RECOMMENDATION:

Staff recommends the City Council approve the final plans and specifications and authorize the advertising for construction bids for Culver West Alexander Park Rehabilitation (Phase II) - Lighting Improvements, P-835.

BACKGROUND/ DISCUSSION:

Phase I of the project included: a new jogging trail and landscaping; demolition and removal of an existing vacated restroom, the softball infield, and horseshoe pits; seeding and new turf in the former softball infield; enlarging the existing group picnic area; and the installation of rock climbing play equipment. The final construction cost for Phase I was \$154,060.

Phase II of the Culver West Alexander Park Rehabilitation Project includes the removal of the obsolete sport lighting fixtures, the installation of 14-foot high walkway lights along the jogging path, 4-foot high bollard lights in the McConnell pathway, and security lights at the recreation building.

Mullen & Associates, under a contract with the City, completed the design and preparation of the plans and specifications for the lighting improvements at Culver West Alexander Park. The project is ready to be advertized for construction bids. A completed set of plans and specifications is available for review at the City Clerk's Office in City Hall.

FISCAL ANALYSIS:

A Land and Water Conservation Fund (LWCF) Grant and Los Angeles County Proposition A Excess Funds provide the majority of the funding for the Culver West Alexander Park Rehabilitation Project. The engineer's cost estimate for the construction is approximately \$75,000. The current unencumbered fund balance in Account Number 42300835.730100 (Culver West Alexander Park Rehabilitation/Improvements Other than Buildings) is approximately \$78,500.

MOTION:

That the City Council:

Approve the plans and specifications and authorize advertising for construction bids for Culver West Alexander Park Rehabilitation (Phase II) - Lighting Improvements, P-835.
