CIVIL CODE

SECTION 798.55-798.61

798.55. (a) The Legislature finds and declares that, because of the high cost of moving mobilehomes, the potential for damage resulting therefrom, the requirements relating to the installation of mobilehomes, and the cost of landscaping or lot preparation, it is necessary that the owners of mobilehomes occupied within mobilehome parks be provided with the unique protection from actual or constructive eviction afforded by the provisions of this chapter.

(b) (1) The management may not terminate or refuse to renew a tenancy, except for a reason specified in this article and upon the giving of written notice to the homeowner, in the manner prescribed by Section 1162 of the Code of Civil Procedure, to sell or remove, at the homeowner's election, the mobilehome from the park within a period of not less than 60 days, which period shall be specified in the notice. A copy of this notice shall be sent to the legal owner, as defined in Section 18005.8 of the Health and Safety Code, each junior lienholder, as defined in Section 18005.3 of the Health and Safety Code, and the registered owner of the mobilehome, if other than the homeowner, by United States mail within 10 days after notice to the homeowner. The copy may be sent by regular mail or by certified or registered mail with return receipt requested, at the option of the management.

(2) The homeowner shall pay past due rent and utilities upon the sale of a mobilehome pursuant to paragraph (1).

(c) If the homeowner has not paid the rent due within three days after notice to the homeowner, and if the first notice was not sent by certified or registered mail with return receipt requested, a copy of the notice shall again be sent to the legal owner, each junior lienholder, and the registered owner, if other than the homeowner, by certified or registered mail with return receipt requested within 10 days after notice to the homeowner. Copies of the notice shall be addressed to the legal owner, each junior lienholder, and the registered owner at their addresses, as set forth in the registration card specified in Section 18091.5 of the Health and Safety Code.

(d) If management obtains a court judgment against a homeowner or resident, the cost incurred by management in obtaining a title search for the purpose of complying with the notice requirements of this section shall be recoverable as a cost of suit.

(e) The resident of a mobilehome that remains in the mobilehome park after service of the notice to sell or remove the mobilehome shall continue to be subject to this chapter and the rules and regulations of the park, including rules regarding maintenance of the space.

(f) No lawful act by the management to enforce this chapter or the rules and regulations of the park may be deemed or construed to waive or otherwise affect the notice to remove the mobilehome.

798.56. A tenancy shall be terminated by the management only for one or more of the following reasons:

(a) Failure of the homeowner or resident to comply with a local ordinance or state law or regulation relating to mobilehomes within a reasonable time after the homeowner receives a notice of noncompliance from the appropriate governmental agency.

(b) Conduct by the homeowner or resident, upon the park premises,

that constitutes a substantial annoyance to other homeowners or residents.

(c) (1) Conviction of the homeowner or resident for prostitution, for a violation of subdivision (d) of Section 243, paragraph (2) of subdivision (a), or subdivision (b), of Section 245, Section 288, or Section 451, of the Penal Code, or a felony controlled substance offense, if the act resulting in the conviction was committed anywhere on the premises of the mobilehome park, including, but not limited to, within the homeowner's mobilehome.

(2) However the tenancy may not be terminated for the reason specified in this subdivision if the person convicted of the offense has permanently vacated, and does not subsequently reoccupy, the mobilehome.

(d) Failure of the homeowner or resident to comply with a reasonable rule or regulation of the park that is part of the rental agreement or any amendment thereto.

No act or omission of the homeowner or resident shall constitute a failure to comply with a reasonable rule or regulation unless and until the management has given the homeowner written notice of the alleged rule or regulation violation and the homeowner or resident has failed to adhere to the rule or regulation within seven days. However, if a homeowner has been given a written notice of an alleged violation of the same rule or regulation on three or more occasions within a 12-month period after the homeowner or resident has violated that rule or regulation, no written notice shall be required for a subsequent violation of the same rule or regulation.

Nothing in this subdivision shall relieve the management from its obligation to demonstrate that a rule or regulation has in fact been violated.

(e) (1) Nonpayment of rent, utility charges, or reasonable incidental service charges; provided that the amount due has been unpaid for a period of at least five days from its due date, and provided that the homeowner shall be given a three-day written notice subsequent to that five-day period to pay the amount due or to vacate the tenancy. For purposes of this subdivision, the five-day period does not include the date the payment is due. The three-day written notice shall be given to the homeowner in the manner prescribed by Section 1162 of the Code of Civil Procedure. A copy of this notice shall be sent to the persons or entities specified in subdivision (b) of Section 798.55 within 10 days after notice is delivered to the homeowner. If the homeowner cures the default, the notice need not be sent. The notice may be given at the same time as the 60 days' notice required for termination of the tenancy. A three-day notice given pursuant to this subdivision shall contain the following provisions printed in at least 12-point boldface type at the top of the notice, with the appropriate number written in the blank:

"Warning: This notice is the (insert number) three-day notice for nonpayment of rent, utility charges, or other reasonable incidental services that has been served upon you in the last 12 months. Pursuant to Civil Code Section 798.56 (e) (5), if you have been given a three-day notice to either pay rent, utility charges, or other reasonable incidental services or to vacate your tenancy on three or more occasions within a 12-month period, management is not required to give you a further three-day period to pay rent or vacate the tenancy before your tenancy can be terminated."

(2) Payment by the homeowner prior to the expiration of the three-day notice period shall cure a default under this subdivision. If the homeowner does not pay prior to the expiration of the three-day notice period, the homeowner shall remain liable for all

payments due up until the time the tenancy is vacated.

(3) Payment by the legal owner, as defined in Section 18005.8 of the Health and Safety Code, any junior lienholder, as defined in Section 18005.3 of the Health and Safety Code, or the registered owner, as defined in Section 18009.5 of the Health and Safety Code, if other than the homeowner, on behalf of the homeowner prior to the expiration of 30 calendar days following the mailing of the notice to the legal owner, each junior lienholder, and the registered owner provided in subdivision (b) of Section 798.55, shall cure a default under this subdivision with respect to that payment.

(4) Cure of a default of rent, utility charges, or reasonable incidental service charges by the legal owner, any junior lienholder, or the registered owner, if other than the homeowner, as provided by this subdivision, may not be exercised more than twice during a 12-month period.

(5) If a homeowner has been given a three-day notice to pay the amount due or to vacate the tenancy on three or more occasions within the preceding 12-month period and each notice includes the provisions specified in paragraph (1), no written three-day notice shall be required in the case of a subsequent nonpayment of rent, utility charges, or reasonable incidental service charges.

In that event, the management shall give written notice to the homeowner in the manner prescribed by Section 1162 of the Code of Civil Procedure to remove the mobilehome from the park within a period of not less than 60 days, which period shall be specified in the notice. A copy of this notice shall be sent to the legal owner, each junior lienholder, and the registered owner of the mobilehome, if other than the homeowner, as specified in paragraph (b) of Section 798.55, by certified or registered mail, return receipt requested, within 10 days after notice is sent to the homeowner.

(6) When a copy of the 60 days' notice described in paragraph (5) is sent to the legal owner, each junior lienholder, and the registered owner of the mobilehome, if other than the homeowner, the default may be cured by any of them on behalf of the homeowner prior to the expiration of 30 calendar days following the mailing of the notice, if all of the following conditions exist:

(A) A copy of a three-day notice sent pursuant to subdivision (b) of Section 798.55 to a homeowner for the nonpayment of rent, utility charges, or reasonable incidental service charges was not sent to the legal owner, junior lienholder, or registered owner, of the mobilehome, if other than the homeowner, during the preceding 12-month period.

(B) The legal owner, junior lienholder, or registered owner of the mobilehome, if other than the homeowner, has not previously cured a default of the homeowner during the preceding 12-month period.

(C) The legal owner, junior lienholder or registered owner, if other than the homeowner, is not a financial institution or mobilehome dealer.

If the default is cured by the legal owner, junior lienholder, or registered owner within the 30-day period, the notice to remove the mobilehome from the park described in paragraph (5) shall be rescinded.

(f) Condemnation of the park.

(g) Change of use of the park or any portion thereof, provided:

(1) The management gives the homeowners at least 15 days' written notice that the management will be appearing before a local governmental board, commission, or body to request permits for a change of use of the mobilehome park.

(2) After all required permits requesting a change of use have been approved by the local governmental board, commission, or body, the management shall give the homeowners six months' or more written

notice of termination of tenancy.

If the change of use requires no local governmental permits, then notice shall be given 12 months or more prior to the management's determination that a change of use will occur. The management in the notice shall disclose and describe in detail the nature of the change of use.

(3) The management gives each proposed homeowner written notice thereof prior to the inception of his or her tenancy that the management is requesting a change of use before local governmental bodies or that a change of use request has been granted.

(4) The notice requirements for termination of tenancy set forth in Sections 798.56 and 798.57 shall be followed if the proposed change actually occurs.

(5) A notice of a proposed change of use given prior to January 1, 1980, that conforms to the requirements in effect at that time shall be valid. The requirements for a notice of a proposed change of use imposed by this subdivision shall be governed by the law in effect at the time the notice was given.

(h) The report required pursuant to subdivisions (b) and (i) of Section 65863.7 of the Government Code shall be given to the homeowners or residents at the same time that notice is required pursuant to subdivision (g) of this section.

(i) For purposes of this section, "financial institution" means a state or national bank, state or federal savings and loan association or credit union, or similar organization, and mobilehome dealer as defined in Section 18002.6 of the Health and Safety Code or any other organization that, as part of its usual course of business, originates, owns, or provides loan servicing for loans secured by a mobilehome.

798.56a. (a) Within 60 days after receipt of, or no later than 65 days after the mailing of, the notice of termination of tenancy pursuant to any reason provided in Section 798.56, the legal owner, if any, and each junior lienholder, if any, shall notify the management in writing of at least one of the following:

(1) Its offer to sell the obligation secured by the mobilehome to the management for the amount specified in its written offer. In that event, the management shall have 15 days following receipt of the offer to accept or reject the offer in writing. If the offer is rejected, the person or entity that made the offer shall have 10 days in which to exercise one of the other options contained in this section and shall notify management in writing of its choice.

(2) Its intention to foreclose on its security interest in the mobilehome.

(3) Its request that the management pursue the termination of tenancy against the homeowner and its offer to reimburse management for the reasonable attorney's fees and court costs incurred by the management in that action. If this request and offer are made, the legal owner, if any, or junior lienholder, if any, shall reimburse the management the amount of reasonable attorney's fees and court costs, as agreed upon by the management and the legal owner or junior lienholder, incurred by the management in an action to terminate the homeowner's tenancy, on or before the earlier of (A) the 60th calendar day following receipt of written notice from the management of the aggregate amount of those reasonable attorney's fees and costs or (B) the date the mobilehome is resold.

(b) A legal owner, if any, or junior lienholder, if any, may sell the mobilehome within the park to a third party and keep the mobilehome on the site within the mobilehome park until it is resold only if all of the following requirements are met:

(1) The legal owner, if any, or junior lienholder, if any, notifies management in writing of the intention to exercise either option described in paragraph (2) or (3) of subdivision (a) within 60 days following receipt of, or no later than 65 days after the mailing of, the notice of termination of tenancy and satisfies all of the responsibilities and liabilities of the homeowner owing to the management for the 90 days preceding the mailing of the notice of termination of tenancy and then continues to satisfy these responsibilities and liabilities as they accrue from the date of the mailing of that notice until the date the mobilehome is resold.

(2) Within 60 days following receipt of, or no later than 65 days after the mailing of, the notice of termination of tenancy, the legal owner or junior lienholder commences all repairs and necessary corrective actions so that the mobilehome complies with park rules and regulations in existence at the time the notice of termination of tenancy was given as well as the health and safety standards specified in Sections 18550, 18552, and 18605 of the Health and Safety Code, and completes these repairs and corrective actions within 90 calendar days of that notice, or before the date that the mobilehome is sold, whichever is earlier.

(3) The legal owner, if any, or junior lienholder, if any, complies with the requirements of Article 7 (commencing with Section 798.70) as it relates to the transfer of the mobilehome to a third party.

(c) For purposes of subdivision (b), the "homeowner's responsibilities and liabilities" means all rents, utilities, reasonable maintenance charges of the mobilehome and its premises, and reasonable maintenance of the mobilehome and its premises pursuant to existing park rules and regulations.

