

1 RESOLUTION NO. 2022-R____

2 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CULVER CITY,
3 CALIFORNIA, APPROVING AND CONFIRMING THE FINDINGS OF THE 2021
4 HOUSING ELEMENT ANNUAL PROGRESS REPORT.

5 **WHEREAS**, the State of California Department of Housing and Community
6 Development ("HCD") requires all cities and counties to maintain a Housing Element to guide
7 housing development within jurisdictional boundaries; and,

8 **WHEREAS**, the City of Culver City's Previous Housing Element was adopted on
9 January 27, 2014; and,

10 **WHEREAS**, Government Code Section 65400 mandates all cities and counties
11 to provide an annual report on the implementation of their Housing Element including, but not
12 limited to, information on new housing units created and progress on goal and policy
13 implementation; and,

14 **WHEREAS**, The City has prepared its 2021 Housing Element Annual Progress
15 Report, attached as Exhibit A, in accordance with HCD Guidelines; and,

16 **WHEREAS**, prior to its dissolution in 2012, the Culver City Redevelopment
17 Agency deposited approximately \$8 million dollars in tax increment funding every year into its
18 Low and Moderate Income Housing Fund ("Housing Funds") to support affordable housing,
19 which funds are no longer available to help meet Culver City's Regional Housing Needs
20 Allocation ("RHNA"); and,

21 **WHEREAS**, there is currently no stable source of long-term funding to replace
22 the former Housing Funds; and,

23 **WHEREAS**, former Housing Funds that were used to make mandatory payments
24 to the State's Educational Revenue Augmentation Fund ("ERAF") and Supplemental
25

1 Educational Revenue Augmentation Fund ("SERAF") will be repaid in annual amounts that are
2 substantially below the deposits of former Housing Funds and full repayment is expected to be
3 accomplished in the year 2023; and,

4 **WHEREAS**, receipt of the ERAF/SERAF repayments and the creation of a
5 reliable and permanent source of affordable housing funds will be critical for addressing Culver
6 City's housing needs and meeting its RHNA obligations; and,

7 **WHEREAS**, despite lack of State funding, the City has made adequate progress
8 towards meeting RHNA goals for the current planning timeframe.

9 **NOW, THEREFORE**, the City Council of the City of Culver City, California, DOES
10
11
12
