*Note 6 The south entrance of Fire Station #1 on Culver Bl. will be manned by course marshalls to clear a path should a city emergency arise when walkers and runners pass, 9:15-9:40 a.m., as recommended by Mike McCormick, Asst. Fire Marshall and Fire Prevention Manager. Dave White, Fire Chief, confirmed no additional fire dept. support for a short race is required for this "moving event." Ambulance on the course would be advised, as a contingency, for a larger and longer event, said White. Screenland 5K committee will hire a medical center and Culver City CERT for first aid and medical support, as recommended by the CCFD.

Additional Notes:

A. Refuse and recycle bins and Material Recovery Facility may be included in \$1090 sanitation division expense paid by Screenland 5K committee.

B. Screenland 5K committee will reimburse CERT for first aid supplies.

C. Media Park will have amplified sound (public address, national anthem, awards) 8:00 – 10:30 am at Media Park. Also, ensembles (2-4 performers) with a small speaker will enact Centennial scenes with voice or song for about 30 minutes along the medians on Culver Bl. (Mentone to Duquesne from 9:10-9:30 am) and Washington Bl. (Ince to National from 9:30-10:00 am) while runners and walkers pass. Resource: C.O.P.L. permitting process.
