The CGL Policy shall have the following requirements:

- a. The policy shall provide coverage for personal injury, bodily injury, death, accident and property damage and advertising injury, as those terms are understood in the context of a CGL policy. The coverage shall be utilized to satisfy, to the extent of the coverage limits, the City's self-insured retention under any other policy of insurance. - f. The Policy shall not contain an "Independent Negligence" provision that would void or otherwise nullify the insurer's obligation to defend and indemnify the City of Culver City in the event that its independent negligence is alleged or proven.
 - g. The CGL limits may be satisfied with a primary policy with \$3,000,000 occurrence/\$6,000,000 annual aggregate, OR, by a primary policy with lower limits of coverage plus an Excess or Umbrella policy which will satisfy the occurrence and aggregate limit requirement. If Consultant's insurance coverage provides coverage in excess of these required limits, but is eroded by payment or claim reserves, then Consultant or its insurance carrier shall notify the City of Culver City within ten (10) days when the contractual coverage limits provided are below the required coverage limits.
 - h. The City of Culver City reserves the right to review and waive or modify the CGL aggregate requirement in the event that an adequate project specific policy and limits are provided.

 - 3. Reserved.

CHAMBER shall submit to City, along with the certificate of insurance, a Waiver of Subrogation endorsement in favor of City, its officers, agents, employees and volunteers.

B. Waiver by City.

City may waive one or more of the coverages listed in Section A, above. This waiver must be express and in writing and will only be made upon a showing by the CHAMBER that its operations in and with respect to City are not such as to impose liability within the scope of that particular coverage.
