Draft Environmental Impact Report

https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/crossing-campus_draft-eir.pdf

Draft EIR Appendices

Appendix A - NOP, Scoping Materials, and Comments on the NOP

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-a-is-nop-sm-comments.pdf>

Appendix B - Air Quality, Greenhouse Gas Emissions

https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-b-aq_ghg-emissions.pdf

Appendix C - Historical Report

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-c-historical-report.pdf>

Appendix D - Public Archaeological Resources Report

https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-d-public_archaeological-resources-report.pdf

Appendix E - Energy Calculations

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-e-energy-calculations.pdf>

Appendix F - Geotechnical Report

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-f-geotechnical-report.pdf>

Appendix G - Public Paleontological Resources Assessment Report

https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-g-public_paleontological-resources-assessment-report.pdf

Appendix H - Phase 1 ESA

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-h-phase-i-esa.pdf>

Appendix I - Hydrology Report

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-i-hydrology-report.pdf>

Appendix J - Land Use Plans and Policies

https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-j-land-use-plans-and-policies_project-comparison-tables.pdf

Appendix K - Noise Calculation Worksheets

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-k-noise-calculation-worksheets.pdf>

Appendix L - Public Services Request for Information Responses

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-l-public-services-request-for-information-responses.pdf>

Appendix M - Transportation Impact Study

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-m-transportation-impact-study.pdf>

Appendix N - Native American Consultation Documentation

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-n-native-american-consultation-documentation.pdf>

Appendix O - Water Supply Assessments

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-o-water-supply-assessments.pdf>

Appendix P - Utility Report

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-p-utility-report.pdf>

Appendix Q - Solid Waste Calcs

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/appendix-q-solid-waste-calcs.pdf>

Final Environmental Impact Report

Final Environmental Impact Report Notice of Availability

https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/ceqa-documents/crossings-campus_feir-noa.pdf

Final Environmental Impact Report

https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/ceqa-documents/crossings-campus-final-eir_no-appendices.pdf

Appendix A - Original Comment Letters on the Draft EIR

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/ceqa-documents/appendix-a-original-comment-letters-on-the-draft-eir.pdf>

Appendix B – Draft EIR Public Meeting Materials

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/ceqa-documents/appendix-b-draft-eir-public-meeting-materials.pdf>

Appendix C – Human Health Risk Assessment

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/ceqa-documents/appendix-c-human-health-risk-assessment.pdf>

Appendix D – Soil Pre-Characterization Survey for Disposal

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/ceqa-documents/appendix-d-soil-pre-characterization-survey-for-disposal.pdf>

Appendix E – Supplemental Air Quality Emissions Calculations

<https://www.culvercity.org/files/assets/public/documents/community-development/current-projects/8825-national-project-crossings/ceqa-documents/appendix-e-supplemental-air-quality-emissions-calculations.pdf>
