**CERTIFICATION OF COMPLIANCE WITH
GOVERNMENT CODE SECTION 20903**

In accordance with Government Code Section 20903 and the contract between the Public Employees' Retirement System, the City Council of the City of Culver City hereby certifies that:

1. Because of an impending curtailment of, or change in the manner of performing service, the best interests of the agency will be served by granting such additional service credit.
2. The added cost to the retirement fund for all eligible employees who retire during the designated window period will be included in the contracting agency's employer contribution rate for the fiscal year that begins two years after the end of the designated period.
3. It has elected to become subject to Section 20903 because of impending mandatory transfers, demotions, and layoffs that constitute at least 1 percent of the job classification, department or organizational unit, as designated by the governing body, resulting from the curtailment of, or change in the manner of performing, its services.
4. Its intention at the time Section 20903 becomes operative is to keep all vacancies created by retirements under this section or at least one vacancy in any position in any department or other organizational unit permanently unfilled thereby resulting in an overall reduction in the work force of such department or organizational unit.

THEREFORE, the City council of the City of Culver City hereby elects to provide the benefits of Government Code Section 20903 to all eligible members who retire within the designated period, _____ through _____.
