JIM B. CLARKE
COUNCILMEMBER

November 14, 2017

Honorable Jeff Cooper, Mayor and
Members of the City Council

Dear Mayor Cooper and Council Colleagues:

I hereby tender my resignation from the Oil Drilling Council Subcommittee effective today.

The extension to the public comment period for the Inglewood Oil Field draft EIR and specific plan that was adopted at last night's Council meeting means those comments and staff evaluation will be released after I am termed out on the Council. I feel it is important to replace me on the Subcommittee with a Council member who will continue in office when the public comment period ends and public hearing is held. Doing so will allow the new member the maximum amount of time to become familiar with all aspects of the Inglewood Oil Field and oil operations.

I would recommend the Council appoint Council Member Göran Eriksson to the Subcommittee. Council Member Eriksson currently serves with Council Member Sahli-Wells on the Sustainability Subcommittee.

I very much thank staff and our consultants Melanie and Kristin for their guidance, good counsel and patience in educating me on all the intricacies of the draft EIR, specific plan and basic operations of the Inglewood Oil Field.

Sincerely,

Jim B. Clarke