(d) If the homeowner files for bankruptcy, the periods set forth in this section are tolled until the mobilehome is released from bankruptcy.

(e) Notwithstanding any other provision of law, including, but not limited to, Section 18099.5 of the Health and Safety Code, if neither the legal owner nor a junior lienholder notifies the management of its decision pursuant to subdivision (a) within the period allowed, or performs as agreed within 30 days, or if a registered owner of a mobilehome, that is not encumbered by a lien held by a legal owner or a junior lienholder, fails to comply with a notice of termination and is either legally evicted or vacates the premises, the management may either remove the mobilehome from the premises and place it in storage or store it on its site. In this case, notwithstanding any other provision of law, the management shall have a warehouseman's lien in accordance with Section 7209 of the Commercial Code against the mobilehome for the costs of dismantling and moving, if appropriate, as well as storage, that shall be superior to all other liens, except the lien provided for in Section 18116.1 of the Health and Safety Code, and may enforce the lien pursuant to Section 7210 of the Commercial Code either after the date of judgment in an unlawful detainer action or after the date the mobilehome is physically vacated by the resident, whichever occurs earlier. Upon completion of any sale to enforce the warehouseman's lien in accordance with Section 7210 of the Commercial Code, the management shall provide the purchaser at the sale with evidence of the sale, as shall be specified by the Department of Housing and Community Development, that shall, upon proper request by the purchaser of the mobilehome, register title to the mobilehome to this purchaser, whether or not there existed a legal owner or junior lienholder on this title to the mobilehome.

(f) All written notices required by this section shall be sent to the other party by certified or registered mail with return receipt

requested.

(g) Satisfaction, pursuant to this section, of the homeowner's accrued or accruing responsibilities and liabilities shall not cure the default of the homeowner.

798.57. The management shall set forth in a notice of termination, the reason relied upon for the termination with specific facts to permit determination of the date, place, witnesses, and circumstances concerning that reason. Neither reference to the section number or a subdivision thereof, nor a recital of the language of this article will constitute compliance with this section.

798.58. Tenancy may only be terminated for reasons contained in Section 798.56, and a tenancy may not be terminated for the purpose of making a homeowner's site available for a person who purchased or proposes to purchase, or rents or proposes to rent, a mobilehome from the owner of the park or the owner's agent.

798.59. A homeowner shall give written notice to the management of not less than 60 days before vacating his or her tenancy.

798.60. The provisions of this article shall not affect any rights or proceedings set forth in Chapter 4 (commencing with Section 1159) of Title 3 of Part 3 of the Code of Civil Procedure except as otherwise provided herein.

798.61. (a) (1) As used in this section, "abandoned mobilehome" means a mobilehome about which all of the following are true:

(A) It is located in a mobilehome park on a site for which no rent has been paid to the management for the preceding 60 days.

(B) It is unoccupied.

(C) A reasonable person would believe it to be abandoned.

(2) For purposes of this section:

(A) "Mobilehome" shall include a trailer coach, as defined in Section 635 of the Vehicle Code, or a recreational vehicle, as defined in Section 18010 of the Health and Safety Code, if the trailer coach or recreational vehicle also satisfies the requirements of paragraph (1), including being located on any site within a mobilehome park, even if the site is in a separate designated section pursuant to Section 18215 of the Health and Safety Code.

(B) "Abandoned mobilehome" shall include a mobilehome that is uninhabitable because of its total or partial destruction that cannot be rehabilitated, if the mobilehome also satisfies the requirements of paragraph (1).

(b) After determining a mobilehome in a mobilehome park to be an abandoned mobilehome, the management shall post a notice of belief of abandonment on the mobilehome for not less than 30 days, and shall deposit copies of the notice in the United States mail, postage prepaid, addressed to the homeowner at the last known address and to any known registered owner, if different from the homeowner, and to any known holder of a security interest in the abandoned mobilehome. This notice shall be mailed by registered or certified mail with a return receipt requested.

(c) Thirty or more days following posting pursuant to subdivision (b), the management may file a petition in the superior court in the county in which the mobilehome park is located, for a judicial declaration of abandonment of the mobilehome. A proceeding under this subdivision is a limited civil case. Copies of the petition shall be served upon the homeowner, any known registered owner, and any known person having a lien or security interest of record in the mobilehome by posting a copy on the mobilehome and mailing copies to those persons at their last known addresses by registered or certified mail with a return receipt requested in the United States mail, postage prepaid.

(d) (1) Hearing on the petition shall be given precedence over other matters on the court's calendar.

(2) If, at the hearing, the petitioner shows by a preponderance of the evidence that the criteria for an abandoned mobilehome has been satisfied and no party establishes an interest therein at the hearing, the court shall enter a judgment of abandonment, determine the amount of charges to which the petitioner is entitled, and award attorney's fees and costs to the petitioner. For purposes of this subdivision, an interest in the mobilehome shall be established by evidence of a right to possession of the mobilehome or a security or ownership interest in the mobilehome.

(3) A default may be entered by the court clerk upon request of the petitioner, and a default judgment shall be thereupon entered, if no responsive pleading is filed within 15 days after service of the petition by mail.

(e) (1) Within 10 days following a judgment of abandonment, the management shall enter the abandoned mobilehome and complete an inventory of the contents and submit the inventory to the court.

(2) During this period the management shall post and mail notice of intent to sell the abandoned mobilehome and its contents under this section, and announcing the date of sale, in the same manner as provided for the notice of determination of abandonment under subdivision (b).

(3) At any time prior to the sale of a mobilehome under this section, any person having a right to possession of the mobilehome may recover and remove it from the premises upon payment to the management of all rent or other charges due, including reasonable costs of storage and other costs awarded by the court. Upon receipt of this payment and removal of the mobilehome from the premises pursuant to this paragraph, the management shall immediately file an acknowledgment of satisfaction of judgment pursuant to Section 724.030 of the Code of Civil Procedure.

(f) Following the judgment of abandonment, but not less than 10 days following the notice of sale specified in subdivision (e), the management may conduct a public sale of the abandoned mobilehome and its contents. The management may bid at the sale and shall have the right to offset its bids to the extent of the total amount due it under this section. The proceeds of the sale shall be retained by the management, but any unclaimed amount thus retained over and above the amount to which the management is entitled under this section shall be deemed abandoned property and shall be paid into the treasury of the county in which the sale took place within 30 days of the date of the sale. The former homeowner or any other owner may claim any or all of that unclaimed amount within one year from the date of payment to the county by making application to the county treasurer or other official designated by the county. If the county pays any or all of that unclaimed amount to a claimant, neither the county nor any officer or employee of the county is liable to any other claimant as to the amount paid.

(g) Within 30 days of the date of the sale, the management shall

submit to the court an accounting of the moneys received from the sale and the disposition of the money and the items contained in the inventory submitted to the court pursuant to subdivision (e).

(h) The management shall provide the purchaser at the sale with a copy of the judgment of abandonment and evidence of the sale, as shall be specified by the State Department of Housing and Community Development or the Department of Motor Vehicles, which shall register title in the abandoned mobilehome to the purchaser upon presentation thereof. The sale shall pass title to the purchaser free of any prior interest, including any security interest or lien, except the lien provided for in Section 18116.1 of the Health and Safety Code, in the abandoned mobilehome.

CIVIL CODE

SECTION 799-799.2.5

799. As used in this article:

(a) "Ownership or management" means the ownership or management of a subdivision, cooperative, or condominium for mobilehomes, or of a resident-owned mobilehome park.

(b) "Resident" means a person who maintains a residence in a subdivision, cooperative, or condominium for mobilehomes, or a resident-owned mobilehome park.

(c) "Resident-owned mobilehome park" means any entity other than a subdivision, cooperative, or condominium for mobilehomes, through which the residents have an ownership interest in the mobilehome park.

799.1. This article shall govern the rights of a resident who has an ownership interest in the subdivision, cooperative, or condominium for mobilehomes, or a resident-owned mobilehome park in which his or her mobilehome is located or installed. In a subdivision, cooperative, or condominium for mobilehomes, or a resident-owned mobilehome park, Articles 1 (commencing with Section 798) to 8 (commencing with Section 798.84), inclusive, shall apply only to a resident who does not have an ownership interest in the subdivision, cooperative, or condominium for mobilehomes, or the resident-owned mobilehome park, in which his or her mobilehome is located or installed.

799.1.5. A homeowner or resident, or an heir, joint tenant, or personal representative of the estate who gains ownership of a mobilehome through the death of the resident of the mobilehome who was a resident at the time of his or her death, or the agent of any of those persons, may advertise the sale or exchange of his or her mobilehome or, if not prohibited by the terms of an agreement with the management or ownership, may advertise the rental of his or her mobilehome by displaying a sign in the window of the mobilehome, or by a sign posted on the side of the mobilehome facing the street, or by a sign in front of the mobilehome facing the street, stating that the mobilehome is for sale or exchange or, if not prohibited, for rent by the owner of the mobilehome or his or her agent. Any such person also may display a sign conforming to these requirements indicating that the mobilehome is on display for an "open house," unless the park rules prohibit the display of an open house sign. The sign shall state the name, address, and telephone number of the owner of the mobilehome or his or her agent. The sign face may not exceed 24 inches in width and 36 inches in height. Signs posted in front of a mobilehome pursuant to this section may be of an H-frame or A-frame design with the sign face perpendicular to, but not extending into, the street. A homeowner or resident, or an heir, joint tenant, or personal representative of the estate who gains ownership of a mobilehome through the death of the resident of the mobilehome who was a resident at the time of his or her death, or the agent of any of those persons, may attach to the sign or their mobilehome tubes or holders for leaflets that provide information on the mobilehome for sale, exchange, or rent.

799.2. The ownership or management shall not show or list for sale a mobilehome owned by a resident without first obtaining the resident's written authorization. The authorization shall specify the terms and conditions regarding the showing or listing.

Nothing contained in this section shall be construed to affect the provisions of the Health and Safety Code governing the licensing of mobilehome salesmen.

799.3. The ownership or management shall not require the removal of a mobilehome from a subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park in the event of its sale to a third party.

799.4. The ownership or management may require the right to prior approval of the purchaser of a mobilehome that will remain in the subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park and that the selling resident, or his or her agent give notice of the sale to the ownership or management before the close of the sale. Approval cannot be withheld if the purchaser has the financial ability to pay the fees and charges of the subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park unless the ownership or management reasonably determines that, based on the purchaser's prior residences, he or she will not comply with the rules and regulations of the subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park.

799.5. The ownership or management may require that a purchaser of a mobilehome that will remain in the subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park comply with any rule or regulation limiting residency based on age requirements for housing for older persons, provided that the rule or regulation complies with the provisions of the federal Fair Housing Act, as amended by Public Law 104-76, and implementing regulations.

799.6. No agreement shall contain any provision by which the purchaser waives his or her rights under the provisions of this article. Any such waiver shall be deemed contrary to public policy and void and unenforceable.

799.7. The ownership or management shall provide, by posting notice on the mobilehomes of all affected homeowners and residents, at least 72 hours' written advance notice of an interruption in utility service of more than two hours for the maintenance, repair, or replacement of facilities of utility systems over which the management has control within the subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park, if the interruption is not due to an emergency. The ownership or management shall be liable only for actual damages sustained by a homeowner or resident for violation of this section.

"Emergency," for purposes of this section, means the interruption of utility service resulting from an accident or act of nature, or cessation of service caused by other than the management's regular or planned maintenance, repair, or replacement of utility facilities.

799.8. The management, at the time of an application for residency, shall disclose in writing to any person who proposes to purchase or install a manufactured home or mobilehome on a space or lot, on which the construction of the pad or foundation system commenced after September 1, 1986, and no other manufactured home or mobilehome was previously located, installed, or occupied, that the manufactured home or mobilehome may be subject to a school facilities fee under Sections 53080 and 53080.4 of, and Chapter 4.9 (commencing with Section 65995) of Division 1 of Title 7 of, the Government Code.

799.9. (a) A senior homeowner may share his or her mobilehome with any person 18 years of age or older if that person is providing live-in health care, live-in supportive care, or supervision to the homeowner pursuant to a written treatment plan prepared by a physician and surgeon. A fee shall not be charged by management for that person. That person shall have no rights of tenancy in, and shall comply with the rules and regulations of, the subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park. As used in this subdivision, "senior homeowner" means a homeowner or resident who is 55 years of age or older.

