

Sportball

Sports instruction **for kids**

SportBall: Parent & Child Multi-Sport

\$96 Resident, \$107 Non-Resident 6 weeks

Parent and child classes focus on physical literacy and social exploration as toddlers learn fundamental sport skills and participate in creative motor games, songs, stories, bubble time and more. Each week the children are introduced to one of the eight major sports--football, soccer, hockey, baseball, tennis, golf, volleyball, and basketball--and are challenged according to their individual skill level while grown-ups are taught techniques to help toddlers refine motor skills while developing social skills, and are introduced to sports terminology! Sportball maintains a one-parent-per-child ratio policy in all Parent & Child programs to ensure that focus is kept on helping little ones practice and progress in each and every class.

SportBall: Soccer & Football Workshop

\$119 Resident, \$130 Non-Resident 7 weeks

Have a child who loves too many sports? Why not do two in one class! In this 7 week program children engage in team-oriented games while they learn and refine the skills, rules, and terminology of Soccer and Football. During every class children are challenged according to their individual skill level so everyone can have a great time while improving their skills--and class size is kept small so that your child can get plenty of one-on-one attention from the coach to continue growing!

Video Game Design: MineScratch!

\$170/wk Resident, \$181/wk Non-Resident

Learn how to speak the language of computers! Campers will dive into the exciting world of computer coding through Scratch, developed at MIT. Scratch is a block-based application designed to make it simple for anyone to learn programming. Throughout the camp, coders create projects like an epic space battle game or a choose your own adventure story! The possibilities to create are endless! We'll also occasionally use other applications like MC Edit (Minecraft-related) based on student interest and aptitude.

Camp Director: Code to the Future Staff

Location: Culver West-Alexander Park

Camp Hours: 9:00am-12:30pm

Camp Dates: August 15-19

Video Game Design: Minecraft Modding!

\$230/wk Resident, \$241/wk Non-Resident

Why just *play* Minecraft when you can *create* Minecraft? In this camp designed for quick learners or those with block-based coding experience, campers will learn how to code in Java by making a mod for Minecraft! This is professional, text-based coding. Create and then craft a sword out of mushy bananas, or spawn a flying golden cow! Make the full transition from player to content creator!

Camp Director: Code to the Future Staff

Ages: 9-14 years

Location: Culver West-Alexander Park

Camp Hours: 1:00-4:00pm

Camp Dates: August 15-19

ABOUT CODE TO THE FUTURE: Code to the Future has been pioneering elementary and middle school computer coding education for the last 9 years. We have been able to start programs across 5 states and helped start America's first Computer Science Magnet School. We have a rigorous and comprehensive training process with complementary curriculum.

PRE-SCHOOL ACTIVITIES

1st Class Prep Pre-K

Continuous

The 1st Class Pre-K program is designed to provide children with a diverse, exciting, and stimulating environment where everyone feels relaxed and ready to learn and play. Class time and special activities are planned according to themes designed to meet the individual needs of children during this active time of growth and development. The curriculum encourages an enthusiastic and receptive attitude toward school, with an emphasis on Kindergarten. Activities which include letter and sound recognition, shape and number recognition, math, reading, and art, are centered around seasonal themes or a particular letter of the alphabet. The children also engage in outside and inside activity with the opportunity to be involved in small and large groups. Alternative dispute resolution is incorporated to arm the children tools to manage conflict. Please pack a healthy snack and lunch. During snack and lunch breaks, good table manners will be encouraged.
