The Disability Advisory Committee (DAC) would like to invite you to attend the annual Abilities Carnival and Resource Fair. It will take place this year on Sunday, October 5, 2025, from 12-3 P.M. at the Culver City Senior Center. Last year's Fair was a great success and had the highest attendance since before the pandemic. We wish to acknowledge the tremendous support from the City staff and the volunteers.

We would also like to direct your attention to the DAC's Biannual Report, which highlights several important activities we are working on as a committee over the next several months to expand advocacy and education efforts concerning persons with disabilities.

As we move forward, we hope to build a collaborative relationship with the City Council, as both advisors and to receive input and guidance from the City Council.
