The foregoing covenants shall run with the land.

The Grantee shall refrain from restricting the rental, sale or lease of the Developer Parcel on the basis of race, color, religion, sex, marital status, ancestry or national origin of any person. All such deeds, leases or contracts shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:

**(a) In deeds:** “The grantee herein covenants by and for himself or herself, his or her heirs, executors, administrators and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee or any person claiming under or through him or her, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. **5. Reserved.**

**6. Violations Do Not Impair Liens.** No violation or breach of the covenants, conditions, restrictions, provisions or limitations contained in this Grant Deed shall defeat or render invalid or in any way impair the lien or charge of any mortgage or deed of trust or security interest permitted by the DDA; provided, however, that any subsequent owner of the Developer Parcel shall be bound by such remaining covenants, conditions, restrictions, limitations and provisions, whether such owner’s title was acquired by foreclosure, deed in lieu of foreclosure, trustee’s sale or otherwise.

**7. Covenants Run With Land.** All covenants contained in this Grant Deed shall be covenants running with the land. Except as provided hereunder and the DDA, all of the Grantee’s obligations and covenants hereunder shall remain in effect in perpetuity.

**8. Covenants For Benefit of Grantor and City; City as Third Party Beneficiary.**

a. All covenants herein without regard to technical classification or designation, legal or otherwise, shall be, to the fullest extent permitted by law and equity, binding for the benefit of the Grantor, the City, and their successors and assigns, and such covenants shall run in favor of, and be enforceable by, the Grantor, the City, and their successors and assigns, against Grantee, its successors and assigns, to or of the Developer Parcel conveyed herein or any portion thereof or any interest therein, and any party in possession or occupancy of the Developer Parcel or portion thereof, for the entire period during which such covenants shall be in force and effect, without regard to whether the Grantor or the City is or remains an owner of any land or interest therein to which such covenants relate. The Grantor, the City, and their successors and assigns, in the event of any breach of any such covenants, shall have the right to exercise all the rights and remedies and to maintain any actions at law or suits in equity or other proper proceedings to enforce the curing of such breach.

b. In amplification of Section 8(a) above, the City shall be a third party beneficiary of all rights and interest of the Grantor in and to this Grant Deed with full, unrestricted and unilateral rights, without any approval or consent of the Grantor, to enforce each and every provision set forth in this Grant Deed and to exercise Grantor rights herein, including without limitation the right to exercise the Right of Reverter and to re-enter and take possession of the Developer Parcel or portions thereof pursuant to Section 10 of this Grant Deed and the right to consent and agree to changes in any of the covenants or restrictions contained in this Grant Deed pursuant to Section 9 of this Grant Deed. Notwithstanding anything in this Grant Deed to the contrary, provided that the City has the legal authority to exercise the rights of the

Grantor pursuant to the foregoing provision, the City then shall have the sole and unilateral right to exercise the rights of the City and/or the Grantor under this Grant Deed, and any such exercise of rights by the City shall be binding upon the Grantor and the Grantee in the same manner as if such rights were exercised by the Grantor itself under this Grant Deed. If, however, the City does not have the legal authority to exercise the rights of the Grantor pursuant to the foregoing provision for any reason whatsoever, then nothing in this Grant Deed shall restrict, withdraw, remove or inhibit the Grantor's authority to unilaterally exercise the rights provided to the Grantor under this Grant Deed, and any such exercise of rights by the Grantor shall be binding upon the Grantee.

**9. Revisions to Grant Deed.** The Grantor, and its successors and assigns, or the City, and its successor and assigns, and the Grantee, and its successors and assigns, in and to all or any part of the fee title to the Developer Parcel shall have the right with the mutual consent of the Grantee and the Grantor, or the Grantee and the City, to consent and agree to changes in, or to eliminate in whole or in part, any of the covenants or restrictions contained in this Grant Deed without the consent of any tenant, lessee, easement holder, licensee, mortgagee, trustee, beneficiary under a deed of trust or any other person or entity having any interest less than a fee in the Developer Parcel. However, the Grantee is obligated to give written notice to and obtain the consent of any first mortgagee prior to consent or agreement between the parties concerning such changes to this Grant Deed. The covenants contained in this Grant Deed, without regard to technical classification, shall not benefit or be enforceable by any owner of any other real property within or outside the Project Area, or any person or entity having any interest in any other such realty. No amendment to the Redevelopment Plan shall require the consent of the Grantee.

**10. Right of Reverter.** The Grantor or the City shall have the right to re-enter and take possession of all portions of the Developer Parcel conveyed to the Grantee pursuant to the DDA, with all improvements thereon, and revert in the Grantor or the City the estate theretofore conveyed to the Grantee, and Grantee shall thereupon forfeit its title to the Developer Parcel and all improvements thereon, if, after Conveyance of title and prior to recordation of the Release of Construction Covenants for such portions of the Developer Parcel, the Grantee (or its successors in interest):

(a) Fails to proceed with construction of the Improvements as required by the DDA for a period of ninety (90) Days after written notice from the Grantor or the City, provided that the Grantee shall not have obtained an extension or postponement to which the Grantee may be entitled pursuant to Section 806 of the DDA.

