coverage

Each employee may waive City-sponsored medical coverage and receive flex dollars, as described in Article Four (IV), provided each employee submits proof of alternative, non-City sponsored or non-CalPERS-sponsored health coverage as a subscriber.

I. TERM OF MEMORANDUM OF UNDERSTANDING

This MOU shall be effective July 1, 2025 and together with all the terms, conditions and effects thereof, shall expire as of midnight on June 30, 2028.

II. EMERGENCY WAIVER

In the event of circumstances beyond the control of the City, such as acts of God, fire, flood, insurrection, civil disorder, national emergency, or similar circumstances, the provisions of this Memorandum of Understanding shall not restrict the City's ability to respond to these emergencies.

III. SEVERABILITY PROVISION

Should any article, section, subsection, subdivision, sentence, clause, phrase, or provision of this Memorandum of Understanding be found to be inoperative, void, or invalid by a court of competent jurisdiction, all other provisions of this Memorandum of Understanding shall remain in full force and effect for the duration of this Memorandum of Understanding. In the event of such invalidation, the City and the Fire Management Group agree to meet and confer in good faith to determine an alternate equivalent article, section, subsection, subdivision, sentence, clause, phrase or provision.

IV. CIVIL SERVICE RULES/CITY POLICY

The parties agree that all conditions of employment, as they pertain to employees covered by this MOU, subject to meet and confer provided for by the City's Civil Service Rules, Ordinances, Resolutions, Departmental Rules and Regulations or Policy Statements in effect prior to the date of this MOU, unless specifically provided for to the contrary in this MOU, shall remain in force and effect during the term of this MOU and shall not be changed unilaterally by the City through exercise of its rights under Article One of this MOU. Any changes to the Civil Service Rules shall be as provided therein.

V. **FULL AGREEMENT AND IMPLEMENTATION**

A. **TOTAL PACKAGE**

The offers submitted herein are a total package and not to be construed as agreement on any individual item. All other proposals are rejected.

B. **WAIVER OF MEET AND CONFER**

This MOU contains all of the covenants, stipulations, and provisions, agreed upon by the parties. Therefore, for purposes of this MOU neither party shall be compelled to meet and confer with the other concerning any issue, whether specifically discussed prior to the execution of this MOU or which may have been omitted in the meet and confer process which led up to the execution of the MOU except by mutual agreement of the parties.

C. **COMPLIANCE**

1. If the effective date or the implementation of any benefit in this MOU cannot be adhered to as the result of law, regulation, or policy outside the control of the City, the City will take action on the first date on which it has authority to take action in compliance with such law, regulation, or policy to effectuate the benefit.
2. Each party acknowledges that it had the full and unlimited opportunity to meet and confer over any issue it either did raise or could have raised and hereby waives the right to meet and confer further during the term of this MOU, except as specifically provided herein.

D. **OBLIGATION TO SUPPORT**

The parties agree that upon tentative agreement being reached on a successor MOU and prior to the implementation of this successor MOU and during the time of its being considered by the City Council for action, neither the Fire Management Group nor the City nor their authorized representatives will appear before the City Council, nor meet with the City Council members individually to advocate any addition or deletion to the terms and conditions to this MOU. However, this section shall not preclude the parties from appearing before the City Council, nor meeting with individual members of the City Council to advocate or urge the adoption and approval of this MOU.

The City and Culver City Fire Management Group acknowledge that this Memorandum of Understanding shall not be in force and effect until ratified by a simple majority vote of unit employees voting who are in classifications represented by the Culver City Fire Management Group set forth in this agreement and adopted in the form of a resolution of the City Council.
