Action Items

Item A-1

**DAC - Receipt and Filing of the Report from Cedars-Sinai
Regarding Building the Foundation for Disability Inclusion**

Chair Goldhaber introduced the item.

Denise Gallagher, Cedars Sinai, provided background on herself and a presentation on building the foundation for disability inclusion; noted the mostly internal workforce discussion to create a more inclusive environment; discussed history of the institution; empowering excellence through diversity; ensuring inclusivity of different dimensions of identity; strategic areas and goals; employee demographics;

self-identification of disability; national statistics; underreporting; getting a more accurate read; available information; programming and resources; stigma; education; what is included in the definition; funding and grant opportunities; integrating disability into research protocols; enhancing diverse perspectives in research; creation of an internal task force; Employee Resource Groups (ERGs); shared identity; funding to help groups thrive; providing an authentic voice; success and progress; areas for additional improvement; providing a safe space; reluctance to join a Disability ERG; best practices; accessibility audits; focus areas; task force findings; and receipt of the Best Place to work for Disability Inclusion designation.

Discussion ensued between Ms. Gallagher, staff, and Committee Members regarding people who complain about accommodations for the disabled; lack of ADA (Americans with Disabilities Act) compliance in many states; large organizations that are cutting their DEI (Diversity, Equity and Inclusion) programs; institutional core values; appreciation for the work being done and focus on an often overlooked population; disappointment that people do not want to disclose their disabilities; National Disability Awareness Month; the partnership with ArtLifting; people who are not comfortable talking about things; lack of awareness of leaders with disabilities; the need for storytelling and sharing of experiences; creating the right environment for people to talk; fear of retaliation; providing different programming; normalization; behind the scenes accommodation; the Department of Rehabilitation; ensuring that progress is made; providing transitional employment; representation; talent acquisition; hiring goals around people with disabilities; race and gender; ERGs; concern with marginalizing those with disabilities; people who feel they might not qualify; multi-factions under the umbrella of disabilities; physical, developmental, neurological, or social disabilities; increasing attendance; the explanation provided in the call for participation; intersectionality with different groups; appreciation for the presentation and for employee recruitment of diverse individuals; leadership; outreach for medical professionals with disabilities; approaching medical schools to let them know that Cedars is open to doctors or nurses with disabilities; lack of comfort in sharing diagnosis; the need for a movement to destigmatize the concept around ability and disability as professionals; being inclusive at all different levels; Next Generation Programs;

communication with hospitals that are part of the consortium; appreciation for the comment; the multi-faceted issue; the ever-changing community at Cedars Sinai; the long way to go; people who do not feel safe; and appreciation for the presentation and for the insightful comments from the DAC.

MOVED BY MEMBER LEFTRIDGE AND SECONDED BY MEMBER LO THAT THE DISABILITY ADVISORY COMMITTEE RECEIVE AND FILE THE REPORT FROM CEDARS-SINAI REGARDING BUILDING THE FOUNDATION FOR DISABILITY INCLUSION.
