Introduction

The State of California, under Government Code Section 65300, requires that each local jurisdiction adopt a General Plan to guide the development of the built environment, with specific elements covering a range of issues. Culver City’s updated General Plan includes twelve elements that were adopted in 2024, and guide the City’s land use, open space, and circulation, as well as the safety and enjoyment of the city’s residents.

Government Code Section 6400 and 65700 requires cities to submit an annual report on General Plan implementation status each year to their legislative bodies, the Governor’s Office of Planning and Research (OPR) and the Department of Housing and Community Development (HCD). The purpose of the Annual Progress Report (APR) is to update the legislative body and the public on the progress made in implementing the General Plan policies, goals, and actions. The 2025 General Plan APR covers the period from January 1, 2025 to December 31, 2025.

Latest General Plan Update- Adopted Elements

Culver City adopted a comprehensive update to the General Plan in 2024.

Name	Adoption
Introduction	2024
Community Health and Environmental Justice	2024
Governance and Leadership	2024
Arts, Culture, and the Creative Economy	2024
Land Use and Community Design	2024
Parks, Recreation, and Public Facilities	2024
Economic Development	2024
Infrastructure	2024
Mobility	2024
Green House Gas Reduction	2024
Conservation	2024
Safety	2024
Noise	2024
Implementation	2024

General Plan Implementation

The General Plan establishes a 20-year workplan across most City Departments. This workplan consists of 202 implementation actions, which are intended to be implemented as short term (1-5 years), medium term (5-10 years) and long term (10+ years). A full list with the status of each implementation actions is attached at the end of this report. As of this report, the City has made the following progress towards General Plan implementation actions:

25 = Completed

102 = In Progress

75 = Not started

City Projects and Programs

1. The City of Culver City's Planning Division implemented various updates including the adoption of an ordinance to update the Culver City sign code, the adoption of updated Objective Design Standards (ODS) to comply with State law, an update to the Density Bonus and Other Incentives Ordinance, and an update to the City's Subdivision Ordinance among other Zoning Code corrections and clarifications. The actions fulfill the implementation actions *IA.LU-7 Objective Design Standards* and *IA.LU-Mixed Use Ordinance Revision*.
2. The Cultural Affairs Division completed the Artist Laureate Program and conducted extensive recruiting practices to reach as many potential artists as possible. The partnership with the Culver City Arts Foundation was formalized in 2025 and the Artist Laureate is currently working with the City and local artists on art activations. This program fulfills the implementation action *IA.AC-4 Artist Laureate Program*.
3. The Transportation Department completed the Roberston Bus/ Bike Lane Project, a key infrastructure improvement designed to enhance bicycle, pedestrian, and transit access around the Culver City E Line Station. This project underlines the City's ongoing commitment to sustainable transportation and climate action, aligning with broader regional efforts to expand multimodal options for residents and commuters. This project is in line with *Goal M-2 Complete Streets*.
4. The Economic Development Division implemented a Small Business Technical Assistance and Grant Program to help small businesses with financial fitness, supplier development, and preparation for major regional events. The Economic Development Division also implemented a Permit Fee Reimbursement Program to help reduce startup and expansion costs to small businesses. These programs fulfill the implementation action *IA.AC-8 Small Business Support*.
5. The Parks, Recreation, and Community Services Department adopted the 15-year Culver City Parks Plan. The Parks Plan envisions the next generation of Culver City's parks by analyzing areas of need and opportunity through the lens of equity and the plan proposed improvements for facilities, amenities, and programming. This action fulfills the implementation action *IA.PR-1 Create Parks and Recreation Master Plan*.

6. The Housing and Human Services Department has completed 2 years of the safe sleep program, Culver City Safe Sleep Wellness Village. The safe sleep site has housed 104 individuals and has helped 30 individuals find permanent housing. The Housing and Human Services Department continues to support other services for unhoused residents such as the Motel Master Leasing and Nutrition Program and Project Homekey. These programs continue to advance the Community Health and Environmental Justice Element Goal *CHEJ-6.2 Services for Unhoused Residents*. The Housing and Human Services Department is evaluating the effectiveness of these programs to study their impact. This action fulfills the implementation action *IA-CHEJ-28 Evaluation of Pilot Projects*.

Planning Activities Initiated

With the adoption of the General Plan 2045, the City continues to initiate planning activities to carry out the goals, policies, and actions outlined in the plan. Below is a list of planning activities in 2025 that advanced the implementation of the General Plan during the past year:

- **Fox Hills Specific Plan.** The Planning and Development Department has continued developing the Fox Hills Specific Plan which advances the related Land Use Element *Goal LU -7 Fox Hills*. Adoption of the plan is expected in 2026.
- **Hayden Tract Specific Plan.** The Planning and Development Department has continued developing the Hayden Tract Specific Plan which advances the related Land Use Element *Goal LU-10 Hayden Tract and Industrial Districts*. Adoption of the plan is expected in 2026.
- **Density Bonus Ordinance Update.** The Planning and Development Department has updated the City's density bonus ordinance to ensure that the ordinance is in alignment with the General Plan and Zoning Code update. This activity advances the Land Use Element implementation action *IA.LU-4 Mixed Use Ordinance Revision*.
- **Objective Design Standards Update.** The Planning and Development Department has updated the City's objective design standards to manage new residential and mixed use development. This is in line with the Land Use Element Implementation Action *IA.LU-6 Objective Design Standards*.
- **Subdivision Ordinance Update.** The Planning and Development Department has updated the City's subdivision ordinance to modernize regulations that had been largely unchanged since 1965. This is in line with the Land Use Element Implementation Action *IA.ED-11 Streamline Residential Entitlement Process*.

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.AC-1: Citywide creative facilities and space inventory. Develop a comprehensive, citywide creative facilities and space inventory, directory, needs assessment, and master plan.	AC-1	5-10 Years	Study and Master Plan	Cultural Affairs	Economic Development	In-progress	Arts, Culture, and the Creative Economy
IA.AC-2: Community exhibition space. Develop a community exhibition space.	AC-1	5-10 Years	Physical Improvements	Cultural Affairs	Economic Development	Not started	Arts, Culture, and the Creative Economy
IA.AC-3: Artist in residence program in City departments. Develop an artist in residence program placing artists within City departments to mutually define a project or role that advances the work of the department.	AC-2	5-10 Years	Program	Cultural Affairs		Not started	Arts, Culture, and the Creative Economy
IA.AC-4: Artist Laureate Program. Expand and enable the Artist Laureate Program to increase its capacity to lead creative projects in the community on the City's behalf, including multiple artists, greater compensation, and project funding. Collaborate and coordinate with Culver Arts to better enable its role as a funding partner.	AC-2	1-5 Years	Program	Cultural Affairs		Complete	Arts, Culture, and the Creative Economy

