

Proposed 2023 Work Plan

The Culver City Arts District Business Improvement District (CCAD BID) is comprised of numerous art galleries, architecture firms, creative businesses, specialty retail, restaurants, professional services, and design/wholesale firms located on the east side of Culver City (Exhibit 1).

Formed in February 2016, CCAD BID works to encourage engagement among the business community and to create/promote an identity for the area. Current objectives of the district include marketing and promotion, advocacy, and maintenance/beautification of the area to visually connect the community.

Accomplishments to date include the creation of a brand style guide, social media marketing, median replanting, increased streetscape maintenance, a new street-pole banner program, implementation of an outdoor dining and retail program, pilot lighting program, execution of the annual Art Walk & Roll Festival.

Advocacy and partnership is a major component of the CCADBID's with the City of Culver City, the Arts District Residents Association, the Culver City Academy of Visual and Performing Arts, The Culver City Chamber of Commerce and other local arts agencies and the formation of a non-profit 501(c)(6). By pooling resources, business owners in the BID can collectively pay for activities, which they may not be able to afford individually and can continue to revitalize and strengthen the Culver City Arts District.

Boundaries

The Arts District is primarily located along Washington Boulevard between the Metro Expo Line (National Boulevard) and Fairfax Avenue and along La Cienega Boulevard from Washington Boulevard to Blackwelder Street. In addition, the district encompasses a portion of Fairfax Avenue from Washington Boulevard to La Cienega Boulevard and Adams Street from Washington Boulevard to Fairfax Avenue. It also includes all of Helms

Avenue, Wesley Street, Perry Street, Smiley Drive, Blackwelder Street and Hines Avenue. Please see Exhibit A.

- Develop and maintain relationships with businesses located within the district.
- Oversee administration and management of the BID, adherence to The Brown Act and ongoing communication between City Staff and the Board.

Annual Assessment

The CCAD BID is an annually renewable program. Funding to implement the annual work plan is collected via assessments to businesses. Funds may only be used on the approved programs within the CCAD BID.

The Assessment Schedule has three levels based on both the City's business license activity codes as well as the physical location of the businesses within the district.

Business Activity

Those businesses that have business activity codes that reflect "creative" or artistic enterprise, support artistic or creative enterprise in the arts (art, architecture, marketing, entertainment, production, design services, culinary, etc.) or directly benefit from these enterprises (retail, restaurant, etc.) are identified as primary

beneficiaries. Those businesses whose activity may not be directly related to the arts but that support the arts/creative businesses or its employees and/or receive some benefit by being part of an “arts” or organized district are classified as secondary beneficiaries. All other businesses in the CCAD will be classified as tertiary. Tertiary beneficiaries, similar to primary and secondary businesses, will derive benefits from the maintenance, beautification and business promotion services provided by the CCAD.

Location

Most of the businesses within the Arts District are located on the Washington Blvd., National Blvd., La Cienega Blvd., Helms Ave., or Wesley St.

For businesses along Washington Blvd., La Cienega Blvd., National Blvd., Helms Ave., or Wesley St., the levels are as follows:

Primary - \$300 annually

Secondary - \$200 annually

Tertiary- \$100 annually

For those businesses along Smiley Dr., Blackwelder Street, Adams Street, Fairfax Avenue or Perry Drive, the levels are as follows:

Primary - \$225 annually

Secondary - \$150 annually

In the event of a dispute, the CCAD Advisory Board shall review the request and make disposition on the appropriate category.*
- 2. Business Owners with multiple business locations within the BID area will be assessed separately at each location.*
- 3. Commercial rentals will be assessed for each building location, not each tenant space.*
- 4. Multiple independent business owners at the same address will be assessed separately at their respective rates excluding beauty and health service professionals.*

The above codes represent known business activity currently within the district. New businesses that are within the district will be assessed on a pro-rata basis. If a business code is not listed above, beneficiary level will be determined by the advisory board or default to a tertiary level until the work plan can be updated.

The CCAD will work with the City to develop an appropriate collection schedule to encourage full payment and receipt of the assessment fees. Carryover funds may be used to augment budgeted expenses if revenues fall short. If any additional funds are received beyond anticipated revenues (or excess carryover) they shall be allocated to the Maintenance/Beautification line item. Please see Exhibit B.

Advocacy/Administration:	\$19,316
Maintenance/Beautification:	\$25,000
