The City agrees to make payroll system and Salary Table adjustments that accurately convert pay rates between 56-hour shift rates and 40-hour shift rates. Pay rates based on shift assignments shall be modified by a factor of 1.4 as outlined below:

Parties agree that this payment methodology is intended to resolve pay differences between 40 hour and 56 hour employees under current Initiative Ordinance calculations.

FROM:	TO:	EQUIVALENCY FORMULA:

~~2. Effective July 1, 2023, the Paramedic Assignment Pay shall be twenty one and three-quarters percent (21.75%) above their respective Firefighter 56-hour base salary during such assignment.~~

~~3. Effective July 1, 2024, the Paramedic Assignment Pay shall be twenty three and one-quarter percent (23.25%) above their respective Firefighter 56-hour base salary during such assignment.~~

Captains and Engineers maintaining required State of California paramedic licenses and LA County Department of Health Services paramedic certification shall be paid ~~the following amounts~~ thirteen

and one-quarter percent (13.25%) above their base salary:

E. EMT CERTIFICATION PAY

- 1. Effective during the term of this MOU, all employees covered herein shall be required to have, and thereafter maintain, EMT certification, and shall be compensated for such certification at a rate twelve percent (12%) above their base salary. EMT certification is contained in Title 22 of the California Code of Regulations (CCR), and the scope of practice can be found in the Los Angeles County Pre-Hospital Care book.
- 2. The City shall pay for and provide members with the training, education and on-duty time to maintain EMT certification. In the event any member does not pass their EMT certification, they shall have the time, training and education provided on duty to pass the recertification exam.
- 3. If Culver City loses its ability to administer the EMT test, or there are any changes in the EMT program mandated by the State or the County, the City shall meet and confer with the Firefighters over those proposed changes without affecting any other provisions of this MOU.

4. Unit employees on probationary status shall not qualify for 12% EMT Certification pay until they receive EMT Certification.

F. ADDITIONAL EMT CERTIFICATION PAY INCREASE

~~1. The parties are aware of a 3% base salary increase for LAFD scheduled to take effect during the term of this contract, which would result in a 1.5% base salary increase for unit employees pursuant to the SIO. To the extent that additional base salary increases awarded to LAFD or LACFD prior to June 30, 2025, total less than 15% of base salary (not including the 3% base salary increase set forth above), the City shall increase the unit employees' EMT Certification Pay by the difference between the additional SIO increases and 7.5% effective July 1, 2024.~~

~~2. For example:~~

~~a. If LACFD negotiates an additional 12% base salary increase during the term of this Agreement, the SIO provides that the unit employees will receive an additional 6% base wage increase. If there are no other SIO increases, the difference between the agreed upon 7.5% in Section 1 above and this 6% base wage increase is 1.5%, therefore, the EMT Certification Pay shall only increase by 1.5% (bringing that benefit to 13.5% effective the pay period including July 1, 2024).~~

~~b. If, however, LACFD and LAFD negotiate a combined additional 20% base pay increase for their employees during the term of this Agreement, then unit employees will receive an additional 10% in base wage increases due to the SIO which is higher than the agreed upon 7.5% in Section 1 above. Accordingly, there will be no additional increases to the EMT Certification Pay on July 1, 2024 (above the contracted 12% for EMT Certification Pay).~~

~~c. If neither the LAFD nor LACFD receive new/additional increases above the known 3% increases during the term of this Agreement, the EMT Certification Pay will increase 7.5%, resulting in 19.5% for EMT Certification Pay on the first full pay period including July 1, 2024.~~

~~i. Under this circumstance, should the LAFD or LACFD receive additional base pay increases above the known 3% after the pay period including July 1, 2024 but prior to June 30, 2025, the unit employees will receive the additional base wage increases due to the SIO retroactive to the effective date of the new SIO, but shall prospectively~~

~~decrease the EMT Certificate Pay by the same amount (up to a maximum of 7.5%). For example, if LAFD provides a 6% increase in October 2024 that is retroactive to July 1, 2024, the City shall increase the base salary of unit employees by 3% (1/2 of LAFD's raise) retroactive to July 1, 2024, and shall prospectively decrease the EMT Certificate Pay by 3%.~~

IV. EDUCATIONAL INCENTIVE PAY

V. TUITION REIMBURSEMENT

The City agrees to reimburse unit employees at the rate of two hundred fifty dollars (\$250) per applicable accredited college unit, plus the actual costs of books, registration fees and parking permit fees, pursuant to Administrative Policy II-08 as amended.

During the term of this agreement, unit employees shall work a 48/96 work schedule as outlined in the Fire Department's Rules and Regulations.

A. SHIFT CHANGE

11. The Parties mutually agree that they will meet and confer regarding any proposed significant or permanent changes in the current work schedule.

III. **SHIFT CONVERSION**

For purposes of clarification the City and the Union have converted "shifts" to "hours" throughout the MOU. It is not the intent of the parties to any way modify, increase, or decrease any portion of this MOU due to this conversion.