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.AC-5: Rental assistance. Develop a rental assistance program for creative enterprises.	AC-3	5-10 Years	Program	Economic Development		Not started	Arts, Culture, and the Creative Economy
IA.AC-6: Role of creative sector in economic prosperity. Develop policy recognizing the role and importance of the creative sector to Culver City's past, current, and future economic prosperity	AC-3	1-5 Years	City Policy	Economic Development	Cultural Affairs	Not started	Arts, Culture, and the Creative Economy
IA.AC-7: Workforce programs. Partner and develop workforce programs for creative sector jobs with existing regional and state workforce programs, connecting them to opportunities with Culver City creative businesses, such as job training, internships, mentorships, and apprenticeships.	AC-3	10+ Years	Partnership/Program	Economic Development		In-progress	Arts, Culture, and the Creative Economy
IA.AC-8: Small business support. Develop or facilitate access to small creative business support, like technical assistance; financing; and marketing. Tailor to the specific needs of creative businesses and artists.	AC-3	5-10 Years	Program	Economic Development		In-progress	Arts, Culture, and the Creative Economy

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.AC-9: Creative Economy Strategy. Develop a Creative Economy Strategy.	AC-3	1-5 Years	City Policy	Economic Development		Not started	Arts, Culture, and the Creative Economy
IA.AC-10: Development assistance. Provide development assistance for Culver City nonprofit arts and cultural organizations.	AC-3	1-5 Years	Program	Cultural Affairs	Economic Development	In-progress	Arts, Culture, and the Creative Economy
IA.AC-11: Arts and cultural programming in City parks, facilities, and public spaces. Develop a strategy to incorporate arts and cultural programming in City parks, facilities, and public spaces, including: • Arts, cultural, and historic signage that celebrates local history and culture and educates the community about Native American history and continuing traditions. • Gathering spaces informed by Native American traditions. • Unique, experiential art, outdoor furniture, and placemaking features via the Art in Public Places Program and partnerships with major creative companies in Culver City. • Using the City’s parks and recreational facilities as forums for arts and cultural expression and events	AC-4	10 + Years	Partnership/ Program/ Physical Improvement	Cultural Affairs	Parks, Recreation, and Community Services	In-progress	Arts, Culture, and the Creative Economy
IA.AC-12: Arts and culture funding sources. Evaluate and pursue funding for arts and culture via the following venues: • Developing additional sources of revenues for the Cultural Trust Fund, such as memberships for businesses (a United Arts Fund model) and corporations and employee contributions and involvement. • Increasing City allocations to the Cultural Trust Fund. • Collaborating and coordinating with Culver Arts in making arts and cultural program plans to better enable its role as a fundraising partner. • Review developer requirements, including Art and Public Spaces Program on all new development and redevelopment. • Evaluating creating a dedicated public revenue source, such as a portion of the hotel occupancy, sales, beverage, admissions, or other tax. • Evaluating the use of municipal bonds for arts, culture, and creative economy capital projects. • Evaluating the formation of one or more Business/Property Improvement Districts to support the cultural district(s).	AC-5	10 + Years	Funding/ Ordinance	Cultural Affairs	Economic Development	In-progress	Arts, Culture, and the Creative Economy

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.AC-13: Communitywide cultural plan. Develop a communitywide cultural plan based on comprehensive community and stakeholder engagement and addressing all elements of the city’s creative sector	AC-6	5-10 Years	Plan	Cultural Affairs		In-progress	Arts, Culture, and the Creative Economy
IA.AC-14: Public art master plan. Develop a public art master plan based on community and stakeholder engagement, including artists, real estate developers, and architectural/design community. As part of the planning process, explore new partnership and funding opportunities to enable a full range of potential and mutually beneficial arts support.	AC-6	5-10 Years	Plan	Cultural Affairs	Economic Development	In-progress	Arts, Culture, and the Creative Economy
IA.AC-15: Departmental consolidation and the arts. Reorganize and consolidate City arts, culture, and creative economy functions to improve communication and coordination with other divisions, and to increase access to decision-makers. Consider renaming/rebranding as “Arts, Culture and Creative Economy.”	AC-6	1-5 Years	Organizational Structural Improvement	City Manager’s Office	Cultural Affairs ; Economic Development	Complete	Arts, Culture, and the Creative Economy
IA.C-1: Historic landscape and feature identification. Identify and promote preservation of older historic landscapes and natural features that help to define the neighborhoods or maintain the context of historic districts and landmarks	C-1	1-5 Years	Study, Program	Cultural Affairs	Planning and Development	Not started	Conservation

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.CHEJ-6: Air monitoring near schools. Partner with CCUSD and the SCAQMD to monitor air quality near schools and identify measures to reduce pollution exposure.	CHEJ-2	10 + Years	Partnership ; Program	Public Works		Not started	Community Health and Environmental Justice
IA.CHEJ-7:IOF Amortization Program. Implement an IOF Amortization Program to terminate and remove non conforming oil and gas activities within CulverCity. Conduct an evaluation and/or monitoring of the IOF Amortization Program.	CHEJ-2	10 + Years	Program	Planning and Development		In-progress	Community Health and Environmental Justice
IA.CHEJ-8: Vehicle idling restrictions. Establish a local ordinance that exceeds the State vehicle idling restrictions, where appropriate, including conditions of approval for projects. Enforce restrictions for bus layovers, delivery vehicles, trucks at warehouses and distribution facilities and taxis, particularly when these activities take place near sensitive land uses. Manage truck idling in residential areas.	CHEJ-2	1-5 Years	Ordinance/ Code Amendment	Public Works	Transportation	Not started	Community Health and Environmental Justice
IA.CHEJ-9: Regional partnerships for fewer vehicle emissions . Partner with local jurisdictions and agencies to advance strategies that reduce regional dependence on motor vehicles and decrease vehicle-related emissions, especially from the I-405 and I-10 freeways.	CHEJ-2	10+ Years	Partnership	Transportation	Planning and Development	In-progress	Community Health and Environmental Justice

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.CHEJ-10: Regional partnerships to eliminate vehicle emissions. Partner with local jurisdictions and agencies to develop plans and advance strategies that foster the transition of the transportation sector from fossil-fueled powered vehicles to zero emission vehicles such as battery-electric or hydrogen fuel-cell electric.	CHEJ-2	10+ Years	Partnership	Transportation	Public Works	In-progress	Community Health and Environmental Justice
IA.CHEJ-11: Air filtration in multifamily buildings. Explore opportunities to work with property owners of existing multifamily residential buildings, especially those in SB 1000 Priority Neighborhoods, to install heating, ventilation, and air conditioning (HVAC) systems with high-efficiency particulate air (HEPA) filters for all units.	CHEJ-2	5-10 Years	Program	Housing and Human Services		Not started	Community Health and Environmental Justice
IA.CHEJ-12: Air pollution mitigation. Consider amending the Building Code so that projects in SB 1000 Priority Neighborhoods have additional air pollution mitigations such as HVAC system maintenance plans, double-paned and triple-paned windows, and minimum requirements for air filter efficiency.	CHEJ-2	1-5 years	Ordinance / Code Amendment	Planning and Development		Not started	Community Health and Environmental Justice
IA.CHEJ-13 :Healthy development guidelines. Adopt Healthy Development Guidelines to guide new development projects in promoting the health of residents.	CHEJ-2	5-10 years	Ordinance / Code Amendment	Planning and Development		Not started	Community Health and Environmental Justice

