

PROCLAMATION
OLDER AMERICANS MONTH

WHEREAS, for the past 42 years, the month of May has been proclaimed as “Older Americans Recognition Month” throughout the United States; and

WHEREAS, the City of Culver City takes great pride in the contributions made to our community by our older Americans including volunteer services that enrich and touch the lives of children, adults, and their fellow seniors alike; and

WHEREAS, Americans are living longer than ever before with record numbers of our citizens living full and productive lives well into their 80’s, 90’s and beyond; and

WHEREAS, the Culver City Senior Center programs and services have received international, national and statewide acclaim in fostering the highest quality of life possible for its senior citizens; and

WHEREAS, the Parks, Recreation and Community Services Department of this City, through its Senior Center, will provide numerous special activities for its senior citizens during the entire month of May.

NOW, THEREFORE, BE IT RESOLVED, that the City Council proclaims May, 2006 as “Older Americans Month” and encourages our seniors, their neighbors, families, and friends of all ages to join in the month-long programs provided at the Culver City Senior Center and other designated locations throughout the City.

Dated this 8th day of May, 2006.
