21. How would you help achieve the body's established objectives and goals.

I would make sure i clearly understand the objectives/goals and goals such that they made perfect sense to me. If there were any areas that were unclear i'd be sure to ask questions and seek answers to provide clarity. - a) I was on the CC Planning Commission for 8 years and I am ready, willing and able to commit any and all the necessary time to prepare for and constructively participate during any scheduled meetings.
- b) Eight (8) years active on the Fiesta La Ballona (FLB) Committee. FLB Beer & Wine Garden liaison and two (2) years experience as the FLB sponsorship sub-committee chair---always being prepared.
17. Why are you interested in appointment to a City Commission, Board, Committee or Task Force?
- This is a very challenging and rewarding event that I seem to be hooked on!
18. What is there specifically in your background, training, education or interests which qualifies you as an appointee?
- A Volunteer for over 8 FLBs. I was tasked to take the lead many years ago to get approval from the Council to authorize alcohol sales (Beer and Wine Garden) at Vets Park. This required research on what other communities did, consultations with the then CC Police Chief and Fire Chief, presentations before council and Parks Commission. For the past two (2) years I have been the Sponsorship Chair. Last FLB was the best sponsorship participation the FLB had in some time. With the selfless help of my subcommittee members we provided our sponsors with more value for their sponsorship---we hope to even do better for FLB 2013.

20. How would you recommend the objectives and goals of the body be changed or augmented?
- Past Chair Mike Cohen brought FLB to the center stage more so than any other year! I would like to see a continuation of the energy Mike brought last year, including but not limited to making FLB the talk of the town, while engaging young, old and in-between to participate.
21. How would you help achieve the body's established objectives and goals?

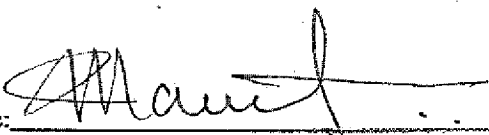

I will continue to help the FLB whether or not I am selected as an official member of the Committee. My expertise has been the Beer and Wine Garden liaison and the fund raising chair. I am interested in continuing these duties or whatever new duties the chair feels will be most beneficial to the FLB .

22. What special qualities can you bring to the body to which you seek appointment?

I have actively participated in the planning and execution of the FLB for the past 8 years +. I have significant institutional knowledge of the event and issues impacting the successful execution of the event.