IA.GHG-1: Greenhouse Gas (GHG) Reduction Strategy. Determine the GHG emission reduction targets for the City to be consistent with California's GHG reduction goals. Develop goals, policies, and actions designed to ensure that the City will achieve the GHG reduction goal.	GHG-1	1-5 Years	Study, Plan	Public Works; Transportation	Planning and Development	In-progress	Greenhouse Gas Reduction
IA.GHG-2: GHG emissions thresholds. Establish GHG emission thresholds for use in evaluating non-exempt discretionary project consistent with the California Environmental Quality Act and require projects above that threshold to substantially mitigate all feasible GHG emissions and reduce emissions at or below the established thresholds.	GHG-1	1-5 years	Study	Planning and Development		Not started	Greenhouse Gas Reduction
IA.GHG-3: GHG inventory. Update the community and municipal GHG inventories in 2025.	GHG-1	1-5 Years	Study	Transportation	Planning and Development	Not started	Greenhouse Gas Reduction

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GHG-4: Evaluate new technologies. Regularly evaluate new and emerging technology changes that can help to reduce GHG emissions and encourage using technology that is demonstrated to be effective at reducing GHG emissions and a fiscally responsible investment.	GHG-1	On-going	Study	Public Works	City Manager	In-progress	Greenhouse Gas Reduction
IA.GHG-5: Existing incentives and one-stop shop. Explore grant funding, rebates, and other incentive opportunities. Compile incentives into a one-stop shop for businesses and residents. Create and distribute outreach materials about opportunities for grant funding, rebates, and other incentive opportunities.	GHG-1	On-going	Study	Public Works	City Manager	In-progress	Greenhouse Gas Reduction
IA.GHG-6:All-electric buildings .Study creating an ordinance for all new buildings to be all-electric and prohibit new natural gas infrastructure for new buildings,with minimal exceptions	GHG-2	On-going	Ordinance/ Code Amendment	Planning and Development		In-progress	Greenhouse Gas Reduction
IA.GHG-7:All-electric phasing. Study creating a phase-in plan to convert existing natural gas systems to all-electric.	GHG-2	5-10 years	Plan	Planning and Development	Public Works	Not started	Greenhouse Gas Reduction

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GHG-8: Battery storage system streamlining. Establish a streamlined approval process for battery storage systems.	GHG-2	1-5 years	Ordinance / Code Amendment	Planning and Development		Complete	Greenhouse Gas Reduction
IA.GHG-9: Solar energy streamlining. Streamline the permitting process for homeowners and businesses to implement solar energy generation.	GHG-2	1-5 years	Ordinance / Code Amendment	Planning and Development		Complete	Greenhouse Gas Reduction
IA.GHG-10: Existing building efficiency. Study an energy and water efficiency upgrade program for existing buildings.	GHG-2	1-5 years	Program	Planning and Development	Public Works	Not started	Greenhouse Gas Reduction
IA.GHG-11: New building energy efficiency standards. Conduct a feasibility analysis to require energy efficiency in new construction buildings that exceeds California’s Building Energy Efficiency Standards outlined in Title 24, Part 6. Develop ordinance or code amendments to implement, as appropriate.	GHG-2	1-5 years	Ordinance / Code Amendment	Planning and Development	Public Works	Not started	Greenhouse Gas Reduction

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GHG-12: Productive roofs. Maintain and distribute guidelines for solar generation or green roofs on available roof space in new developments and major renovations, in alignment with City solar photovoltaic requirements via information on the City's website and via pamphlets.	GHG-2	1-5 years	Outreach	Planning and Development	Public Works	Not started	Greenhouse Gas Reduction
IA.GHG-13: Electric Vehicle Infrastructure Plan. Implement the citywide Electric Vehicle (EV) Infrastructure Plan.	GHG-4	5-10 Years	Plan	Public Works	Planning and Development	In-progress	Greenhouse Gas Reduction
IA.GHG-14: Public EV chargers. Install additional EV chargers at suitable public facilities and curbside, including Downtown parking structures, community parks, and mobility hubs.	GHG-4	1-5 Years	Physical Improvements	Public Works		Not started	Greenhouse Gas Reduction
IA.GHG-15: Electric vehicle charger incentives. Develop policies, and incentive/rebate programs designed to encourage installation of additional EV chargers in new developments.	GHG-4	1-5 years	Program	Planning and Development	Public Works	Not started	Greenhouse Gas Reduction

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GHG-16: Commercial zeroemission vehicles. Create a program that requires or incentivizes businesses that operate in the city to shift to zero-emission vehicles.	GHG-4	5-10 Years	Program	Transportation	Planning and Development	In-progress	Greenhouse Gas Reduction
IA.GHG-17: Reduce consumption. Develop a communications and outreach program to encourage reduced consumption and increased resource reuse and sharing.	GHG-5	5-10 Years	Program	Public Works	City Manager	In-progress	Greenhouse Gas Reduction
IA.GHG-18: Zero waste plan Implementation. Continue the zero-waste plan that institutes cost-effective diversion programs for municipal operations and the community by: • Ensuring all properties in the city have access to recycling services. • Providing hazardous materials drop facilities or events. • Ensuring curbside collection of residential organics and food waste and from commercial facilities. • Maintaining organics collection facilities for household organics. • Conducting a regular waste composition analysis to target education	GHG-5	5-10 Years	Program	Public Works		Complete	Greenhouse Gas Reduction
IA.GHG-19: SB 1383. Enforce Ordinances implementing Senate Bill 1383 that: • Establish compliance pathways and enforcement mechanisms for organics and food waste diversion. • Update trash enclosure space and access requirements based on hauler recommendations to accommodate all waste streams (e.g., recycling, trash, organics).	GHG-5	5-10 Years	Program	Public Works		Complete	Greenhouse Gas Reduction

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GHG-20: Sustainability criteria in budgeting and prioritization efforts. Develop and include sustainability criteria in budgeting and prioritization efforts through an approach that integrates environmental, economic, and social equity concerns.	GHG-6	5-10 Years	Policy/ Program	Finance	City Manager	In-progress	Greenhouse Gas Reduction
IA.GL-1: Performance targets and scorecard platform. Study creating a publicly-accessible scorecard platform that compiles and tracks a select number of prioritized performance metrics and shows where the City is and is not meeting targets. Regularly update the platform as new data and information are available.	GL-1, GL-7	1-5 Years	Website Update	Finance (All departments responsible for updating/tracking their respective performance metrics)	Information Technology	Not started	Governance and Leadership
IA.GL-2: Internal performance management. Continue performance management tracking within each City department to analyze each department’s workload and monitor performance metrics. Produce a public report every year that summarizes the current state of the City’s performance metrics. Provide City Council with annual updates on progress made towards achieving indicator targets.	GL-1, GL-7	On-going	Performance Tracking	Finance		In-progress	Governance and Leadership
IA.GL-3: Website accessibility audit. Annually audit the City website for compliance with California and federal web content accessibility standards (i.e., providing text alternatives for non-text content). Study the feasibility and identify areas where the City could exceed State and federal accessibility standards.	GL-1	1-5 Years	(Recurring) audit/ study	Information Technology		In-progress	Governance and Leadership