(b) Abandons or substantially suspends construction of the Improvements for a period of ninety (90) Days after written notice has been given by the Grantor or the City to the Grantee, provided the Grantee has not obtained an extension or postponement to which the Grantee may be entitled to pursuant to Section 806 of the DDA.

(c) Commits a Transfer not expressly permitted under the DDA or approved in advance in writing by the Grantor or the City.

(d) Otherwise materially breaches the DDA, and such breach is not cured within the time provided in the DDA.

Such right to re-enter, repossess, terminate and revest shall be subject to and be limited by and shall not defeat, render invalid, or limit:

(i) Any mortgage, deed or trust or other security instrument permitted by the DDA.

(ii) Any rights or interests provided in the DDA for the protection of the holder of such mortgages, deeds of trust or other security instruments.

Upon issuance and recordation of a Release of Construction Covenants for the Improvements to be constructed on any applicable portion of the Developer Parcel, the foregoing right to reenter, terminate and revest as to such portion of the Developer Parcel shall terminate, and the Grantor or the City shall only be entitled to reenter, terminate and revest with respect to the other parcels within the Developer Parcel for which no Release of Construction Covenants has been issued and recorded.

Upon the revesting in the Grantor or the City of title to the Developer Parcel as provided herein, the Grantor or the City shall, pursuant to its responsibilities under State law, use its best efforts to resell the Developer Parcel or part thereof as soon and in such manner as the Grantor or the City shall find feasible and consistent with the objectives of such law and of the Redevelopment Plan to a qualified and responsible party or parties (as determined by the Grantor or the City), who will assume the obligation of making or completing the Improvements, or such improvements in their stead as shall be satisfactory to the Grantor or the City and in accordance with the uses specified for such Developer Parcel or part thereof in the Redevelopment Plan. Upon such resale of the Developer Parcel, the proceeds thereof shall be applied:

(x) First, to reimburse the Grantor and the City for all reasonable and necessary costs and expenses incurred by the Grantor and the City in connection with reentering, terminating and revesting and resale of all such portions of the Developer Parcel, including but not limited to, salaries of personnel employed or utilized in connection with the recapture, management and resale of the Developer Parcel or part thereof (but less any income derived by the Grantor and the City from the Developer Parcel or part thereof in connection with such management); all taxes, assessments and water and sewer charges with respect to the Developer Parcel or part thereof (or, in the event the Developer Parcel is exempt from taxation or assessment of such charges during the period of ownership, such taxes, assessments or charges (as determined by the City assessing official) as would have been payable if the Developer Parcel were not so exempt); any payments made or necessary to be made to discharge or to prevent from attaching or being made any encumbrances or liens due to obligations, defaults or acts of the Grantee, its successors or transferees; any expenditures made or obligations incurred with respect to the making or completion of the improvements or any part thereof on the Developer Parcel or part thereof; and any amounts otherwise owing the Grantor and the City by the Grantee and its successor or transferee; and

(y) Second, to reimburse the Grantee, its successor or transferee up to the amount equal to (1) the sum of the Final Purchase Price Payment (as described in Section 301.3 of the DDA) paid to the Grantor by the Grantee for the Developer Parcel; (2) the costs incurred for the development of the Developer Parcel and for the improvements existing on the Developer Parcel at the time of the re-entry and repossession, less (3) any gains or income withdrawn or made by the Grantee from the Developer Parcel or the improvements thereon; and

(z) Finally, any balance remaining after such reimbursements shall be retained by the Grantor or the City as its sole property.

Upon the revesting in the Grantor or the City of title to the Developer Parcel as provided herein, the Grantor or the City shall also be entitled to exercise all of the City's rights under the Assignment of Construction Contract (Attachment No. 8 to the DDA) and the Assignment of Plans, Reports and Data (Attachment No. 9 to the DDA).

To the extent that the rights established in this Section involves a forfeiture, the rights of the Grantor and the City hereunder must be strictly interpreted against the Grantor and the City, the party for whose benefit the right of reverter is created. The right of reverter and other rights established in this Section are to be interpreted in light of the fact that the Grantor is conveying the Developer Parcel to the Grantee for development of the Project as set forth in the DDA and not for speculation, and the fact that such right is expressly authorized by California Health and Safety Code Section 33438.

**11. No Merger.** None of the terms, covenants, agreements or conditions heretofore agreed upon in writing in other instruments between the parties to this Grant Deed or between the City and the Grantee with respect to obligations to be performed, kept or observed by the Grantee, the Grantor or the City in respect to Developer Parcel or any part thereof after the conveyance of said Developer Parcel shall be deemed to be merged with this Grant Deed.

**12. Administration.** Whenever a reference is made in this Grant Deed to an action, finding, determination or approval to be undertaken by the Grantor, the Executive Director of the Grantor is authorized to act on behalf of the Successor Agency unless specifically provided otherwise or the context should require otherwise. Notwithstanding the foregoing, the Executive Director of the Grantor may in his or her sole and absolute discretion refer any matter to the Successor Agency Board of Directors for action, direction or approval.