(b) A senior homeowner who resides in a subdivision, cooperative, or condominium for mobilehomes, or a resident-owned mobilehome park, that has implemented rules or regulations limiting residency based on age requirements for housing for older persons, pursuant to Section 799.5, may share his or her mobilehome with any person 18 years of age or older if this person is a parent, sibling, child, or grandchild of the senior homeowner and requires live-in health care, live-in supportive care, or supervision pursuant to a written treatment plan prepared by a physician and surgeon. A fee shall not be charged by management for that person. Unless otherwise agreed upon, the management shall not be required to manage, supervise, or provide for this person's care during his or her stay in the subdivision, cooperative or condominium for mobilehomes, or resident-owned mobilehome park. That person shall have no rights of tenancy in, and shall comply with the rules and regulations of, the subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park. As used in this subdivision, "senior homeowner" means a homeowner or resident who is 55 years of age or older.

799.10. A resident may not be prohibited from displaying a political campaign sign relating to a candidate for election to public office or to the initiative, referendum, or recall process in the window or on the side of a manufactured home or mobilehome, or within the site on which the home is located or installed. The size of the face of a political sign may not exceed six square feet, and the sign may not be displayed in excess of a period of time from 90 days prior to an election to 15 days following the election, unless a local ordinance within the jurisdiction where the manufactured home or mobilehome subject to this article is located imposes a more

restrictive period of time for the display of such a sign. In the event of a conflict between the provisions of this section and the provisions of Title 6 (commencing with Section 1350) of Part 4 of Division 2, relating to the size and display of political campaign signs, the provisions of this section shall prevail.

799.2.5. (a) Except as provided in subdivision (b), the ownership or management shall have no right of entry to a mobilehome without the prior written consent of the resident. The consent may be revoked in writing by the resident at any time. The ownership or management shall have a right of entry upon the land upon which a mobilehome is situated for maintenance of utilities, trees, and driveways, for maintenance of the premises in accordance with the rules and regulations of the subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park when the homeowner or resident fails to so maintain the premises, and protection of the subdivision, cooperative, or condominium for mobilehomes, or resident-owned mobilehome park at any reasonable time, but not in a manner or at a time that would interfere with the resident's quiet enjoyment.

(b) The ownership or management may enter a mobilehome without the prior written consent of the resident in case of an emergency or when the resident has abandoned the mobilehome.

GOVERNMENT CODE

SECTION 65850-65863.13

65850. The legislative body of any county or city may, pursuant to this chapter, adopt ordinances that do any of the following:

(a) Regulate the use of buildings, structures, and land as between industry, business, residences, open space, including agriculture, recreation, enjoyment of scenic beauty, use of natural resources, and other purposes.

(b) Regulate signs and billboards.

(c) Regulate all of the following:

(1) The location, height, bulk, number of stories, and size of buildings and structures.

(2) The size and use of lots, yards, courts, and other open spaces.

(3) The percentage of a lot which may be occupied by a building or structure.

(4) The intensity of land use.

(d) Establish requirements for offstreet parking and loading.

(e) Establish and maintain building setback lines.

(f) Create civic districts around civic centers, public parks, public buildings, or public grounds, and establish regulations for those civic districts.

65850.1. (a) The legislative body of any city or county may adopt an ordinance or other regulation governing the issuance of permits to engage in the use of property for occasional commercial filming on location. This section shall not limit the discretion of a city or county to limit, condition, or deny the use of property for occasional commercial filming on location to protect the public health, safety, or welfare.

(b) All ordinances and regulations enacted by a city or county regulating by permit the use of property for occasional commercial filming on location shall not be subject to zoning ordinances or other land use regulations of that jurisdiction unless the filming ordinance or regulation expressly states that it is subject to, or governed by, those zoning ordinances or other land use regulations.

(c) The use of property for occasional commercial filming on location engaged in pursuant to a filming permit issued by a city or county shall be permitted in any zone unless the zoning ordinance or other land use regulations of the jurisdiction expressly prohibit filming in that zone.

65850.2. (a) Each city and each county shall include, in its information list compiled pursuant to Section 65940 for development projects, or application form for projects that do not require a development permit other than a building permit, both of the following:

(1) The requirement that the owner or authorized agent shall

indicate whether the owner or authorized agent will need to comply with the applicable requirements of Section 25505 and Article 2 (commencing with Section 25531) of Chapter 6.95 of Division 20 of the Health and Safety Code or the requirements for a permit for construction or modification from the air pollution control district or air quality management district exercising jurisdiction in the area governed by the city or county.

(2) The requirement that the owner or authorized agent certify whether or not the proposed project will have more than a threshold quantity of a regulated substance in a process or will contain a source or modified source of hazardous air emissions.

(b) A city or county shall not find the application complete pursuant to Section 65943 or approve a development project or a building permit for a project that does not require a development permit other than a building permit, in which a regulated substance will be present in a process in quantities greater than the applicable threshold quantity, unless the owner or authorized agent for the project first obtains, from the administering agency with jurisdiction over the facility, a notice of requirement to comply with, or determination of exemption from, the requirement to prepare and submit an RMP. Within five days of submitting the project application to the city or county, the applicant shall submit the information required pursuant to paragraph (2) of subdivision (a) to the administering agency. This notice of requirement to comply with, or determination of exemption from, the requirement for an RMP shall be provided by the administering agency to the applicant, and the applicant shall provide the notice to the city or county within 25 days of the administering agency receiving adequate information from the applicant to make a determination as to the requirement for an RMP. The requirement to submit an RMP to the administering agency shall be met prior to the issuance of a certificate of occupancy or its substantial equivalent. The owner or authorized agent shall submit, to the city or county, certification from the air pollution control officer that the owner or authorized agent has provided the disclosures required pursuant to Section 42303 of the Health and Safety Code.

(c) A city or county shall not issue a final certificate of occupancy or its substantial equivalent unless there is verification from the administering agency, if required by law, that the owner or authorized agent has met, or is meeting, the applicable requirements of Section 25505 and Article 2 (commencing with Section 25531) of Chapter 6.95 of Division 20 of the Health and Safety Code, and the requirements for a permit, if required by law, from the air pollution control district or air quality management district exercising jurisdiction in the area governed by the city or county or has provided proof from the appropriate district that the permit requirements do not apply to the owner or authorized agent.

(d) The city or county, after considering the recommendations of the administering agency or air pollution control district or air quality management district, shall decide whether, and under what conditions, to allow construction of the site.

(e) Nothing in this section limits any existing authority of a district to require compliance with its rules and regulations.

(f) Counties and cities may adopt a schedule of fees for applications for compliance with this section sufficient to recover their reasonable costs of carrying out this section. Those fees shall be used only for the implementation of this section.

(g) As used in this section, the following terms have the following meaning:

(1) "Administering agency," "process," "regulated substance," "RMP," and "threshold quantity" have the same meaning as set forth for those terms in Section 25532 of the Health and Safety Code.

(2) "Hazardous air emissions" means emissions into the ambient air of air contaminants that have been identified as a toxic air contaminant by the State Air Resources Board or by the air pollution control officer for the jurisdiction in which the project is located.

As determined by the air pollution control officer, "hazardous air emissions" also means emissions into the ambient air of any substance identified in subdivisions (a) to (f), inclusive, of Section 44321 of the Health and Safety Code.

(h) Any misrepresentation of information required by this section shall be grounds for denial, suspension, or revocation of project approval or permit issuance. The owner or authorized agent required to comply with this section shall notify all future occupants of their potential duty to comply with the requirements of Section 25505 and Article 2 (commencing with Section 25531) of Chapter 6.95 of Division 20 of the Health and Safety Code.

(i) This section does not apply to applications solely for residential construction.

65850.3. Any ordinance adopted by the legislative body of a city or county that regulates amateur radio station antenna structures shall allow those structures to be erected at heights and dimensions sufficient to accommodate amateur radio service communications; shall not preclude amateur radio service communications, shall reasonably accommodate amateur radio service communications, and shall constitute the minimum practicable regulation to accomplish the city's or county's legitimate purpose.

It is the intent of the Legislature in adding this section to the Government Code, to codify in state law the provisions of Section 97.15 of Title 47 of the Code of Federal Regulations, which expresses the Federal Communications Commission's limited preemption of local regulations governing amateur radio station facilities.

65850.4. (a) The legislative body of any county or city may regulate, pursuant to a content neutral ordinance, the time, place, and manner of operation of sexually oriented businesses, when the ordinance is designed to serve a substantial governmental interest, does not unreasonably limit alternative avenues of communication, and is based on narrow, objective, and definite standards. The legislative body is entitled to rely on the experiences of other counties and cities and on the findings of court cases in establishing the reasonableness of the ordinance and its relevance to the specific problems it addresses, including the harmful secondary effects that the business may have on the community and its proximity to churches, schools, residences, establishments dispensing alcohol, and other sexually oriented businesses.

(b) For purposes of this section, a sexually oriented business is one whose primary purpose is the sale or display of matter that, because of its sexually explicit nature, may, pursuant to state law

or local regulatory authority, be offered only to persons over the age of 18 years.

(c) This section shall not be construed to preempt the legislative body of any city or county from regulating a sexually oriented business or similar establishment in the manner and to the extent permitted by the United States Constitution and the California Constitution.

(d) It is the intent of the Legislature to authorize the legislative body of any city or county to enter into a legally sanctioned and appropriate cooperative agreement, consortium, or joint powers authority with other adjacent cities or counties regarding regulation of established negative secondary effects of adult or sexually oriented businesses if the actions taken by the legislative body are consistent with this section.

(e) The Legislature finds and declares that in order to encourage the legislative body of a city or county in regulating adult or sexually oriented businesses or similar businesses under this section, the legislative body may consider any harmful secondary effects such a business may have on adjacent cities and counties and its proximity to churches, schools, residents, and other businesses located in adjacent cities or counties.

65850.5. (a) The implementation of consistent statewide standards to achieve the timely and cost-effective installation of solar energy systems is not a municipal affair, as that term is used in Section 5 of Article XI of the California Constitution, but is instead a matter of statewide concern. It is the intent of the Legislature that local agencies not adopt ordinances that create unreasonable barriers to the installation of solar energy systems, including, but not limited to, design review for aesthetic purposes, and not unreasonably restrict the ability of homeowners and agricultural and business concerns to install solar energy systems. It is the policy of the state to promote and encourage the use of solar energy systems and to limit obstacles to their use. It is the intent of the Legislature that local agencies comply not only with the language of this section, but also the legislative intent to encourage the installation of solar energy systems by removing obstacles to, and minimizing costs of, permitting for such systems.

(b) A city or county shall administratively approve applications to install solar energy systems through the issuance of a building permit or similar nondiscretionary permit. Review of the application to install a solar energy system shall be limited to the building official's review of whether it meets all health and safety requirements of local, state, and federal law. The requirements of local law shall be limited to those standards and regulations necessary to ensure that the solar energy system will not have a specific, adverse impact upon the public health or safety. However, if the building official of the city or county has a good faith belief that the solar energy system could have a specific, adverse impact upon the public health and safety, the city or county may require the applicant to apply for a use permit.

(c) A city or county may not deny an application for a use permit to install a solar energy system unless it makes written findings based upon substantial evidence in the record that the proposed installation would have a specific, adverse impact upon the public

health or safety, and there is no feasible method to satisfactorily mitigate or avoid the specific, adverse impact. The findings shall include the basis for the rejection of potential feasible alternatives of preventing the adverse impact.

(d) The decision of the building official pursuant to subdivisions (b) and (c) may be appealed to the planning commission of the city or county.

(e) Any conditions imposed on an application to install a solar energy system shall be designed to mitigate the specific, adverse impact upon the public health and safety at the lowest cost possible.

(f) (1) A solar energy system shall meet applicable health and safety standards and requirements imposed by state and local permitting authorities.

(2) A solar energy system for heating water shall be certified by the Solar Rating Certification Corporation (SRCC) or other nationally recognized certification agency. SRCC is a nonprofit third party supported by the United States Department of Energy. The certification shall be for the entire solar energy system and installation.

