Mayor calls for a staff report and the City Council Members may pose questions to staff as desired; and, 3. Mayor seeks a motion to open the public hearing and ballot tabulation; and 4. Mayor seeks a motion to close the public hearing after all public testimony has been presented; and, 5. City Council discusses the item and arrives at its decision. <u>BACKGROUND:</u> Landscaping Maintenance District No. 1 currently consists of one zone and was created for the purpose of providing on-going maintenance of landscaping along: • “Zone 1” (Studio Estates), being the periphery of the MGM Lot 2 residential subdivision			

City of Culver City, California
Agenda Item Report

On July 13, 2009, the property owners of the District approved an annual increase based on the February Consumer Price Index for All Urban Consumers for the Los Angeles – Riverside - Orange County area plus a 5% premium each year until the revenues generated from the District match the annual expenditures and the fund has a positive balance.

On August 23, 2010, the City Council approved disbanding “Zone 2” (Ballona Creek), which discontinued the services provided in that Zone 2, and ordered staff to refund the remaining fund balance to the property owners.

On June 6, 2011, the City Council approved the Engineer's Report, declared its intention to order the assessment levy and collection of assessments, , and set the date, time and place for this public hearing for the Landscaping Maintenance District #1

DISCUSSION:

For Zone 1, staff is proposing the City Council approve that the assessment district levy be modified to provide for an annual increase based on the Consumer Price Index (CPI) plus 5%. Based on the information provided by the Department of Labor, the CPI increase is 2.1%. Therefore, the proposed total increase to the assessment levy is 7.1%. The existing assessment levy per parcel is \$196.83. The proposed assessment levy will be \$210.80 per parcel for a total amount of \$37,944.00 (180 parcels) for Fiscal Year 2011/2012.

Pursuant to Section 15.01.070.H of the Culver City Municipal Code (CCMC), any interested persons may file a written protest with the City Clerk (or withdrawal a previously filed protest) until the conclusion of the Public Hearing. Pursuant to Article XIII D of the California Constitution (Proposition 218), the City shall not impose an assessment if there is a majority protest. A majority protest exists if, upon the conclusion of the hearing, written notices submitted in opposition to the assessment exceed the written notices submitted in favor of the assessment. In determining if a majority protest exists, the written notices shall be weighted according to the proportional financial obligation of the affected property.

Should a majority protest exist, the City Council cannot impose the annual assessment. However, pursuant to CCMC Section 15.01.070 (J and K), the City Council may choose to order changes in any of the matters provided in the report, including changes in the improvements or services, or both, and any zones within the district, and the proposed diagram or proposed assessment or it may choose to adopt a resolution confirming the diagram and assessment, either as originally proposed or as changed by it. Adoption of such resolution constitutes the assessment levy for Fiscal Year 2011/2012. The City Council may also choose to

dissolve the District pursuant to CCMC Section 15.01.065.A.3 or pay for the assessment from the City's General Fund.

FISCAL ANALYSIS:

The Landscape Maintenance District #1 budget is proposed to be 100 percent self-supporting for all expenditures. Property owners within the District are charged for their fair share of these costs, as described in the Engineer's Report.
