RECOMMENDATION:

Staff recommends the City Council consider the City's position on Resolutions for the 2006 League of California Cities (League) Annual Conference – September 6-9 in San Diego - and name a Voting Delegate and Alternate at the Conference.

BACKGROUND/DISCUSSION:

At this year's League Annual Conference, the Annual Business Meeting will be held on September 9 at 8:30 a.m. at the Marriott Marina Hotel, located adjacent to the San Diego Convention Center.

At the Annual Conference, League Delegates will consider the four resolutions introduced by the July 10 deadline, included in Attachment 1 and listed below. The League encourages each City Council to consider the resolutions and to determine a city position so that the Voting Delegate and Alternate can represent its city's position on each Resolution. The following is a summary of the Resolutions:

1. Resolution Relating to Annual Conference Resolution Procedures - This Resolution would address the following: 1) Debate during consideration of Resolutions; 2) Moving Resolutions through the General Resolutions Process; 3) The Credentials Committee; 4) Policy Regarding Advocacy Positions; 5) Voting Procedures; and 6) Amendments of Petitioned Resolutions.

2. Resolution Relating to the Number of Alternate Voting Delegates a City May Designate – By Laws Amendment – This Resolution would allow city councils in member cities to designate one Voting Delegate and up to two Alternates by amending Section 3 of Article V (Membership Meetings), which currently allows for one Alternate.
3. Resolution Relating to Encouraging Health and Wellness in Cities – This Resolution states that the League, in cooperation with the Community Services Policy Committee, the Recreation, Parks and Community Services Department, and the City, County, State Partnership, work together to develop a clearinghouse of information that cities can use to promote wellness policies and healthier cities. A toolkit would be made available on the League's website for cities to visit in order to share, find and develop successful models of health and wellness to use in their respective communities to achieve the goal of safe and healthy cities.
4. Resolution Relating to the Forfeiture of Vehicles Used in Illegal Speed Contests and Exhibitions of Speed – This Resolution directs the League to co-sponsor state legislation to expressly authorize cities and counties to impose vehicle forfeiture as a penalty for illegal speed contests and exhibitions of speed. Staff has spoken to the Chief of Police who concurs with the League's Resolution.

Further, each City Council is encouraged to designate a Voting Delegate and Alternate to represent their city at the Annual Business Meeting. A letter asking city councils to designate their Voting Delegate and Alternate Voting Delegate (Attachment 2) was sent to each city. The League invites city participation in this annual League meeting to help develop League policy.

FISCAL ANALYSIS:

There is no fiscal impact to take positions on the Resolutions or to assign a Voting Delegate and Alternate Voting Delegate.