(3) A solar energy system for producing electricity shall meet all applicable safety and performance standards established by the National Electrical Code, the Institute of Electrical and Electronics Engineers, and accredited testing laboratories such as Underwriters Laboratories and, where applicable, rules of the Public Utilities Commission regarding safety and reliability.

(g) The following definitions apply to this section:

(1) "A feasible method to satisfactorily mitigate or avoid the specific, adverse impact" includes, but is not limited to, any cost-effective method, condition, or mitigation imposed by a city or county on another similarly situated application in a prior successful application for a permit. A city or county shall use its best efforts to ensure that the selected method, condition, or mitigation meets the conditions of subparagraphs (A) and (B) of paragraph (1) of subdivision (d) of Section 714 of the Civil Code.

(2) "Solar energy system" has the same meaning set forth in paragraphs (1) and (2) of subdivision (a) of Section 801.5 of the Civil Code.

(3) A "specific, adverse impact" means a significant, quantifiable, direct, and unavoidable impact, based on objective, identified, and written public health or safety standards, policies, or conditions as they existed on the date the application was deemed complete.

65850.6. (a) A collocation facility shall be a permitted use not subject to a city or county discretionary permit if it satisfies the following requirements:

(1) The collocation facility is consistent with requirements for the wireless telecommunications collocation facility pursuant to subdivision (b) on which the collocation facility is proposed.

(2) The wireless telecommunications collocation facility on which the collocation facility is proposed was subject to a discretionary permit by the city or county and an environmental impact report was certified, or a negative declaration or mitigated negative declaration was adopted for the wireless telecommunications collocation facility in compliance with the California Environmental

Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code), the requirements of Section 21166 do not apply, and the collocation facility incorporates required mitigation measures specified in that environmental impact report, negative declaration, or mitigated negative declaration.

(b) A wireless telecommunications collocation facility, where a subsequent collocation facility is a permitted use not subject to a city or county discretionary permit pursuant to subdivision (a), shall be subject to a city or county discretionary permit issued on or after January 1, 2007, and shall comply with all of the following:

(1) City or county requirements for a wireless telecommunications collocation facility that specifies types of wireless telecommunications facilities that are allowed to include a collocation facility, or types of wireless telecommunications facilities that are allowed to include certain types of collocation facilities; height, location, bulk, and size of the wireless telecommunications collocation facility; percentage of the wireless telecommunications collocation facility that may be occupied by collocation facilities; and aesthetic or design requirements for the wireless telecommunications collocation facility.

(2) City or county requirements for a proposed collocation facility, including any types of collocation facilities that may be allowed on a wireless telecommunications collocation facility; height, location, bulk, and size of allowed collocation facilities; and aesthetic or design requirements for a collocation facility.

(3) State and local requirements, including the general plan, any applicable community plan or specific plan, and zoning ordinance.

(4) The California Environmental Quality Act (Division 13 (commencing with Section 21000) of the Public Resources Code) through certification of an environmental impact report, or adoption of a negative declaration or mitigated negative declaration.

(c) The city or county shall hold at least one public hearing on the discretionary permit required pursuant to subdivision (b) and notice shall be given pursuant to Section 65091, unless otherwise required by this division.

(d) For purposes of this section, the following definitions apply:

(1) "Collocation facility" means the placement or installation of wireless facilities, including antennas, and related equipment, on, or immediately adjacent to, a wireless telecommunications collocation facility.

(2) "Wireless telecommunications facility" means equipment and network components such as towers, utility poles, transmitters, base stations, and emergency power systems that are integral to providing wireless telecommunications services.

(3) "Wireless telecommunications collocation facility" means a wireless telecommunications facility that includes collocation facilities.

(e) The Legislature finds and declares that a collocation facility, as defined in this section, has a significant economic impact in California and is not a municipal affair as that term is used in Section 5 of Article XI of the California Constitution, but is a matter of statewide concern.

(f) With respect to the consideration of the environmental effects of radio frequency emissions, the review by the city or county shall be limited to that authorized by Section 332(c)(7) of Title 47 of

the United States Code, or as that section may be hereafter amended.

65851. For such purposes the legislative body may divide a county, a city, or portions thereof, into zones of the number, shape and area it deems best suited to carry out the purpose of this chapter.

65852. All such regulations shall be uniform for each class or kind of building or use of land throughout each zone, but the regulation in one type of zone may differ from those in other types of zones.

65852.1. (a) Notwithstanding Section 65906, any city, including a charter city, county, or city and county may issue a zoning variance, special use permit, or conditional use permit for a dwelling unit to be constructed, or which is attached to or detached from, a primary residence on a parcel zoned for a single-family residence, if the dwelling unit is intended for the sole occupancy of one adult or two adult persons who are 62 years of age or over, and the area of floorspace of the attached dwelling unit does not exceed 30 percent of the existing living area or the area of the floorspace of the detached dwelling unit does not exceed 1,200 square feet.

This section shall not be construed to limit the requirements of Section 65852.2, or the power of local governments to permit second units.

(b) This section shall become inoperative on January 1, 2007, and shall have no effect thereafter, except that any zoning variance, special use permit, or conditional use permit issued for a dwelling unit before January 1, 2007, pursuant to this section shall remain valid, and a dwelling unit constructed pursuant to such a zoning variance, special use permit, or conditional use permit shall be considered in compliance with all relevant laws, ordinances, rules, and regulations after January 1, 2007.

65852.150. The Legislature finds and declares that second units are a valuable form of housing in California. Second units provide housing for family members, students, the elderly, in-home health care providers, the disabled, and others, at below market prices within existing neighborhoods. Homeowners who create second units benefit from added income, and an increased sense of security.

It is the intent of the Legislature that any second-unit ordinances adopted by local agencies have the effect of providing for the creation of second units and that provisions in these ordinances relating to matters including unit size, parking, fees and other requirements, are not so arbitrary, excessive, or burdensome so as to unreasonably restrict the ability of homeowners to create second units in zones in which they are authorized by local ordinance.

65852.2. (a) (1) Any local agency may, by ordinance, provide for

the creation of second units in single-family and multifamily residential zones. The ordinance may do any of the following:

(A) Designate areas within the jurisdiction of the local agency where second units may be permitted. The designation of areas may be based on criteria, that may include, but are not limited to, the adequacy of water and sewer services and the impact of second units on traffic flow.

(B) Impose standards on second units that include, but are not limited to, parking, height, setback, lot coverage, architectural review, maximum size of a unit, and standards that prevent adverse impacts on any real property that is listed in the California Register of Historic Places.

(C) Provide that second units do not exceed the allowable density for the lot upon which the second unit is located, and that second units are a residential use that is consistent with the existing general plan and zoning designation for the lot.

(2) The ordinance shall not be considered in the application of any local ordinance, policy, or program to limit residential growth.

(3) When a local agency receives its first application on or after July 1, 2003, for a permit pursuant to this subdivision, the application shall be considered ministerially without discretionary review or a hearing, notwithstanding Section 65901 or 65906 or any local ordinance regulating the issuance of variances or special use permits. Nothing in this paragraph may be construed to require a local government to adopt or amend an ordinance for the creation of second units. A local agency may charge a fee to reimburse it for costs that it incurs as a result of amendments to this paragraph enacted during the 2001-02 Regular Session of the Legislature, including the costs of adopting or amending any ordinance that provides for the creation of second units.

(b) (1) When a local agency which has not adopted an ordinance governing second units in accordance with subdivision (a) or (c) receives its first application on or after July 1, 1983, for a permit pursuant to this subdivision, the local agency shall accept the application and approve or disapprove the application ministerially without discretionary review pursuant to this subdivision unless it adopts an ordinance in accordance with subdivision (a) or (c) within 120 days after receiving the application. Notwithstanding Section 65901 or 65906, every local agency shall grant a variance or special use permit for the creation of a second unit if the second unit complies with all of the following:

(A) The unit is not intended for sale and may be rented.

(B) The lot is zoned for single-family or multifamily use.

(C) The lot contains an existing single-family dwelling.

(D) The second unit is either attached to the existing dwelling and located within the living area of the existing dwelling or detached from the existing dwelling and located on the same lot as the existing dwelling.

(E) The increased floor area of an attached second unit shall not exceed 30 percent of the existing living area.

(F) The total area of floorspace for a detached second unit shall not exceed 1,200 square feet.

(G) Requirements relating to height, setback, lot coverage, architectural review, site plan review, fees, charges, and other zoning requirements generally applicable to residential construction in the zone in which the property is located.

(H) Local building code requirements which apply to detached dwellings, as appropriate.

(I) Approval by the local health officer where a private sewage disposal system is being used, if required.

(2) No other local ordinance, policy, or regulation shall be the basis for the denial of a building permit or a use permit under this subdivision.

(3) This subdivision establishes the maximum standards that local agencies shall use to evaluate proposed second units on lots zoned for residential use which contain an existing single-family dwelling.

No additional standards, other than those provided in this subdivision or subdivision (a), shall be utilized or imposed, except that a local agency may require an applicant for a permit issued pursuant to this subdivision to be an owner-occupant.

(4) No changes in zoning ordinances or other ordinances or any changes in the general plan shall be required to implement this subdivision. Any local agency may amend its zoning ordinance or general plan to incorporate the policies, procedures, or other provisions applicable to the creation of second units if these provisions are consistent with the limitations of this subdivision.

(5) A second unit which conforms to the requirements of this subdivision shall not be considered to exceed the allowable density for the lot upon which it is located, and shall be deemed to be a residential use which is consistent with the existing general plan and zoning designations for the lot. The second units shall not be considered in the application of any local ordinance, policy, or program to limit residential growth.

(c) No local agency shall adopt an ordinance which totally precludes second units within single-family or multifamily zoned areas unless the ordinance contains findings acknowledging that the ordinance may limit housing opportunities of the region and further contains findings that specific adverse impacts on the public health, safety, and welfare that would result from allowing second units within single-family and multifamily zoned areas justify adopting the ordinance.

(d) A local agency may establish minimum and maximum unit size requirements for both attached and detached second units. No minimum or maximum size for a second unit, or size based upon a percentage of the existing dwelling, shall be established by ordinance for either attached or detached dwellings which does not permit at least an efficiency unit to be constructed in compliance with local development standards.

(e) Parking requirements for second units shall not exceed one parking space per unit or per bedroom. Additional parking may be required provided that a finding is made that the additional parking requirements are directly related to the use of the second unit and are consistent with existing neighborhood standards applicable to existing dwellings. Off-street parking shall be permitted in setback areas in locations determined by the local agency or through tandem parking, unless specific findings are made that parking in setback areas or tandem parking is not feasible based upon specific site or regional topographical or fire and life safety conditions, or that it is not permitted anywhere else in the jurisdiction.

(f) Fees charged for the construction of second units shall be determined in accordance with Chapter 5 (commencing with Section 66000).

(g) This section does not limit the authority of local agencies to

adopt less restrictive requirements for the creation of second units.

(h) Local agencies shall submit a copy of the ordinances adopted pursuant to subdivision (a) or (c) to the Department of Housing and Community Development within 60 days after adoption.

(i) As used in this section, the following terms mean:

(1) "Living area," means the interior habitable area of a dwelling unit including basements and attics but does not include a garage or any accessory structure.

(2) "Local agency" means a city, county, or city and county, whether general law or chartered.

(3) For purposes of this section, "neighborhood" has the same meaning as set forth in Section 65589.5.

(4) "Second unit" means an attached or a detached residential dwelling unit which provides complete independent living facilities for one or more persons. It shall include permanent provisions for living, sleeping, eating, cooking, and sanitation on the same parcel as the single-family dwelling is situated. A second unit also includes the following:

(A) An efficiency unit, as defined in Section 17958.1 of Health and Safety Code.

(B) A manufactured home, as defined in Section 18007 of the Health and Safety Code.

(j) Nothing in this section shall be construed to supersede or in any way alter or lessen the effect or application of the California Coastal Act (Division 20 (commencing with Section 30000) of the Public Resources Code), except that the local government shall not be required to hold public hearings for coastal development permit applications for second units.

65852.25. (a) No local agency shall enact or enforce any ordinance, regulation, or resolution that would prohibit the reconstruction, restoration, or rebuilding of a multifamily dwelling that is involuntarily damaged or destroyed by fire, other catastrophic event, or the public enemy.

