These Rules and Regulations have now been in place for approximately seven (7) years without updates or modifications. The Parks, Recreation, and Community Services Commission (PRCS Commission) is recommending some revisions to the Rules and Regulations based on input from staff regarding the current use of the Skateboard Park and the behavior patterns of regular users.

DISCUSSION:

The proposed resolution contains the full text of the Skateboard Park Rules and Regulations with the recommended revisions incorporated. The new language recommended by the PRCS Commission on June 17, 2014 for the City Council's consideration is the underlined areas of text in numbers 1-c, 1-d, 1-g (a new rule), 1-l (a new rule) and number 2, as below:

1. The following rules and regulations regarding the use of public skateboard parks within the City are hereby established...:

c) Skating is prohibited at all times that it is raining or when the skating area is wet or contains a large amount of debris.

d) The skate park is for skating use only, including skateboarding, rollerskating, in-line skating, rollerblading and non-motorized scooters only. Bicycling, the use of motorized devices of any type, and all other uses are prohibited...

g) No one is allowed to clean the skating area using cleaning solvents or solutions except City staff or other City-authorized personnel....

l) All parties are responsible for removing their personal property from the premises upon leaving the skate park.

2. For purposes of the Resolution and the rules and regulations set forth herein, the term "skating" includes skateboarding, rollerskating, in-line skating, rollerblading and the use of non-motorized scooters only.

FISCAL ANALYSIS:

If the proposed resolution revising the Skateboard Park Rules and Regulations is adopted by the City Council, the cost to fabricate and install new signs at the Skateboard Park is estimated to be approximately \$500.00.
