I wanted to give my public support for the 5757 Uplander project.

I have been living in the Fox Hills neighborhood for the past 20 years. I am enthused at the prospect of having a more walkable neighborhood, with coffee shops to walk to, park my bike at, and a place to spend time at and relax.

I look at the Culver Steps in downtown Culver City, and I wish we had a similar place for locals to convene at and hang out.

I strongly support the 5757 Uplander project, and I hope to see it happen.