(b) Notwithstanding subdivision (a), a local agency may prohibit the reconstruction, restoration, or rebuilding of a multifamily dwelling that is involuntarily damaged or destroyed by fire, other catastrophic event, or the public enemy, if the local agency determines that:

(1) The reconstruction, restoration, or rebuilding will be detrimental or injurious to the health, safety, or general welfare of persons residing or working in the neighborhood, or will be detrimental or injurious to property and improvements in the neighborhood.

(2) The existing nonconforming use of the building or structure would be more appropriately moved to a zone in which the use is permitted, or that there no longer exists a zone in which the existing nonconforming use is permitted.

(c) The dwelling may be reconstructed, restored, or rebuilt up to its predamaged size and number of dwelling units, and its nonconforming use, if any, may be resumed.

(d) Any reconstruction, restoration, or rebuilding undertaken pursuant to this section shall conform to all of the following:

(1) The California Building Standards Code as that code was in

effect at the time of reconstruction, restoration, or rebuilding.

(2) Any more restrictive local building standards authorized pursuant to Sections 13869.7, 17958.7, and 18941.5 of the Health and Safety Code, as those standards were in effect at the time of reconstruction, restoration, or rebuilding.

(3) The State Historical Building Code (Part 2.7 (commencing with Section 18950) of Division 13 of the Health and Safety Code) for work on qualified historical buildings or structures.

(4) Local zoning ordinances, so long as the predamage size and number of dwelling units are maintained.

(5) Architectural regulations and standards, so long as the predamage size and number of dwelling units are maintained.

(6) A building permit which shall be obtained within two years after the date of the damage or destruction.

(e) A local agency may enact or enforce an ordinance, regulation, or resolution that grants greater or more permissive rights to restore, reconstruct, or rebuild a multifamily dwelling.

(f) Notwithstanding subdivision (a), a local agency may prohibit the reconstruction, restoration, or rebuilding of a multifamily dwelling that is involuntarily damaged or destroyed by fire, other catastrophic event, or by the public enemy, if the building is located in an industrial zone.

(g) For purposes of this section, "multifamily dwelling" is defined as any structure designed for human habitation that is divided into two or more independent living quarters.

65852.3. (a) A city, including a charter city, county, or city and county, shall allow the installation of manufactured homes certified under the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. Secs. 5401 et seq.) on a foundation system, pursuant to Section 18551 of the Health and Safety Code, on lots zoned for conventional single-family residential dwellings. Except with respect to architectural requirements, a city, including a charter city, county, or city and county, shall only subject the manufactured home and the lot on which it is placed to the same development standards to which a conventional single-family residential dwelling on the same lot would be subject, including, but not limited to, building setback standards, side and rear yard requirements, standards for enclosures, access, and vehicle parking, aesthetic requirements, and minimum square footage requirements. Any architectural requirements imposed on the manufactured home structure itself, exclusive of any requirement for any and all additional enclosures, shall be limited to its roof overhang, roofing material, and siding material. These architectural requirements may be imposed on manufactured homes even if similar requirements are not imposed on conventional single-family residential dwellings. However, any architectural requirements for roofing and siding material shall not exceed those which would be required of conventional single-family dwellings constructed on the same lot. At the discretion of the local legislative body, the city or county may preclude installation of a manufactured home in zones specified in this section if more than 10 years have elapsed between the date of manufacture of the manufactured home and the date of the application for the issuance of a permit to install the manufactured home in the affected zone. In no case may a city, including a charter city,

county, or city and county, apply any development standards that will have the effect of precluding manufactured homes from being installed as permanent residences.

(b) At the discretion of the local legislative body, any place, building, structure, or other object having a special character or special historical interest or value, and which is regulated by a legislative body pursuant to Section 37361, may be exempted from this section, provided the place, building, structure, or other object is listed on the National Register of Historic Places.

65852.4. A city, including a charter city, a county, or a city and county, shall not subject an application to locate or install a manufactured home certified under the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. Sec. 5401 et seq.) on a foundation system, pursuant to Section 18551 of the Health and Safety Code, on a lot zoned for a single-family residential dwelling, to any administrative permit, planning, or development process or requirement, which is not identical to the administrative permit, planning, or development process or requirement which would be imposed on a conventional single-family residential dwelling on the same lot. However, a city, including a charter city, county, or city and county, may require the application to comply with the city's, county's, or city and county's architectural requirements permitted by Section 65852.3 even if the architectural requirements are not required of conventional single-family residential dwellings.

65852.5. Notwithstanding the provisions of Section 65852.3, no city, including a charter city, county, or city and county, may impose size requirements for a roof overhang of a manufactured home subject to the provisions of Section 65852. 3, unless the same size requirements also would be imposed on a conventional single-family residential dwelling constructed on the same lot. However, when there are no size requirements for roof overhangs for both manufactured homes and conventional single-family residential dwellings, a city, including a charter city, county, city and county, may impose a roof overhang on manufactured homes not to exceed 16 inches.

65852.6. (a) It is the policy of the state to permit breeding and the maintaining of homing pigeons consistent with the preservation of public health and safety.

(b) For purposes of this section, a "homing pigeon," sometimes referred to as a racing pigeon, is a bird of the order Columbæ. It does not fall in the category of "fowl" which includes chickens, turkeys, ducks, geese, and other domesticated birds other than pigeons.

65852.7. A mobilehome park, as defined in Section 18214 of the Health and Safety Code, shall be deemed a permitted land use on all land planned and zoned for residential land use as designated by the applicable general plan; provided, however, that a city, county, or a city and county may require a use permit. For purposes of this section, "mobilehome park" also means a mobilehome development constructed according to the requirements of Part 2.1 (commencing with Section 18200) of Division 13 of the Health and Safety Code, and intended for use and sale as a mobilehome condominium or cooperative park, or as a mobilehome planned unit development. The provisions of this section shall apply to a city, including a charter city, a county, or a city and county.

65852.9. (a) The Legislature recognizes that unused schoolsites represent a potentially major source of revenue for school districts and that current law reserves a percentage of unused schoolsites for park and recreational purposes. It is therefore the intent of the Legislature to ensure that unused schoolsites not leased or purchased for park or recreational purposes pursuant to Article 5 (commencing with Section 17485) of Chapter 4 of Part 10.5 of the Education Code can be developed to the same extent as is permitted on adjacent property. It is further the intent of the Legislature to expedite the process of zoning the property to avoid unnecessary costs and delays to the school district. However, school districts shall be charged for the administrative costs of this rezoning.

(b) If all of the public entities enumerated in Section 17489 of the Education Code decline a school district's offer to sell or lease school property pursuant to Article 5 (commencing with Section 17485) of Chapter 4 of Part 10.5 of the Education Code, the city or county having zoning jurisdiction over the property shall, upon request of the school district, zone the schoolsite as defined in Section 39392 of the Education Code, consistent with the provisions of the applicable general and specific plans and compatible with the uses of property surrounding the schoolsite. The schoolsite shall be given the same land use control treatment as if it were privately owned. In no event shall the city or county, prior to the school district's sale or lease of the schoolsite, rezone the site to open-space, park or recreation, or similar designation unless the adjacent property is so zoned, or if so requested or agreed to by the school district.

(c) A rezoning effected pursuant to this section shall be subject to any applicable procedural requirements of state law or of the city or county.

(d) A school district that requests a zoning change pursuant to this section shall, in the fiscal year in which the city or county incurs costs in effecting the requested zoning change, reimburse the city or county for the actual costs incurred by it.

65852.11. (a) No city or county, including a charter city, county, or city and county, which has adopted or enacted a local rent control ordinance for mobilehome park spaces, shall adopt or enforce any ordinance, rule, or regulation that prohibits or limits the duration of rental agreements or leases for any space contained within any manufactured housing community, as defined in Section 18801 of the

Health and Safety Code, or within any mobilehome park, as defined in Section 18214 of the Health and Safety Code, that is new construction, if the enactment operates to circumvent the provisions of Section 798.7 of the Civil Code.

(b) As used in this section, "new construction" means:

(1) For mobilehome parks, any newly constructed space, pursuant to Section 798.7 of the Civil Code.

(2) For manufactured housing communities, any space initially held out for rent after January 1, 1993.

(c) A mobilehome park that is considered "new construction" pursuant to this section, and that complies with Section 18801 of the Health and Safety Code, may be converted to a manufactured housing community without losing its "new construction" designation.

65853. A zoning ordinance or an amendment to a zoning ordinance, which amendment changes any property from one zone to another or imposes any regulation listed in Section 65850 not theretofore imposed or removes or modifies any such regulation theretofore imposed shall be adopted in the manner set forth in Sections 65854 to 65857, inclusive. Any other amendment to a zoning ordinance may be adopted as other ordinances are adopted.

When the legislative body has requested the planning commission to study and report upon a zoning ordinance or amendment which is within the scope of this section and the planning commission fails to act upon such request within a reasonable time, the legislative body may, by written notice, require the planning commission to render its report within 40 days. Upon receipt of the written notice the planning commission, if it has not done so, shall conduct the public hearing as required by Section 65854. Failure to so report to the legislative body within the above time period shall be deemed to be approval of the proposed zoning ordinance or amendment to a zoning ordinance.

65854. The planning commission shall hold a public hearing on the proposed zoning ordinance or amendment to a zoning ordinance. Notice of the hearing shall be given pursuant to Section 65090 and, if the proposed ordinance or amendment to a zoning ordinance affects the permitted uses of real property, notice shall also be given pursuant to Section 65091.

65855. After the hearing, the planning commission shall render its decision in the form of a written recommendation to the legislative body. Such recommendation shall include the reasons for the recommendation, the relationship of the proposed ordinance or amendment to applicable general and specific plans, and shall be transmitted to the legislative body in such form and manner as may be specified by the legislative body.

65856. (a) Upon receipt of the recommendation of the planning

commission, the legislative body shall hold a public hearing. However, if the matter under consideration is an amendment to a zoning ordinance to change property from one zone to another, and the planning commission has recommended against the adoption of such amendment, the legislative body shall not be required to take any further action on the amendment unless otherwise provided by ordinance or unless an interested party requests a hearing by filing a written request with the clerk of the legislative body within five days after the planning commission files its recommendations with the legislative body.

(b) Notice of the hearing shall be given pursuant to Section 65090.

65857. The legislative body may approve, modify or disapprove the recommendation of the planning commission; provided that any modification of the proposed ordinance or amendment by the legislative body not previously considered by the planning commission during its hearing, shall first be referred to the planning commission for report and recommendation, but the planning commission shall not be required to hold a public hearing thereon. Failure of the planning commission to report within forty (40) days after the reference, or such longer period as may be designated by the legislative body, shall be deemed to be approval of the proposed modification.

65858. (a) Without following the procedures otherwise required prior to the adoption of a zoning ordinance, the legislative body of a county, city, including a charter city, or city and county, to protect the public safety, health, and welfare, may adopt as an urgency measure an interim ordinance prohibiting any uses that may be in conflict with a contemplated general plan, specific plan, or zoning proposal that the legislative body, planning commission or the planning department is considering or studying or intends to study within a reasonable time. That urgency measure shall require a four-fifths vote of the legislative body for adoption. The interim ordinance shall be of no further force and effect 45 days from its date of adoption. After notice pursuant to Section 65090 and public hearing, the legislative body may extend the interim ordinance for 10 months and 15 days and subsequently extend the interim ordinance for one year. Any extension shall also require a four-fifths vote for adoption. Not more than two extensions may be adopted.

(b) Alternatively, an interim ordinance may be adopted by a four-fifths vote following notice pursuant to Section 65090 and public hearing, in which case it shall be of no further force and effect 45 days from its date of adoption. After notice pursuant to Section 65090 and public hearing, the legislative body may by a four-fifths vote extend the interim ordinance for 22 months and 15 days.

(c) The legislative body shall not adopt or extend any interim ordinance pursuant to this section unless the ordinance contains legislative findings that there is a current and immediate threat to the public health, safety, or welfare, and that the approval of additional subdivisions, use permits, variances, building permits, or

any other applicable entitlement for use which is required in order to comply with a zoning ordinance would result in that threat to public health, safety, or welfare. In addition, any interim ordinance adopted pursuant to this section that has the effect of denying approvals needed for the development of projects with a significant component of multifamily housing may not be extended except upon written findings adopted by the legislative body, supported by substantial evidence on the record, that all of the following conditions exist:

(1) The continued approval of the development of multifamily housing projects would have a specific, adverse impact upon the public health or safety. As used in this paragraph, a "specific, adverse impact" means a significant, quantifiable, direct, and unavoidable impact, based on objective, identified written public health or safety standards, policies, or conditions as they existed on the date that the ordinance is adopted by the legislative body.