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GL-4: Website languages. Identify additional languages outside of Spanish that are commonly spoken in the city and should be supported on the City website, such as Japanese, Simplified and Traditional Chinese, French, and Tagalog.	GL-1, GL-2	1-5 Years	Website Update	Information Technology		In-progress	Governance and Leadership
IA.GL-5: Standardized evaluation process. Develop a simple, standardized evaluation process where all community members, both residents and non-residents, are invited to share their experience interacting with City programs, services, employees, and departments. Retain, adjust, or eliminate programs and services as appropriate. Share results from program and services evaluations with City departments.	GL-1, GL-2	1-5 Years	Community Survey	City Manager's Office	Finance	In-progress	Governance and Leadership
IA.GL-6: Expand input on the budget. Expand the City's budget input box suggestion form to allow community members to provide feedback on the allocation and distribution of City funds.	GL-1, GL-2	1-5 Years	Website Update	Finance	City Manager's Office	Not started	Governance and Leadership
IA.GL-7: Equitable public spending. Annually evaluate the geographic distribution of public spending to ensure spending decisions provide equitable benefits, particularly to SB 1000 Priority Neighborhoods.	GL-1, GL-3	1-5 Years	Program Evaluation	Finance		In-progress	Governance and Leadership

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GL-8: Civic leadership training and capacity building. Establish capacity-building programs that prepare residents and workers underrepresented in the City’s CBCs to serve on resident advisory bodies, build effective relationships, and navigate complex and policy topics	GL-2	5-10 Years	Program	City Clerk’s Office	City Manager’s Office	In-progress	Governance and Leadership
IA.GL-9: Assessment of appointment procedures . Assess appointment procedures and member representation on CBCs every two to four years, consistent with the terms of appointment.	GL-2	1-5 Years	Evaluation	City Clerk’s Office	City Manager’s Office	In-progress	Governance and Leadership
IA.GL-10: Educational voting campaigns . Evaluate the effectiveness of the City’s past educational voting campaigns (such as Birdee) and explore new, creative ways for the City to engage voters.	GL-2	5-10 Years	Study	City Clerk’s Office		Not started	Governance and Leadership
IA.GL-11: Training and Development Program . Develop a comprehensive City staff training program to address skill gaps and provide professional development to prepare for promotional opportunities in alignment with succession planning.	GL-2, GL-6	5-10 Years	Program	Human Resources		In-progress	Governance and Leadership

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GL-12: Racial Equity Action Plan. Implement the Racial Equity Action Plan. Include items such as a standardized assessment tool for equity impacts in major policies, programs, development projects and budgetary decisions.	GL-3	1-5 Years	Plan implementation/ Plan Update	Human Resources		In-progress	Governance and Leadership
IA.GL-13: Equity and Programming Support. Update City's Equal Employment Opportunity Plan and establish reporting frequency and review option for online open data portal to store data. Continue to provide staff support for the Equity and Human Relations Advisory Committee and establish a speaker series and/or programs. Provide opportunities for employees, residents and businesses to discuss and learn about the City's equity priorities and analyses across various topics.	GL-2, GL-3	5-10 Years	Plan implementation/ Plan Update	Human Resources		Complete	Governance and Leadership
IA.GL-14: Federal and State funding opportunities. Identify opportunities for regional collaboration in obtaining federal and State funding sources.	GL-4	1- 5 Years	Partnership	City Manager's Office		In-progress	Governance and Leadership
IA.GL-15: Understand user groups. Conduct community outreach to determine where City datasets are being used, who is accessing City data, and common barriers to accessing data. Identify datasets that are in highest demand or missing.	GL-5	1-5 Years	(Recurring) focus groups/ study	Information Technology		In-progress	Governance and Leadership

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GL-16: Enhance usability. Study and implement new product features for the City's data plat-forms to improve the discoverability and usability of data	GL-5	5-10 Years	Study	Information Technology		In-progress	Governance and Leadership
IA.GL-17: Mobile viewing. Study the feasibility of tooling the City's data platforms to support mobile applications	GL-5	5-10 Years	Study	Information Technology		Not started	Governance and Leadership
IA.GL-18: Interactive mapping. Expand data offerings on the City GIS portal (i.e., land use and zoning, demographics and public health, neighborhood boundaries, environmental data, infrastructure, etc.). Update the portal to enable data downloads in GIS file formats and integration with other GIS platforms.	GL-5	1-5 Years	Website Update	Information Technology	All departmens responsible for maintaining/ updating their respetive data	In-progress	Governance and Leadership
IA.GL-19: Citywide communications assessment. Study ways that the City can incorporate new technologies or platforms into their community engagement strategy. Identify where the City can strengthen existing communication channels and online platforms	GL-2, GL-5	1-5 Years	Study	City Manager's Office	Information Technology	In-progress	Governance and Leadership

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GL-20: Hybrid meetings. Study the feasibility and staff capacity for transitioning to a hybrid model for all future public meetings (i.e., providing both in-person and virtual meeting options).	GL-2. GL-5	1-5 Years	Study	Information Technology	City Clerk's Office; City Manager's Office	Complete	Governance and Leadership
IA.GL-21: Online services. Identify City services, applications, and forms that can be digitized or streamlined on the City website.	GL-5	1-5 Years	Website Update	Information Technology	Any departments with relevant services, applications, or forms that are impacted	In-progress	Governance and Leadership
IA.GL-22: Expand broadband network. Partner with local Internet service providers to expand the publicly-owned broadband network to residential and other uses	GL-5	5-10 Years	Partnership/ Physical Improvement	City Manager's Office	Information Technology	In-progress	Governance and Leadership
IA.GL-23: Expand digital access for low-income households. Expand the City's current partnership with Ting Internet and the Affordable Housing Internet Connectivity Program to provide free/reduced-rate internet access to all affordable housing units across the city. Broadly publicize this pro-gram with targeted user groups.	GL-5	1-5 Years	Partnership/ Program	Housing and Human Services	Information Technology	In-progress	Governance and Leadership

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GL-24: Public Wi-Fi access and charging stations . Study the feasibility and identify opportunities to supply public Wi-Fi access, charging stations, and/or public workstations at all municipal buildings and recreational facilities. Implement the City Transportation Department’s plans to provide Wi-Fi on Culver City buses	GL-5	5-10 Years	Study	Public Works	Transportation	In-progress	Governance and Leadership
IA.GL-25:Public workstations .Identify opportunities for public-private partnerships to make public workstations available within walking distance of residences in Culver City without reliable access to internet services.	GL-5	5-10 Years	Partnership	Information Technology	Economic Development	In-progress	Governance and Leadership
IA.GL-26:Digital city incubator . Establish a digital city incubator to test smart city technologies before citywide deployment and to minimize risks related to security, equity, ethics, and corporate monopolization	GL-6	10 + Years	Program	Information Technology	City Manager's Office	Not started	Governance and Leadership
IA.GL-27: Data management plan . Develop a data management plan for gathering, automating, managing, analyzing, and sharing data across City departments. Include strategies that ensure security and privacy compliance and uphold ethical practices for data collection and use.	GL-6	1-5 Years	Plan	Information Technology		In-progress	Governance and Leadership

