Playing a leading role in our community

November 7, 2012

Mayor Weissman and Members of the City Council,
City of Culver City
City Hall
9770 Culver Blvd
Culver City, CA. 90232

Dear Mayor Weissman and Members of the City Council,

We look forward to the extension of our MOU for the second time and working in partnership with the City of Culver City on its economic future as well as providing services for the city at little or no costs.

An example of this partnership is relieving the city's General Fund of financing the annual Mayor's Luncheon. In the last four years with the Culver City Chamber leading and managing the Mayor's Luncheon we have eliminated nearly \$20,000 of taxpayer's money from this annual event. While doing this we have consistently hosted our elected officials of the City, Culver City Unified School District, Los Angeles County Supervisor as well as our federal and state representatives, and all past city elected officials when they are in attendance.

Economic development events such as the Culver Business EXPO, proposed Small Business Fairs at the Veteran's Memorial Complex would add to the City's reputation as a business friendly environment especially for small business.

The MOU represents a true partnership, where the city provides a few in-kind costs; the Chamber produces events that highlight the City as a place to do business in a productive manner.

We will be in attendance at the City Council Meeting of November 12, 2012 to answer any questions.

Sincerely,

Steven J. Rose, ACE
President/CEO