(2) The interim ordinance is necessary to mitigate or avoid the specific, adverse impact identified pursuant to paragraph (1).

(3) There is no feasible alternative to satisfactorily mitigate or avoid the specific, adverse impact identified pursuant to paragraph (1) as well or better, with a less burdensome or restrictive effect, than the adoption of the proposed interim ordinance.

(d) Ten days prior to the expiration of that interim ordinance or any extension, the legislative body shall issue a written report describing the measures taken to alleviate the condition which led to the adoption of the ordinance.

(e) When an interim ordinance has been adopted, every subsequent ordinance adopted pursuant to this section, covering the whole or a part of the same property, shall automatically terminate and be of no further force or effect upon the termination of the first interim ordinance or any extension of the ordinance as provided in this section.

(f) Notwithstanding subdivision (e), upon termination of a prior interim ordinance, the legislative body may adopt another interim ordinance pursuant to this section provided that the new interim ordinance is adopted to protect the public safety, health, and welfare from an event, occurrence, or set of circumstances different from the event, occurrence, or set of circumstances that led to the adoption of the prior interim ordinance.

(g) For purposes of this section, "development of multifamily housing projects" does not include the demolition, conversion, redevelopment, or rehabilitation of multifamily housing that is affordable to lower income households, as defined in Section 50079.5 of the Health and Safety Code, or that will result in an increase in the price or reduction of the number of affordable units in a multifamily housing project.

(h) For purposes of this section, "projects with a significant component of multifamily housing" means projects in which multifamily housing consists of at least one-third of the total square footage of the project.

65859. (a) A city may, pursuant to this chapter, prezone unincorporated territory to determine the zoning that will apply to that territory upon annexation to the city.

The zoning shall become effective at the same time that the annexation becomes effective.

(b) Pursuant to Section 56375, those cities subject to that provision shall complete rezoning proceedings as required by law.

(c) If a city has not rezoned territory which is annexed, it may adopt an interim ordinance pursuant to Section 65858.

65860. (a) County or city zoning ordinances shall be consistent with the general plan of the county or city by January 1, 1974. A zoning ordinance shall be consistent with a city or county general plan only if both of the following conditions are met:

(1) The city or county has officially adopted such a plan.

(2) The various land uses authorized by the ordinance are compatible with the objectives, policies, general land uses, and programs specified in the plan.

(b) Any resident or property owner within a city or a county, as the case may be, may bring an action or proceeding in the superior court to enforce compliance with subdivision (a). Any such action or proceeding shall be governed by Chapter 2 (commencing with Section 1084) of Title 1 of Part 3 of the Code of Civil Procedure. No action or proceeding shall be maintained pursuant to this section by any person unless the action or proceeding is commenced and service is made on the legislative body within 90 days of the enactment of any new zoning ordinance or the amendment of any existing zoning ordinance.

(c) In the event that a zoning ordinance becomes inconsistent with a general plan by reason of amendment to the plan, or to any element of the plan, the zoning ordinance shall be amended within a reasonable time so that it is consistent with the general plan as amended.

(d) Notwithstanding Section 65803, this section shall apply in a charter city of 2,000,000 or more population to a zoning ordinance adopted prior to January 1, 1979, which zoning ordinance shall be consistent with the general plan of the city by July 1, 1982.

65861. When there is no planning commission, the legislative body of the city or county shall do all things required or authorized by this chapter of the planning commission.

65862. When inconsistency between the general plan and zoning arises as a result of adoption of or amendment to a general plan, or any element thereof, hearings held pursuant to Section 65854 or 65856 for the purpose of bringing zoning into consistency with the general plan, as required by Section 65860, may be held at the same time as hearings held for the purpose of adopting or amending a general plan, or any element thereof. However, the hearing on the general plan amendment may, at the discretion of the local agency, be concluded prior to any consideration of adoption of a zoning change.

It is the intent of the Legislature, in enacting this section, that local agencies shall, to the extent possible, concurrently process applications for general plan amendments and zoning changes which are needed to permit development so as to expedite processing of such applications.

65863. (a) Each city, county, or city and county shall ensure that its housing element inventory described in paragraph (3) of subdivision (a) of Section 65583 or its housing element program to make sites available pursuant to paragraph (1) of subdivision (c) of Section 65583 can accommodate its share of the regional housing need pursuant to Section 65584, throughout the planning period.

(b) No city, county, or city and county shall, by administrative, quasi-judicial, legislative, or other action, reduce, or require or permit the reduction of, the residential density for any parcel to, or allow development of any parcel at, a lower residential density, as defined in paragraphs (1), and (2) of subdivision (h), unless the city, county, or city and county makes written findings supported by substantial evidence of both of the following:

(1) The reduction is consistent with the adopted general plan, including the housing element.

(2) The remaining sites identified in the housing element are adequate to accommodate the jurisdiction's share of the regional housing need pursuant to Section 65584.

(c) If a reduction in residential density for any parcel would result in the remaining sites in the housing element not being adequate to accommodate the jurisdiction's share of the regional housing need pursuant to Section 65584, the jurisdiction may reduce the density on that parcel if it identifies sufficient additional, adequate, and available sites with an equal or greater residential density in the jurisdiction so that there is no net loss of residential unit capacity.

(d) The requirements of this section shall be in addition to any other law that may restrict or limit the reduction of residential density.

(e) If a court finds that an action of a city, county, or city and county is in violation of this section, the court shall award to the plaintiff or petitioner who proposed the housing development, reasonable attorney's fees and costs of suit, except under extraordinary circumstances in which the court finds that awarding fees would not further the purposes of this section or the court finds that the action was frivolous. This subdivision shall remain operative only until January 1, 2007, and as of that date is no longer operative, unless a later enacted statute that is enacted before January 1, 2007, deletes or extends that date.

(f) This section requires that a city, county, or city and county be solely responsible for compliance with this section, unless a project applicant requests in his or her initial application, as submitted, a density that would result in the remaining sites in the housing element not being adequate to accommodate the jurisdiction's share of the regional housing need pursuant to Section 65584. In that case, the city, county, or city and county may require the project applicant to comply with this section. The submission of an application for purposes of this subdivision does not depend on the application being deemed complete or being accepted by the city, county, or city and county.

(g) This section shall not be construed to apply to parcels that, prior to January 1, 2003, were either (1) subject to a development agreement, or (2) parcels for which an application for a subdivision map had been submitted.

(h) (1) If the local jurisdiction has adopted a housing element for the current planning period that is in substantial compliance with Article 10.6 (commencing with Section 65580) of Chapter 3, for purposes of this section, "lower residential density" means the following:

(A) For sites zoned for residential use and identified in the local jurisdiction's housing element inventory described in paragraph (3) of subdivision (a) of Section 65583, a density below the density used in the inventory to determine the total housing unit capacity.

(B) For sites that have been or will be rezoned pursuant to the local jurisdiction's housing element program described in paragraph (1) of subdivision (c) of Section 65583, a density below the density used to determine the housing unit capacity of the rezoned site.

(2) If the local jurisdiction has not adopted a housing element for the current planning period within 90 days of the deadline established by Section 65588 for purposes of this section, or the adopted housing element is not in substantial compliance with Article 10.6 (commencing with Section 65580) of Chapter 3 within 180 days of the deadline established by Section 65588, "lower residential density" means a density that is lower than 80 percent of the maximum allowable residential density for that parcel. For the purposes of this paragraph, if the council of governments fails to complete a final housing need allocation pursuant to the deadlines established by Section 65584.05, the deadline for adoption of the housing element and determining substantial compliance shall be extended by a time period equal to the delay incurred by the council of governments in completing the final housing need allocation.

65863.4. (a) Prior to noticing a public hearing on a proposed zoning ordinance or amendment to a zoning ordinance reducing the density permitted on property authorized for multifamily dwelling uses, the planning commission and legislative body shall approve a nonconforming use ordinance for multifamily dwellings that are involuntarily damaged or destroyed, which may be conditioned on the approval of an ordinance or amendment to a zoning ordinance reducing the density permitted on property authorized for multifamily dwelling uses.

(b) The planning commission and legislative body shall hold a public hearing on the proposed nonconforming use ordinance. Notice of the public hearing shall be given pursuant to Section 65090. If this hearing is held at the same time as a hearing under Section 65353 or 65854, notice for the hearings may be combined.

(c) A nonconforming multifamily dwelling ordinance need not apply to multifamily dwellings which have been abandoned for a specified period prior to being involuntarily damaged or destroyed, or to multifamily dwellings constituting a public nuisance prior to being involuntarily damaged or destroyed.

(d) For purposes of this section, "multifamily dwelling" means any structure designed for human habitation that has been divided into two or more legally created independent living quarters.

(e) This section shall not apply to either of the following:

(1) A city, county, or city and county that has adopted a nonconforming use ordinance that applies to multifamily dwellings that are involuntarily damaged or destroyed.

(2) A proposed zoning ordinance or amendment to a zoning ordinance

reducing the density permitted on property authorized for multifamily dwelling uses, that has been requested by the owner of the property authorized for multifamily dwelling uses.

65863.5. Whenever the zoning covering a property is changed from one zone to another or a zoning variance or conditional use permit is granted with respect to any property, the governing body of the city or county shall, within 30 days, notify the county assessor of such action.

Notwithstanding Section 65803, this section shall apply to charter cities.

65863.6. In carrying out the provisions of this chapter, each county and city shall consider the effect of ordinances adopted pursuant to this chapter on the housing needs of the region in which the local jurisdiction is situated and balance these needs against the public service needs of its residents and available fiscal and environmental resources. Any ordinance adopted pursuant to this chapter which, by its terms, limits the number of housing units which may be constructed on an annual basis shall contain findings as to the public health, safety, and welfare of the city or county to be promoted by the adoption of the ordinance which justify reducing the housing opportunities of the region.

65863.7. (a) Prior to the conversion of a mobilehome park to another use, except pursuant to the Subdivision Map Act (Division 2 (commencing with Section 66410) of Title 7), or prior to closure of a mobilehome park or cessation of use of the land as a mobilehome park, the person or entity proposing the change in use shall file a report on the impact of the conversion, closure, or cessation of use upon the displaced residents of the mobilehome park to be converted or closed. In determining the impact of the conversion, closure, or cessation of use on displaced mobilehome park residents, the report shall address the availability of adequate replacement housing in mobilehome parks and relocation costs.

(b) The person proposing the change in use shall provide a copy of the report to a resident of each mobilehome in the mobilehome park at least 15 days prior to the hearing, if any, on the impact report by the advisory agency, or if there is no advisory agency, by the legislative body.

(c) When the impact report is filed prior to the closure or cessation of use, the person or entity proposing the change shall provide a copy of the report to a resident of each mobilehome in the mobilehome park at the same time as the notice of the change is provided to the residents pursuant to paragraph (2) of subdivision (f) of Section 798.56 of the Civil Code.

(d) When the impact report is filed prior to the closure or cessation of use, the person or entity filing the report or park resident may request, and shall have a right to, a hearing before the legislative body on the sufficiency of the report.

(e) The legislative body, or its delegated advisory agency, shall review the report, prior to any change of use, and may require, as a

condition of the change, the person or entity to take steps to mitigate any adverse impact of the conversion, closure, or cessation of use on the ability of displaced mobilehome park residents to find adequate housing in a mobilehome park. The steps required to be taken to mitigate shall not exceed the reasonable costs of relocation.

(f) If the closure or cessation of use of a mobilehome park results from an adjudication of bankruptcy, the provisions of this section shall not be applicable.

(g) The legislative body may establish reasonable fees pursuant to Section 66016 to cover any costs incurred by the local agency in implementing this section and Section 65863.8. Those fees shall be paid by the person or entity proposing the change in use.

(h) This section is applicable to charter cities.

(i) This section is applicable when the closure, cessation, or change of use is the result of a decision by a local governmental entity or planning agency not to renew a conditional use permit or zoning variance under which the mobilehome park has operated, or as a result of any other zoning or planning decision, action, or inaction. In this case, the local governmental agency is the person proposing the change in use for the purposes of preparing the impact report required by this section and is required to take steps to mitigate the adverse impact of the change as may be required in subdivision (e).

