**SUBJECT: Wireless Telecommunications Facility Permit Application
(T-Mobile Site # LA33664E)**

Dear Ms. Mailian:

This letter shall serve as an agreement (the "Letter Agreement") between the City of Culver City (the "City") and T-Mobile West (the "Applicant") regarding the above-referenced application (the "Application"), which the City received on September 29, 2017.

The City and the Applicant believe that progress has been made on the City's review of the Application; however, in order to allow the Applicant to provide the City the information requested via the City application and City-issued Notices of Incompleteness and to allow the parties to continue to discuss the details of the Application in an orderly manner, it is in the best interests of the City and the Applicant to extend the time for processing the Application.

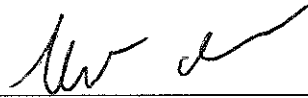

The parties agree to extend the date by which the City must either take action, or be deemed to have failed to act under 47 U.S.C. § 332(c)(7)(B)(v), through and including September 11, 2018. The parties further agree that Applicant will not invoke or provide notice to the City pursuant to Gov. Code 65964.1 until after September 11, 2018, if ever.

This Letter Agreement shall not be construed as an admission by the City that absent this extension it would have failed to act within the time periods required by applicable federal, state or local laws or regulations; or that its failure to act on the Application on or before September 11, 2018 would be a violation of the same. This Letter Agreement is not intended to imply or assure any particular outcome of the City's processing of the Application. Except as required to give effect to this extension, neither party waives any claims or defenses it might otherwise have.

This Letter Agreement may be executed using e-mailed signatures, which shall be deemed to be equivalent to original signatures.

Please email a countersigned copy of this entire agreement, to me at roland.miranda@culvercity.org, no later than 4:00 pm on May 14, 2018.

Sincerely,

Roland Miranda
Deputy City Attorney
City of Culver City
