## All About the Orchid

Sleeps Four

LED lighting

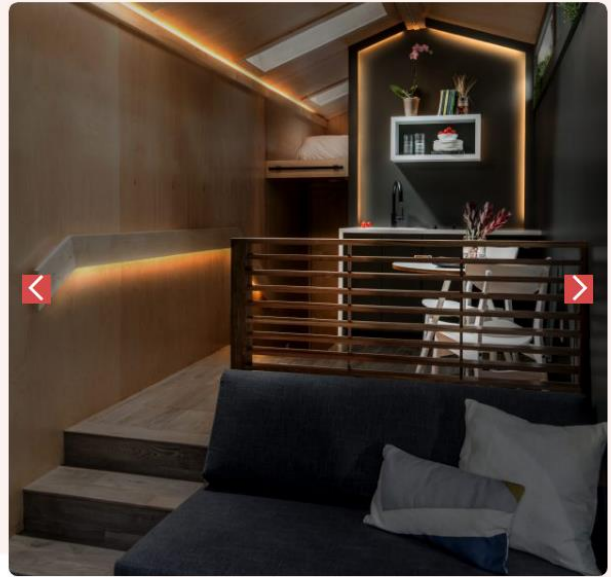

Full Shower

Front Deck

### LED Valance Lighting

The Orchid has received global praise for its dimmable, independently switched lighting. Skylights, clerestory windows and large glass front wall give this home a lovely aesthetic day or night.

### Ground Floor Bed and King Loft

Sleep four comfortably with the Orchid's private king bed loft and sofa bed.

### Full Size Tile Shower

Spacious, chic, and comfortable. The floating mirrors with LED valance lighting give extra dimension to this modern bathroom.