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GL-28:Improve network infrastructure . Review and implement additional improvements tothe City's network infrastructure and security to better support telework, telehealth, and tele-education across the city.	GL-6	5- 10 Years	Physical Improvement	Information Technology		In-progress	Governance and Leadership
IA.GL-29: Employee wellness programs and initiatives . Implement "Wellness Culver City Relaunch" program to take into consideration a 360 wellness engagement platform based on behavioral, physical and financial employee wellbeing.	GL-6	1-5 Years	Program	Human Resources		Complete	Governance and Leadership
IA.GL-30: Improve service delivery models . Proactively manage liabilities by strengthening proficiencies of critical HR functions through the implementation of an online onboarding system to complete specific onboarding tasks prior to first day and continue to review processes and policies for streamlining and improving the employee experience through leveraging the City's technology and HRIS platform.	GL-6	5-10 Years	Plan implementation/ Plan Update	Human Resources		Complete	Governance and Leadership
IA.GL-31: Workers Compensation Program improvements . Complete request for proposal for best-in-class administrators to ensure the programs claims management, administration of benefits, and litigation meet the City's expectations. Implement a returnto-work program and create modified duty agreements to be utilized by departments	GL-6	1-5 Years	Program	Human Resources		In-progress	Governance and Leadership

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GL-32: City safety initiatives. Initiate Citywide safety initiatives through proposed City Safety Manager position to focus on, build and enhance Citywide safety initiatives including the facilitation of occupational medical management; loss control and safety assessments; OSHA compliance and relevant safety-related policies and procedures. Evaluate the City's safety program for opportunities to enhance the program and create an organization of safety awareness.	GL-6	5-10 Years	Program	Human Resources		In-progress	Governance and Leadership
IA.GL-33: City policy review. Review administrative policies in collaboration with the City Attorney's Office to ensure compliance in alignment with new and/or updated legislation.	GL-6	1-5 Years	Plan implementation/ Plan Update	Human Resources		In-progress	Governance and Leadership
IA.GL-34: Regular progress reviews. Annually review the General Plan as part of City Council's goal-setting sessions.	GL-7	1-5 years	Plan update	Planning and Development	City Manager's Office	In-progress	Governance and Leadership
IA.GL-35: General Plan annual progress report. Report on progress of implementation actions, general plan amendments, and relevant projects. Study establishing and tracking performance indicators or metrics	GL-7	1-5 years		Planning and Development	City Manager's Office	In-progress	Governance and Leadership

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.GL-36: Integration with budget process. Link the General Plan’s goals, policies, and actions with City Council’s budget process	GL-7	1-5 Years	Plan Update	Finance	Planning and Development	In-progress	Governance and Leadership
IA.GL-37: Adapt to changing circumstances. Conduct targeted updates to the General Plan every five to eight years to reflect changes in State regulations, new technologies, and new opportunities and challenges. Update the Implementation Actions to reflect new City priorities as appropriate	GL-7	5-10 years	Plan Update	Planning and Development; (All departments responsible for updating Implementation actions in their respective GP Elements)		Not started	Governance and Leadership
IA.INF-1: Water supply and Multi-Jurisdictional Hazard Mitigation Plan. Identify feasible local actions for increasing water supply security and explore opportunities for alternative water supply in alignment with the Multi-Jurisdictional Hazard Mitigation Plan (MJHMP).	INF-1	5-10 Years	Study	Public Works		In-progress	Infrastructure
IA.INF-2: Infrastructure and climate risk assessment. Conduct a risk assessment to determine the risks associated with increased storm intensity and what changes to the storm drain system may be needed to prevent flooding or other property damage.	INF-1	10 + Years	Assessment	Public Works		In-progress	Infrastructure

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
<p>IA.INF-3: Drought response. Consider implementing policies like Executive Directive 5 (ED5) and LA’s Sustainable City pLAn (pLAn) drought response and water conservation measures, in addition to those from GSWC and LADWP.</p>	<p>INF-2</p>	<p>10 + Years</p>	<p>Program</p>	<p>Public Works</p>		<p>In-progress</p>	<p>Infrastructure</p>
<p>IA.INF-4: Development standards for groundwater. Regularly update development standards to:</p> <ul style="list-style-type: none"> • Incentivize and mandate property owners infiltrate stormwater where feasible • Mandate permeability of new and redeveloped hardscaping where feasible 	<p>INF-3</p>	<p>10 + Years</p>	<p>Program</p>	<p>Public Works</p>		<p>Not started</p>	<p>Infrastructure</p>
<p>IA.INF-5: Aquifer recharge. Establish and participate in regional coordination targeting aquifer recharge and sustainable groundwater supply.</p>	<p>INF-3</p>	<p>10+ Years</p>	<p>Program</p>	<p>Public Works</p>		<p>Not started</p>	<p>Infrastructure</p>
<p>IA.INF-6: Greywater infrastructure outreach. Enhance outreach, incentivization, and permit streamlining for greywater to irrigation systems. Establish public resources to implement greywater recycling systems in existing residential buildings.</p>	<p>INF-4</p>	<p>10 + Years</p>	<p>Program</p>	<p>Public Works</p>		<p>Not started</p>	<p>Infrastructure</p>

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
<p>IA.INF-7: Greywater-ready new development. Consider establishing regulations to require new development to be grey waterready or include greywater treatment and reuse systems</p>	<p>INF-4</p>	<p>10+ Years</p>	<p>Program</p>	<p>Planning and Development</p>		<p>Not started</p>	<p>Infrastructure</p>
<p>IA.INF-8: Rainwater capture system requirements. Regularly update development standards and requirements to: •Require rainwater capture systems for large-scale parcels and large-scale public storm-water management projects. •Require implementation and on-going monitoring of tracking systems to measure outflow of collected water used for irrigation. •Require sufficient filtration of collected rainwater / ensure collected rainwater is applied to landscape through subsurface drip irrigation.</p>	<p>INF-5</p>	<p>On-going</p>	<p>Program</p>	<p>Parks, Recreation & Community Services</p>	<p>Public Works</p>	<p>Not started</p>	<p>Infrastructure</p>
<p>IA.INF-9: Clean Power Alliance. Maintain City membership in Clean Power Alliance (CPA) and continue to work to maintain a high level of private property owner, business, and residential customer participation in CPA. Encourage investment in carbon positive technologies.</p>	<p>INF-7</p>	<p>On-going</p>	<p>Program</p>	<p>Public Works</p>		<p>In-progress</p>	<p>Infrastructure</p>
<p>IA.INF-10: Alternative energy study. Conduct a study about alternative energy generation opportunities, including community and block-scale solar projects, façade solar paneling, and roadway/walkway installations.</p>	<p>INF-7</p>	<p>10 + Years</p>	<p>Study</p>	<p>Public Works</p>	<p>Planning and Development</p>	<p>In-progress</p>	<p>Infrastructure</p>

