RE: Notice of Potential Deobligation of Project Funding

Dear Mr. Nachbar:

Over the last year, we have been working with City staff on the below listed Call for Projects project that committed Community Redevelopment Agency (CRA) funds as local match. In your April 2012 letter, you committed to completing this project with former CRA bond funds as local match and no alternate funds needed to be identified as the new local match. Recently, your staff notified us that the usage of CRA bond funds as the local match is under review by the State. This project is now subject to deobligation by our Board through the annual Call for Projects Recertification/Deobligation process in July 2013.

Project ID #	Project Name	Deobligated Amount (000')	Reason for Deobligation
F1717	Real-Time Motorist Parking Information System Demonstration	\$600	Did not meet Lapsing Policy

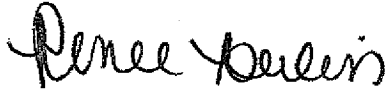

Should the City wish to appeal the potential deobligation of funding, an opportunity will be given to address LACMTA's Technical Advisory Committee (TAC) at its **Wednesday, June 5, 2013** meeting. The meeting will be held at our Headquarters' Building in the William Mulholland Conference Room on the 15th floor. At this meeting, TAC will make recommendation(s) regarding the projects subject to deobligation for staff consideration.

Sponsors wishing to appeal are required to complete the attached Deobligation Appeal Project Fact Sheet and submit the Fact Sheet to LACMTA by close of business **Tuesday, May 28, 2013**, so that TAC members will have an opportunity to review it prior to the meeting. We will not accept additional handouts at the meeting. The Deobligation appeals will be on a timed schedule. Project sponsors will have an opportunity to make a three-minute presentation, followed by a two-minute question and answer session. Failure to appear may result in the deobligation of funds. Should the City determine funds are available prior to May 28, 2013, the project may be removed from the deobligation list.

To schedule an appointment to address the TAC, please call Veronica Guzman at (213) 922-3038 or email at GuzmanV@metro.net upon receipt of this letter. The 2013 Call for Projects Recertification/Deobligation is scheduled for Board adoption in July 2013. If you have any

questions or need additional information, please call Fanny Pan, TAC chairperson at (213) 922-3070.

Sincerely,
