RECOMMENDATION:

Staff recommends the City Council adopt a resolution initiating proceedings for the levy and collection of annual assessments for the West Washington Benefit Assessment District Number One and ordering the preparation of the Engineer's Report thereon for Fiscal Year 2015/2016.

BACKGROUND/DISCUSSION:

The City has assisted in the formation of Benefit Assessment Districts along the West Washington Boulevard corridor by agreeing to construct landscaped medians along West Washington Boulevard, if on-going maintenance for the improvements is funded through a property owner approved assessment district. The subject district was approved by vote of the property owners.

Pursuant to Section 15.01.070(C) of the Culver City Municipal Code (CCMC), the proposed resolution describes any proposed new, or changes in existing, improvements or services, or both and orders the preparation and filing of the Engineer's Report.

Pursuant to Sections 15.01.070(D) and (E) of the CCMC, should the City Council adopt the proposed resolution, the Director of Public Works/City Engineer shall prepare (or cause to be prepared) the Engineer's Report. Upon its completion, the Engineer's Report shall be filed with the City Clerk, and the City Council shall be presented with a Resolution of Intention declaring the City Council's intent to levy the assessments for Fiscal Year 2015/2016 and set the date, hour, and place for the public hearing after which the City Council will consider levying the assessments for said Fiscal Year.