(j) This section is applicable when the closure, cessation, or change of use is the result of a decision by an enforcement agency, as defined in Section 18207 of the Health and Safety Code, to suspend the permit to operate the mobilehome park. In this case, the mobilehome park owner is the person proposing the change in use for purposes of preparing the impact report required by this section and is required to take steps to mitigate the adverse impact of the change as may be required in subdivision (e).

65863.8. A local agency to which application has been made for the conversion of a mobilehome park to another use shall, at least 30 days prior to a hearing or any other action on the application, inform the applicant in writing of the provisions of Section 798.56 of the Civil Code and all applicable local requirements which impose upon the applicant a duty to notify residents and mobilehome owners of the mobilehome park of the proposed change in use, and shall specify therein the manner in which the applicant shall verify that residents and mobilehome owners of the mobilehome park have been notified of the proposed change in use. Neither a hearing on the application, nor any other action thereon, shall be taken by the local agency before the applicant has satisfactorily verified that the residents and mobilehome owners have been so notified, in the manner prescribed by law or local regulation.

65863.9. Unless an earlier expiration appears on the face of the permit, any permit which is issued by a local agency in conjunction with a tentative subdivision map for a planned unit development shall expire no sooner than the approved tentative map, or any extension thereof, whichever occurs later.

Local coastal development permits issued by a local agency in conjunction with a tentative subdivision map for a planned unit development shall expire no sooner than the approved tentative map, and any extension of the map shall be in accordance with the applicable local coastal program, if any, which is in effect.

65863.10. (a) As used in this section, the following terms have the following meaning:

(1) "Affected public entities" means the mayor of the city in which the assisted housing development is located, or, if located in an unincorporated area, the chair of the board of supervisors of the county; the appropriate local public housing authority, if any; and the Department of Housing and Community Development.

(2) "Affected tenant" means a tenant household residing in an assisted housing development, as defined in paragraph (3), at the time notice is required to be provided pursuant to this section, that benefits from the government assistance.

(3) "Assisted housing development" means a multifamily rental housing development that receives governmental assistance under any of the following federal programs:

(A) New construction, substantial rehabilitation, moderate rehabilitation, property disposition, and loan management set-aside programs, or any other program providing project-based assistance, under Section 8 of the United States Housing Act of 1937, as amended (42 U.S.C. Sec. 1437f).

(B) The following federal programs:

(ii) Section 236 of the National Housing Act (12 U.S.C. Sec. 1715z-1).

(iii) Section 202 of the Housing Act of 1959 (12 U.S.C. Sec. 1701q).

(C) Programs for rent supplement assistance under Section 101 of the Housing and Urban Development Act of 1965, as amended (12 U.S.C. Sec. 1701s).

(D) Programs under Section 515 of the Housing Act of 1949, as amended (42 U.S.C. Sec. 1485).

(E) Section 42 of the Internal Revenue Code.

(4) "City" means a general law city, a charter city, or a city and county.

(5) "Expiration of rental restrictions" means the expiration of rental restrictions for an assisted housing development described in subparagraph (E) of paragraph (3) unless the development has other recorded agreements restricting the rent to the same or lesser levels for at least 50 percent of the units.

(6) "Prepayment" means the payment in full or refinancing of the federally insured or federally held mortgage indebtedness prior to its original maturity date, or the voluntary cancellation of mortgage insurance, on an assisted housing development described in subparagraph (B) of paragraph (3) that would have the effect of removing the current low-income affordability restrictions contained in the applicable laws and the regulatory agreement.

(7) "Termination" means an owner's decision not to extend or renew its participation in a federal subsidy program for an assisted housing development described in subparagraph (A) of paragraph (3),

either at or prior to the scheduled date of the expiration of the contract, that may result in an increase in tenant rents or a change in the form of the subsidy from project-based to tenant-based.

(b) (1) At least 12 months prior to the anticipated date of the termination of a subsidy contract, expiration of rental restrictions, or prepayment on an assisted housing development, the owner proposing the termination or prepayment of governmental assistance or the owner of an assisted housing development in which there will be the expiration of rental restrictions shall provide a notice of the proposed change to each affected tenant household residing in the assisted housing development at the time the notice is provided and to the affected public entities. An owner who meets the requirements of Section 65863.13 shall be exempt from providing that notice. The notice shall contain all of the following:

(A) In the event of termination, a statement that the owner intends to terminate the subsidy contract or rental restrictions upon its expiration date, or the expiration date of any contract extension thereto.

(B) In the event of the expiration of rental restrictions, a statement that the restrictions will expire and whether the owner intends to increase rents greater than permitted under Section 42 of the Internal Revenue Code.

(C) In the event of prepayment, a statement that the owner intends to pay in full or refinance the federally insured or federally held mortgage indebtedness prior to its original maturity date, or voluntarily cancel the mortgage insurance.

(D) The anticipated date of the termination, prepayment of the federal program or expiration of rental restrictions, and the identity of the federal program described in subdivision (a).

(E) A statement that the proposed change would have the effect of removing the current low-income affordability restrictions in the applicable contract or regulatory agreement.

(F) A statement of the possibility that the housing may remain in the federal program after the proposed date of termination of the subsidy contract or prepayment if the owner elects to do so under the terms of the federal government's offer.

(G) A statement that other governmental assistance may be provided to tenants residing in the development at the time of the termination of the subsidy contract or prepayment.

(H) A statement that a subsequent notice of the proposed change, including anticipated changes in rents, if any, for the development, will be provided at least six months prior to the anticipated date of termination of the subsidy contract, or expiration of rental restrictions, or prepayment.

(I) A statement of notice of opportunity to submit an offer to purchase, as required in Section 65863.11.

(2) Notwithstanding paragraph (1), if an owner provides a copy of a federally required notice of termination of a subsidy contract or prepayment at least 12 months prior to the proposed change to each affected tenant household residing in the assisted housing development at the time the notice is provided and to the affected public entities, the owner shall be deemed in compliance with this subdivision, if the notice is in compliance with all federal laws. However, the federally required notice does not satisfy the requirements of Section 65863.11.

(c) (1) At least six months prior to the anticipated date of termination of a subsidy contract, expiration of rental restrictions

or prepayment on an assisted housing development, the owner proposing the termination or prepayment of governmental assistance or the owner of an assisted housing development in which there will be the expiration of rental restrictions under Section 42 of the Internal Revenue Code shall provide a notice of the proposed change to each affected tenant household residing in the assisted housing development at the time the notice is provided and to the affected public entities. An owner who meets the requirements of Section 65863.13 shall be exempt from providing that notice.

(2) The notice to the tenants shall contain all of the following:

(A) The anticipated date of the termination or prepayment of the federal program, or expiration of rental restrictions, and the identity of the federal program, as described in subdivision (a).

(B) The current rent and anticipated new rent for the unit on the date of the prepayment or termination of the federal program, or expiration of rental restrictions.

(C) A statement that a copy of the notice will be sent to the city, county, or city and county, where the assisted housing development is located, to the appropriate local public housing authority, if any, and to the Department of Housing and Community Development.

(D) A statement of the possibility that the housing may remain in the federal program after the proposed date of subsidy termination or prepayment if the owner elects to do so under the terms of the federal government's offer or that a rent increase may not take place due to the expiration of rental restrictions.

(E) A statement of the owner's intention to participate in any current replacement federal subsidy program made available to the affected tenants.

(F) The name and telephone number of the city, county, or city and county, the appropriate local public housing authority, if any, the Department of Housing and Community Development, and a legal services organization, that can be contacted to request additional written information about an owner's responsibilities and the rights and options of an affected tenant.

(3) In addition to the information provided in the notice to the affected tenant, the notice to the affected public entities shall contain information regarding the number of affected tenants in the project, the number of units that are government assisted and the type of assistance, the number of the units that are not government assisted, the number of bedrooms in each unit that is government assisted, and the ages and income of the affected tenants. The notice shall briefly describe the owner's plans for the project, including any timetables or deadlines for actions to be taken and specific governmental approvals that are required to be obtained, the reason the owner seeks to terminate the subsidy contract or prepay the mortgage, and any contacts the owner has made or is making with other governmental agencies or other interested parties in connection with the notice. The owner shall also attach a copy of any federally required notice of the termination of the subsidy contract or prepayment that was provided at least six months prior to the proposed change. The information contained in the notice shall be based on data that is reasonably available from existing written tenant and project records.

(d) The owner proposing the termination or prepayment of governmental assistance or the owner of an assisted housing development in which there will be the expiration of rental

restrictions under Section 42 of the Internal Revenue Code shall provide additional notice of any significant changes to the notice required by subdivision (c) within seven business days to each affected tenant household residing in the assisted housing development at the time the notice is provided and to the affected public entities. "Significant changes" shall include, but not be limited to, any changes to the date of termination or prepayment, or expiration of rental restrictions or the anticipated new rent.

(e) An owner who is subject to the requirements of this section shall also provide a copy of any notices issued to existing tenants pursuant to subdivision (b), (c), or (d) to any prospective tenant at the time he or she is interviewed for eligibility.

(f) This section shall not require the owner to obtain or acquire additional information that is not contained in the existing tenant and project records, or to update any information in his or her records. The owner shall not be held liable for any inaccuracies contained in these records or from other sources, nor shall the owner be liable to any party for providing this information.

(g) For purposes of this section, service of the notice to the affected tenants, the city, county, or city and county, the appropriate local public housing authority, if any, and the Department of Housing and Community Development by the owner pursuant to subdivisions (b) to (e), inclusive, shall be made by first-class mail postage prepaid.

(f) This section shall not require the owner to obtain or acquire additional information that is not contained in the existing tenant and project records, or to update any information in his or her records. The owner shall not be held liable for any inaccuracies contained in these records or from other sources, nor shall the owner be liable to any party for providing this information.

(g) For purposes of this section, service of the notice to the affected tenants, the city, county, or city and county, the appropriate local public housing authority, if any, and the Department of Housing and Community Development by the owner pursuant to subdivisions (b) to (e), inclusive, shall be made by first-class

An owner of an assisted housing development in which there will be the expiration of rental restrictions must also provide each of the entities listed in subdivision (d) an opportunity to submit an offer to purchase the development, in compliance with subdivisions (g) and (h). An owner who meets the requirements of Section 65863.13 shall be exempt from this requirement.

(c) An owner of an assisted housing development shall not sell, or otherwise dispose of, the development at any time within the five years prior to the expiration of rental restrictions or at any time if the owner is eligible for prepayment or termination within five years unless the owner or its agent shall first have provided each of the entities listed in subdivision (d) an opportunity to submit an offer to purchase the development, in compliance with subdivisions (g) and (h). This obligation shall be recorded prior to the close of escrow in the office of the county recorder of the county in which the development is located and shall contain a legal description of the property, indexed to the name of the owner as grantor. An owner that obligates itself to an enforceable regulatory agreement that will ensure for a period of not less than 30 years that rents for units occupied by low- and very low income households or that are vacant at the time of executing a purchase agreement will conform with restrictions imposed by Section 42(f) of the Internal Revenue Code shall be deemed in compliance with this paragraph. In addition, the regulatory agreement shall contain provisions requiring the renewal of rental subsidies, should they be available, provided that assistance is at a level to maintain the project's fiscal viability.

The notice of the opportunity to offer to purchase must be given prior to or concurrently with the notice required pursuant to Section 65863.10 for a period of at least 12 months. The owner shall contact the department to obtain the list of qualified entities. The notice shall conform to the requirements of subdivision (h) and shall be sent to the entities by registered or certified mail, return receipt requested. The owner shall also post a copy of the notice in a conspicuous place in the common area of the development.

(2) If the owner already has a bona fide offer to purchase from an entity prior to January 1, 2001, at the time the owner decides to sell or otherwise dispose of the development, the owner shall not be required to comply with this subdivision. However, the owner shall notify the department of this exemption and provide the department a copy of the offer.

(h) The initial notice of a bona fide opportunity to submit an offer to purchase shall contain all of the following:

(1) A statement that the owner will make available to each of the type of entities listed in subdivision (d), within 15 business days of receiving a request therefor, the terms of assumable financing, if any; the terms of the subsidy contract, if any; and proposed improvements to the property to be made by the owner in connection with the sale, if any.