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.INF-11: Local energy generation plan. Create a phased plan to incorporate local energy generation and storage systems into supply calculations in partnership with the CPA.	INF-7	10 + Years	Program	Public Works		Not started	Infrastructure
IA.INF-12: SB 1000 criteria in budgeting and prioritization efforts. Incorporate SB 1000 Priority Neighborhood considerations into infrastructure decision making and capital improvements.	INF-8	10 + Years	Program	Public Works		In-progress	Infrastructure
IA.LU-1: Code update. Adopt an updated Zoning Code for consistency with the General Plan and Housing Element.	All LU and HE	1-5 years	Ordinance / Code Amendment	Planning and Development	Housing and Human Services	Complete	Land Use and Community Design
IA.LU-2: Wayfinding signage. Incorporate wayfinding strategies near and around transit to guide people to local destinations, including Downtown, schools, parks, shopping, healthcare, and public facilities	LU-1	1-5 Years	Physical Improvement	Transportation	Public Works; Planning and Development; Cultural Affairs	Not started	Land Use and Community Design

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.LU-3: Visual design elements near transit stations. Incorporate local art and landscaping near major transit stations to welcome people to Culver City and establish local identity.	LU-1	5-10 Years	Physical Improvements	Cultural Affairs		In-progress	Land Use and Community Design
IA.LU-4: Mixed Use Ordinance revision. Revise the Mixed Use Ordinance to: • Apply to all mixed use General Plan Land Use Designations and Zoning Districts. • Reflect any changes to the State Density Bonus law, including to transit proximity, exceptions, and bonuses • Consider additional incentives within transit-oriented communities.	LU-2	1-5 years	Ordinance / Code Amendment	Planning and Development	Housing and Human Services	Complete	Land Use and Community Design
IA.LU-5: Transit-oriented communities affordable housing incentives. Evaluate a transit-oriented communities affordable housing incentive area within half mile of a high-quality transit stop that incentivizes affordable housing beyond the State Density Bonus, and/or Community Benefit Program. Incentives include an increase in the number of dwelling units per acre, greater in building height, open space reductions, and other development standard incentives.	LU-2	1-5 years	Ordinance / Code Amendment	Planning and Development	Housing and Human Services	Complete	Land Use and Community Design
IA.LU-6: Incremental infill. Study updating the City’s Accessory Dwelling Unit Ordinance to incorporate an alternative pathway for incremental infill.	LU-2	1-5 years	Ordinance / Code Amendment	Planning and Development	Housing and Human Services	Complete	Land Use and Community Design

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.LU-7: Objective design standards. Adopt and implement objective design standards to manage new residential and mixed use development.	LU-2	1-5 years	Ordinance / Code Amendment	Planning and Development		Complete	Land Use and Community Design
IA.LU-8: Housing on sites with institutional uses. Revise the Zoning Code to allow housing development on sites used for institutional purposes, such as educational facilities and churches. Allow for joint uses in either a side-by-side or vertically stacked arrangement. Provide shared parking incentives to reduce the parking burdens on such projects.	LU-2	1-5 years	Ordinance / Code Amendment	Planning and Development		Complete	Land Use and Community Design
IA.LU-9: Increased housing on smaller mixed use sites. Study updating the Zoning Code to allow up to 10 units per parcel on smaller mixed use sites, consistent with SB 10.	LU-3	1-5 years	Study	Planning and Development		Not started	Land Use and Community Design
IA.LU-10: Height limits. Evaluate whether to change City height limits	LU-6	5-10 years	Study	Planning and Development	City Manager	In-progress	Land Use and Community Design

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.LU-11: Street specific requirements. Develop a plan for all streets or alleys in the Hayden Tract and other former industrial areas. Establish public realm standards, including but not limited to right of way width, sidewalk width, planter area width, landscaping and street trees, lighting, street furniture, and crossings.	LU-12	5-10 Years	Plan	Public Works	Planning and Development ; Transportation	In-progress	Land Use and Community Design
IA.LU-12: Density bonuses for assembled parcels. Develop density bonus program for assembled parcels and/or master planned parcels of nonresidential parcels transitioning to residential uses. Carefully calibrate bonuses so that they do not disincentivize redevelopment of individual smaller lots.	LU-3	1-5 years	Ordinance / Code Amendment	Planning and Development		Not started	Land Use and Community Design
IA.LU-13: Street design for climate change. Review and revise street design standards to reduce the urban heat island effect, reduce embodied carbon, and lower long-term maintenance costs. Review City departmental policies for any adverse effects on street design.	LU-12	5-10 Years	Plan	Public Works	Planning and Development ; Transportation	In-progress	Land Use and Community Design
IA.M-1: Safe Routes to School Program. Implement the developed citywide Safe Routes to School projects and monitor conditions for future upgrades to facilitate safe access to schools. Support Safe Routes to School projects with bicycle riding, transit riding, and safety training courses.	M-1	On-going	Program ; Physical Improvements	Public Works		In-progress	Mobility

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.M-2: Safe Routes for Seniors Program. Develop a Safe Routes for Seniors program that actively engages aging adults on determining key destinations and plans that prioritize street and walking investments that enhance access to those destinations	M-1	5-10 Years	Program	Public Works		Not started	Mobility
IA.M-3: Safe Streets traffic safety education. Maintain and enhance the Safe Streets traffic safety education program covering school students, working adults, seniors, and unhoused community members. Continue to apply for Office of Traffic Safety (OTS) and other grant sources to help fund these Public Works efforts.	M-1	On-going	Program	Public Works		In-progress	Mobility
IA.M-4: Complete streets guidelines. Complete and adopt complete streets guidelines in coordination with City Departments and stakeholders.	M-2	1-5 Years	Plan	Public Works	Transportation	Complete	Mobility
IA.M-5: Neighborhood Traffic Management Program (NTMP). Continue to deploy the NTMP to reduce traffic volumes and speeds on residential streets, thereby enhancing safety conditions and encouraging walking and cycling.	M-2	On-going	Program	Public Works		In-progress	Mobility

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
<p>IA.M-6: Street and parking space reallocation. Consider creating a program that permanently reallocates street and parking spaces for sustainable mobility modes, outdoor dining, and other public uses, as piloted in response to COVID-19 and in the MOVE Culver City Project.</p>	M-2	1-5 Years	Program	Public Works	Transportation	Not started	Mobility
<p>IA.M-7: Transit electrification. Implement zero-emission battery electric infrastructure and buses/ vehicles to provide cleaner and quieter public transportation service and minimize transportation-related GHG emissions.</p>	M-3	10+ Years	Capital Investments	Transportation		In-progress	Mobility
<p>IA.M-8: Comprehensive Transportation Demand Management (TDM) Plan . Create a plan that establishes goals and objectives, a timeline for recommended measures, fiscal impacts, administrative structure and staffing needs, and funding sources for citywide TDM implementation.</p>	M-5	1-5 Years	Study	Transportation		In-progress	Mobility
<p>IA.M-9: TDM Ordinance update. Update the TDM Ordinance to define the applicability requirements, mandatory measures, trip reduction targets, menu of options, and reporting process for developers, employers, and property owners to implement TDM measures</p>	M-5	5-10 Years	Code Update	Transportation		In-progress	Mobility

