To Whom It May Concern:

Based on the request from El Marino community members, Culver City Unified School District (CCUSD) is supporting the community's request to Culver City Public Works to provide permit only parking for the 11400 block of Diller Avenue.

CCUSD leases out the El Marino Elementary school field to youth sports organizations on the weekdays after school and weekends.

This letter shows our support to the community for an all permit only parking (residential side) for the 11400 block of Diller Avenue for weekdays after school (3:30 p.m. onward) and weekends.

Respectfully,