(2) A statement that each of the type of entities listed in subdivision (d) has the right to purchase the development under this section.

(3) A statement that the owner will make available to each of the type of entities listed in subdivision (d), within 15 business days of receiving a request therefor, itemized lists of monthly operating expenses, capital improvements as determined by the owner made within each of the two preceding calendar years, the amount of project reserves, and copies of the two most recent financial and physical inspection reports on the development, if any, filed with the federal, state, or local agencies.

(4) A statement that the owner will make available to each of the entities listed in subdivision (d), within 15 business days of a request therefor, the most recent rent roll listing the rent paid for each unit and the subsidy, if any, paid by a governmental agency as of the date the notice of intent was made pursuant to Section 65863.10, and a statement of the vacancy rate at the development for each of the two preceding calendar years.

(5) A statement that the owner has satisfied all notice requirements pursuant to subdivision (b) of Section 65863.10, unless the notice of opportunity to submit an offer to purchase is delivered more than 12 months prior to the anticipated date of termination, prepayment, or expiration of rental restrictions.

(i) If a qualified entity elects to purchase an assisted housing development, it shall make a bona fide offer to purchase the development. A qualified entity's bona fide offer to purchase shall identify whether it is a tenant association, nonprofit organization, public agency, or profit-motivated organizations or individuals and shall certify, under penalty of perjury, that it is qualified pursuant to subdivision (e). During the first 180 days from the date of an owner's bona fide notice of the opportunity to submit an offer to purchase, an owner shall accept a bona fide offer to purchase only from a qualified entity. During this 180-day period, the owner shall not accept offers from any other entity.

(j) When a bona fide offer to purchase has been made to an owner,

and the offer is accepted, a purchase agreement shall be executed.

(k) Either the owner or the qualified entity may request that the fair market value of the property, as a development, be determined by an independent appraiser qualified to perform multifamily housing appraisals, who shall be selected and paid by the requesting party. All appraisers shall possess qualifications equivalent to those required by the members of the Appraisers Institute. This appraisal shall be nonbinding on either party with respect to the sales price of the development offered in the bona fide offer to purchase, or the acceptance or rejection of the offer.

(l) During the 180-day period following the initial 180-day period required pursuant to subdivision (i), an owner may accept an offer from a person or an entity that does not qualify under subdivision (e). This acceptance shall be made subject to the owner providing each qualified entity that made a bona fide offer to purchase the first opportunity to purchase the development at the same terms and conditions as the pending offer to purchase, unless these terms and conditions are modified by mutual consent. The owner shall notify in writing those qualified entities of the terms and conditions of the pending offer to purchase, sent by registered or certified mail, return receipt requested. The qualified entity shall have 30 days from the date the notice is mailed to submit a bona fide offer to purchase and that offer shall be accepted by the owner. The owner shall not be required to comply with the provisions of this subdivision if the person or the entity making the offer during this time period agrees to maintain the development for persons and families of very low, low, and moderate income in accordance with paragraph (2) of subdivision (e). The owner shall notify the department regarding how the buyer is meeting the requirements of paragraph (2) of subdivision (e).

(m) This section shall not apply to any of the following: a government taking by eminent domain or negotiated purchase; a forced sale pursuant to a foreclosure; a transfer by gift, devise, or operation of law; a sale to a person who would be included within the table of descent and distribution if there were to be a death intestate of an owner; or an owner who certifies, under penalty of perjury, the existence of a financial emergency during the period covered by the first right of refusal requiring immediate access to the proceeds of the sale of the development. The certification shall be made pursuant to subdivision (p).

(n) Prior to the close of escrow, an owner selling, leasing, or otherwise disposing of a development to a purchaser who does not qualify under subdivision (e) shall certify under penalty of perjury that the owner has complied with all provisions of this section and Section 65863.10. This certification shall be recorded and shall contain a legal description of the property, shall be indexed to the name of the owner as grantor, and may be relied upon by good faith purchasers and encumbrances for value and without notice of a failure to comply with the provisions of this section.

Any person or entity acting solely in the capacity of an escrow agent for the transfer of real property subject to this section shall not be liable for any failure to comply with this section unless the escrow agent either had actual knowledge of the requirements of this section or acted contrary to written escrow instructions concerning the provisions of this section.

(o) The department shall undertake the following responsibilities and duties:

(1) Maintain a form containing a summary of rights and obligations under this section and make that information available to owners of assisted housing developments as well as to tenant associations, local nonprofit organizations, regional or national nonprofit organizations, public agencies, and other entities with an interest in preserving the state's subsidized housing.

(2) Compile, maintain, and update a list of entities in subdivision (d) that have either contacted the department with an expressed interest in purchasing a development in the subject area or have been identified by the department as potentially having an interest in participating in a right-of-first-refusal program. The department shall publicize the existence of the list statewide. Upon receipt of a notice of intent under Section 65863.10, the department shall make the list available to the owner proposing the termination, prepayment, or removal of government assistance or to the owner of an assisted housing development in which there will be the expiration of rental restrictions. If the department does not make the list available at any time, the owner shall only be required to send a written copy of the opportunity to submit an offer to purchase notice to the qualified entities which directly contact the owner and to post a copy of the notice in the common area pursuant to subdivision (g).

(p) (1) The provisions of this section may be enforced either in law or in equity by any qualified entity entitled to exercise the opportunity to purchase and right of first refusal under this section, that has been adversely affected by an owner's failure to comply with this section.

(2) An owner may rely on the statements, claims, or representations of any person or entity that the person or entity is a qualified entity as specified in subdivision (d), unless the owner has actual knowledge that the purchaser is not a qualified entity.

(3) If the person or entity is not an entity as specified in subdivision (d), that fact, in the absence of actual knowledge as described in paragraph (2), shall not give rise to any claim against the owner for a violation of this section.

(q) It is the intent of the Legislature that the provisions of this section are in addition to, but not preemptive of, applicable federal laws governing the sale, or other disposition of a development that would result in either (1) a discontinuance of its use as an assisted housing development or (2) the termination or expiration of any low-income use restrictions that apply to the development.

(r) This section shall remain in effect only until January 1, 2011, and as of that date is repealed, unless a later enacted statute, which is enacted on or before January 1, 2011, deletes or extends that date.

65863.12. (a) Prior to the conversion of a floating home marina to another use, except pursuant to the Subdivision Map Act (Division 2 (commencing with Section 66410) of Title 7), or prior to closure of a floating home marina or cessation of use of the land as a floating home marina, the person or entity proposing the change in use shall file a report on the impact of the conversion, closure, or cessation of use upon the displaced residents of the floating home marina to be converted or closed. In determining the impact of the conversion,

closure, or cessation of use on displaced floating home marina residents, the report shall address the availability of adequate replacement housing in floating home marinas and relocation costs.

(b) The person proposing the change in use shall provide a copy of the report to a resident of each floating home in the floating home marina at least 15 days prior to the hearing, if any, on the impact report by the advisory agency, or if there is no advisory agency, by the legislative body.

(c) When the impact report is filed prior to the closure or cessation of use, the person or entity proposing the change shall provide a copy of the report to a resident of each floating home in the floating home marina at the same time as the notice of the change is provided to the residents pursuant to subdivision (f) of Section 800.71 of the Civil Code.

(d) When the impact report is filed prior to the closure or cessation of use, the person or entity filing the report or any resident may request, and shall have a right to, a hearing before the legislative body on the sufficiency of the report.

(e) The legislative body, or its delegated advisory agency, shall review the report, prior to any change of use, and may require, as a condition of the change, the person or entity to take steps to mitigate any adverse impact of the conversion, closure, or cessation of use on the ability of displaced floating home marina residents to find adequate housing in a floating home marina. The steps required to be taken to mitigate shall not exceed the reasonable costs of relocation.

(f) If the closure or cessation of use of a floating home marina results from an adjudication of bankruptcy, the provisions of this section shall not be applicable.

(g) The legislative body may establish reasonable fees pursuant to Chapter 13 (commencing with Section 54990) of Part 1 of Division 2 of Title 5 to cover any costs incurred by the local agency in implementing this section. Those fees shall be paid by the person or entity proposing the change in use.

(h) This section is applicable to charter cities.

(i) This section is applicable when the closure, cessation, or change of use is the result of a decision by a local governmental entity or planning agency not to renew a conditional use permit or zoning variance under which the floating home marina has operated, or as a result of any other zoning or planning decision, action, or inaction. However, a state or local governmental agency is not required to take steps to mitigate the adverse impact of the change pursuant to subdivision (e).

(j) This section applies to any floating home marina as defined in Section 800.4 of the Civil Code, and to any marina or harbor (1) which is managed by a nonprofit organization, the property, assets, and profits of which may not inure to any individual or group of individuals, but only to another nonprofit organization; (2) the rules and regulations of which are set by majority vote of the berthholders thereof; and (3) which contains berths for fewer than 25 floating homes.

65863.13. (a) An owner shall not be required to provide a notice as required by Section 65863.10 or 65863.11 if all of the following conditions are contained in a regulatory agreement that has been recorded against the property:

(1) No low-income tenant whose rent was restricted and or subsidized and who resides in the development within 12 months of the date that the rent restrictions are, or subsidy is, scheduled to expire or terminate shall be involuntarily displaced on a permanent basis as a result of the action by the owner unless the tenant has breached the terms of the lease.

(2) The owner shall accept and fully utilize all renewals of project-based assistance under Section 8 of the United States Housing Act of 1937, if available, and if that assistance is at a level to maintain the project's fiscal viability. The property shall be deemed fiscally viable if the rents permitted under the terms of the assistance are not less than the regulated rent levels established pursuant to paragraph (7).

(3) The owner shall accept all enhanced Section 8 vouchers, if the tenants receive them, and all other Section 8 vouchers for future vacancies.

(4) The owner shall not terminate a tenancy of a low-income household at the end of a lease term without demonstrating a breach of the lease.

(5) The owner may, in selecting eligible applicants for admission, utilize criteria that permit consideration of the amount of income, as long as the owner adequately considers other factors relevant to an applicant's ability to pay rent.

(6) For assisted housing developments described in paragraph (3) of subdivision (a) of Section 65863.10, a new regulatory agreement, consistent with this section, is recorded that restricts the rents and incomes of the previously restricted units, except as provided in paragraph (7), (8), or (9), to an equal or greater level of affordability than previously required so that the units are affordable to households at the same or a lower percentage of area median income.

(7) For housing developments that have units with project-based rental assistance upon the effective date of prepayment and subsequently become unassisted by any form of rental assistance, rents shall not exceed 30 percent of 60 percent of the area median income. If any form of rental assistance is or becomes available, the owner shall apply for and accept, if awarded, the rental assistance. Rent and occupancy levels shall then be set in accordance with federal regulations for the rental assistance program.

(8) For units that do not have project-based rental assistance upon the effective date of prepayment of a federally insured, federally held, or formerly federally insured or held mortgage and subsequently remain unassisted or become unassisted by any form of rental assistance, rents shall not exceed the greater of (i) 30 percent of 50 percent of the area median income, or (ii) for projects insured under Section 241(f) of the National Housing Act, the regulated rents, expressed as a percentage of area median income. If any form of rental assistance is or becomes available, the owner shall apply for and accept, if awarded, the rental assistance. Rent and occupancy levels shall then be set in accordance with federal regulations governing the rental assistance program.

(9) If, upon the recordation of the new regulatory agreement, any unit governed by regulatory agreement is occupied by a household whose income exceeds the applicable limit, the rent for that household shall not exceed 30 percent of that household's adjusted income, provided that household's rent shall not be increased by more than 10 percent annually.

(b) As used in this section, "regulatory agreement" means an agreement with a governmental agency for the purposes of any governmental program, which agreement applies to the development that would be subject to the notice requirement in Section 65863.10 and which obligates the owner and any successors in interest to maintain the affordability of the assisted housing development for households of very low, low, or moderate income for the greater of the term of the existing federal, state, or local government assistance specified in subdivision (a) of Section 65863.10 or 30 years.

(c) Section 65863.11 shall not apply to any development for which the owner is exempt from the notice requirements of Section 65863.10 pursuant to this section.

(d) This section shall remain in effect only until January 1, 2011, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2011, deletes or extends that date.