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.M-10: Funding prioritization. Use the Short Range Mobility Plan (SRMP) scoring process and staff committee feedback in line with annual Capital Improvement Plan (CIP) updates to prioritize unfunded mobility projects within a three- to five-year implementation timeframe.	M-5	On-going	Capital Investments	Transportation		In-progress	Mobility
IA.M-11: Automated Vehicle Plan. Develop a plan for connected and automated vehicular infrastructure to improve the overall performance of the transportation system while prioritizing the efficiency and safety of public transit, other mobility services, and active transportation.	M-6	10+ Years	Study	Transportation		In-progress	Mobility
IA.M-12: Automated vehicle pilot. Develop pilot to adopt automated vehicle technology on mobility service vehicles to provide high quality mobility services.	M-7	10+ Years	Study	Transportation		Not started	Mobility
IA.M-13: Automated traffic enforcement. Engage in statewide efforts to legalize automated traffic enforcement to remove bias in enforcement and improve public safety.	M-7	1-5 Years	Study	Public Works	Transportation	In-progress	Mobility

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
<p>IA.M-14: Mobility as a Service (MaaS) application. Create a MaaS application by enhancing the City's Next CCBUS real-time transit information app and/or work with the region to establish a regional MaaS application.</p>	M-7	5-10 Years	Program	Transportation		Complete	Mobility
<p>IA.M-15: Design guidelines along Ballona Creek. Develop design guidelines for amenities like benches, picnic tables, trash receptacles, railings, shade trees and structures, native landscaping, potable water sources, lighting, restrooms, public art installations and murals, and interpretive and informational signage. Consider recommendations from recommendations from the Bicycle and Pedestrian Action Plan and Ballona Creek Greenway Plan (2010) and Projects (2011).</p>	M-9	1-5 Years	Plan	Public Works	Transportation	Not started	Mobility
<p>IA.M-16: Ramp access to the Ballona Creek bike path. Construct additional ramp access points to the Ballona Creek path, with careful analysis and community input being of utmost importance, especially if any new access is considered in residential areas.</p>	M-9	5-10 Years	Study	Public Works		In-progress	Mobility
<p>IA.M-17: Ballona Creek multiuse path upgrades. Upgrade and extend the existing multi-use path that runs adjacent to Ballona Creek, including extending the path north to Washington Boulevard, partnering with the City of Los Angeles to extend the path further north to Cochran Avenue, creating new connections to the existing path, and creating new paths and connections along the south side of the creek, where beneficial and feasible</p>	M-9	5-10 Years	Physical Improvements	Public Works	Transportation	Not started	Mobility

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.M-18: Ballona Creek signage system. Develop a signage system to facilitate use of the creek and multi-use path, including wayfinding at access points, directing people to access points and adjacent public amenity areas, a mile marker system coordinated with adjacent public agencies, interpretive exhibits, and other information.	M-9	5-10 Years	Plan ; Physical Improvements	Public Works	Transportation	In-progress	Mobility
IA.N-1: Noise Ordinance. Adopt a comprehensive Noise Ordinance that aligns with the Noise Element’s goals that includes the following: • The City’s interior and exterior noise standards that are included in the City’s General Plan Noise Element, where appropriate. • Construction noise standards for construction activities impacting land uses sensitive to noise. • Guidelines for evaluating vibration levels from construction activities impacting land uses sensitive to vibrations.	N-1	1-5 years	Ordinance / Code Amendment	Planning and Development	Public Works	Not started	Noise
IA.N-2:Noise regulations evaluation. Regularly examine the City’s Municipal Code Noise Regulations for effectiveness. Consider revising inappropriate standards or adding standards for new noise sources not covered. Evaluate the City’s Municipal Code Noise Regulations to identify types of amplified sound that should require a permit from the City before using sound amplifying equipment	N-1	5-10 years	Study, Ordinance/ Code Amendment	Planning and Development	Public Works	Not started	Noise
IA.N-3:New standard conditions of approval for development projects. Develop new standard conditions of approval for redevelopment projects that address construction noise and specify means for achieving defined noise standards that reduce adverse effects on noise sensitive uses.	N-4	5-10 years	Ordinance/ Code Amendment	Planning and Development	Public Works	Not started	Noise

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.N-4: Event noise compliance. Establish temporary and special event noise standards ,periodically monitor noise levels at major events to ensure compliance	N-5	10 + Years	Ordinance/ Code Amendment	Planning and Development	Public Works	Not started	Noise
IA.PR-1: Create Parks and Recreation Master Plan . Create a City's Park and Recreation Master Plan (PRMP) to maintain a park standard of 3 acres per 1,000 residents and meet current and future needs, particularly in SB 1000 priority neighborhoods. Update the PRMP every five to ten years	PR-1	1-5 Years	Plan	Parks, Recreation & Community Services		Complete	Parks, Recreation, and Public Facilities
IA.PR-2: Temporary parks. Establish pop-up programming and mobile recreational services, especially focused on SB 1000 neighborhoods.	PR-1	1-5 Years	Plan	Parks, Recreation & Community Services		In-progress	Parks, Recreation, and Public Facilities
IA.PR-3: Joint use agreements. Develop and maintain joint use agreements in collaboration withthe Culver City Unified School District, private schools, Los Angeles Metro, and West Los Angeles College to allow the public to use sports fields, open spaces, community gardens, and recreational facilities	PR-1	1-5 Years	Partnership	Parks, Recreation & Community Services		In-progress	Parks, Recreation, and Public Facilities

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.PR-4: Ballona Creek linear park. Study potential for using assessor or developer fees to transform Ballona Creek into a linear park.	PR-1	5-10 Years	Study	Public Works	Economic Development	Not started	Parks, Recreation, and Public Facilities
IA.PR-5: Bicycle and pedestrian connections. Prepare a strategy to comprehensively assess and improve bicycle and pedestrian connections to and between parks, open spaces, recreation facilities, activity centers, and major transit services. The strategy should consider developing additional public access points to key destinations: • Between neighborhoods and open space resources like Ballona Creek, Culver City Park, the Baldwin Hills Scenic Overlook, and Kenneth Hahn State Recreation Area. • Between neighborhoods and other parks and publicly-accessible private open spaces. • Between linear open space and activity nodes in the city like Downtown, the Culver City Metro Station, commercial and employment centers, and parks and schools, to reduce vehicle trips and promote multimodal travel and commuter use. • To and from Ballona Creek via access points and pedestrian and bicycle bridge crossings.	PR-1	5-10 Years	Study	Public Works	Planning and Development; Parks, Recreation, and Community Services	In-progress	Parks, Recreation, and Public Facilities
IA.PR-6: Capital improvement plans for amenity updates. Create a joint process for Public Works and PRCS to coordinate capital improvement plans. Ensure park and recreational facilities are maintained and upgraded to meet community needs.	PR-2	5-10 Years	Plan	Parks, Recreation & Community Services	Public Works	Not started	Parks, Recreation, and Public Facilities
IA.PR-7: Park and recreation maintenance standards. Establish parks and recreation maintenance standards and require all parks and recreation facilities to be periodically evaluated in condition assessment reports (every 1 to 3 years) following their corresponding timelines	PR-3	1-5 Years	Study	Parks, Recreation & Community Services	Public Works	In-progress	Parks, Recreation, and Public Facilities

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.PR-8: Impacts of investments .Develop a process to regularly evaluate impact of public investments to ensure equitable distribution of services and programming.	PR-4	1-5 Years	Study	Parks, Recreation & Community Services	Public Works	Not started	Parks, Recreation, and Public Facilities
IA.PR-9: Engaging young people . Identify and pilot new ways to engage young people and their families who have not previously participated in City-run enrichment programs	PR-4	1-5 Years	Study	Parks, Recreation & Community Services		In-progress	Parks, Recreation, and Public Facilities
IA.PR-10:Parkland dedication .Study establishing requirements for non-residential developments to dedicate parkland, per community benefits agreements, or linkage fees, per Fee Mitigation Act.	PR-5	5-10 years	Study	Planning and Development		In-progress	Parks, Recreation, and Public Facilities
IA.PR-11:Revisions to City’s Parkland and In-Lieu Fee Ordinance .Initiate a study to revise the City’s Parkland and In-Lieu Fee Ordinance to make the following changes to park dedication for residential projects:•Adjusting the density factor for housing types. •Including language in the ordinance that requires appraising the park property to bededicated with infrastructurein place, i.e., roads, curbs,sewers, water, and utilities to the site. •Adding a section that applies a“flat rate in-lieu fee” to residential development, whereby a house is being added on to or replaced with a single family unit that is over 50% greater in building square footage than the existing single family unit on the same parcel.	PR-5	5-10 years	Ordinance/ Code Amendment	Planning and Development		In-progress	Parks, Recreation, and Public Facilities

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
<p>IA.PR-12: Strategy for alternative sources of park and recreation funding.Comprehensively review potential park funding mechanisms for operations/maintenance and capital improvements.Develop a coordinated, multi-departmental strategy to seek new and augmented funding sources,including:•Seeking grants from private and public sources to fund capital improvements. •Developing partnerships and sponsorships with local organizations and companies to fund major projects and maintenance. •Considering bonds and tax measures. •Establishing assessment districts to fund park maintenance and capital improvement projects. •Expanding fee-based recreational programming</p>	PR-5	5-10 Years	Study	Parks, Recreation & Community Services	Public Works ; Planning and Development	Not started	Parks, Recreation, and Public Facilities
<p>IA.PR-13: Sustainability strategy for the City’s parks, recreation facilities, and public facilities.Create a joint process for Public Works and PRCS to coordinate an environmental sustainability strategy for the City’s parks and recreation facilities that:•Incorporates drought-tolerant landscaping and/or native landscaping in City parks, recreational facilities, City buildings, and other City-owned facilities. •Reduces potable water use through recycled water, grey-water, and smart irrigation systems. •Introduces rainwater capture mechanisms in City parks and recreation facilities. •Incorporates permeable paving in City parks. •Continually improves indoor and outdoor energy use,including light through retro-commissioning, retrofits, and lighting upgrades. •Installs additional Electric Vehicle (EV) chargers at suitable recreational facilities and community parks.</p>	PR-6	5-10 Years	Plan	Parks, Recreation & Community Services	Public Works	In-progress	Parks, Recreation, and Public Facilities
<p>IA.PR-14: Guidelines for landscape design and planting. Evaluate creating guidelines for landscape design and planting to support native species and non-native species that provide valuable resources for native wildlife.</p>	PR-6	5-10 Years	Plan	Public Works	Parks, Recreation, and Community Services	Complete	Parks, Recreation, and Public Facilities
<p>IA.PR-15: Urban Forest Master Plan. Implement and update the Urban Forest Master Plan every five to ten years</p>	PR-6	5-10 Years	Plan	Public Works		In-progress	Parks, Recreation, and Public Facilities

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.PR-16: Transfer and Recycle Station updates. Study potential for expanding the Transfer and Recycling Station to implement on-site material sorting.	PR-7	5-10 Years	Study	Public Works		In-progress	Parks, Recreation, and Public Facilities
IA.S-1: Multi-Jurisdictional Hazard Mitigation Plan in General Plan. Adopt the MJHMP by reference into the General Plan per AB 2140.	S-1	1-5 years	Plan	Planning and Development	Public Works	Complete	Safety
IA.S-2: Multi-Jurisdictional Hazard Mitigation Plan in City's Municipal Code. Review and update the City's Municipal Code and applicable ordinances to implement the strategies identified in the MJHMP and other emergency planning efforts.	S-1	1-5 Years	Plan	Public Works	Planning and Development	In-progress	Safety
IA.S-3: Alternative bus routes. Establish alternative bus routes as part of Culver CityBus emergency planning efforts to maintain service if key roads are blocked.	S-1	1-5 Years	Plan	Transportation	Planning and Development ; Public Works	In-progress	Safety

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.S-4: Resilient infrastructure standards. Periodically adjust building, facility, and infrastructure design standards to address asset-specific vulnerabilities associated with the hazards.	S-1	5-10 Years	Plan	Public Works		In-progress	Safety
IA.S-5: Back-up power. Conduct energy-efficiency retrofits, expand energy conservation efforts, and pursue using renewable energy at City facilities to help avoid service disruptions during emergency situations. Consider using microgrids (localized grids that operate independently of the traditional grid to mitigate grid disturbances) to support energy resiliency at key facilities.	S-2	5-10 Years	Plan	Public Works	Planning and Development	In-progress	Safety
IA.S-6:Funding programs for resilient building design . Review and update existing funding programs, such as the Property-Assessed Clean Energy program, to promote climate-resilient design and retrofits.	S-10	10 + Years	Program	Housing and Human Services	Economic Development	Not started	Safety
IA.S-7:Heat island priority areas . Identify areas of greatest risk of the urban heat island effect and target resources in these areas, including more trees, coolroofs, and cool pavement	S-10	10 + Years	Study, Plan	Planning and Development	Public Works	Not started	Safety

2025 General Plan Implementation Actions Progress Report

2025 General Plan Implementation Actions Progress Report							
Implementation Action	Associated Goals	Timeframe	Type of Action	Primary Responsibility	Secondary Responsibility	Start of 2026 Status	Element
IA.S-8: Cooling and warming centers distribution plan. Maintain the capability to operate cooling and warming centers equitably throughout the city when needed.	S-10	1-5 Years	Plan	Housing and Human Services	Planning and Development	In-progress	Safety
IA.S-9: Central resilience office. Study establishing a central resilience office to better integrate and coordinate City operations for emergency response, Fire, Police, and Public Works.	GL-6	5-10 Years	Study; Reorganization	City Manager's Office	Fire; Police; Public Works; Planning and Development	Not started	Safety
